BLANKS .- We will inform our renders that we keep on hand all kind of black Deeds, Bonds, Leases, Petitions for tavern Licenses, Bonds, Justice's and Constable's blanks of every description. Summons, Executions, Notes of hand, School Order &c., &c.

A rampant "Loyal Leaguer" of our town has always been proffessing to be anxious to bear a scar from a wound received in this war; but he is most preciously careful not to carry his careass where there is the least danger or lkeli- Candidate for the Assembly, bood of receiving the coveted wound. We see him about town even now. Why dont he go !

nor A female Abolitionist, who claims to be, and for any thing we know may be an exemplary mem'er of the Methodist sect, not long ago, hoped old Abe would wait until her husband became exempt by age, and then repeal the \$300-clause and make every man go! there's patriotion SIMUEL SNYDER, of Millin townand christianity for you.

The Press and Inquirer say that the rebel raid is led by Lee in person. It would seem from that, that he has beaten Grant so effectually, as to leave him harmless in the hands of some of his Lieutenants, while he himself, with the bulk of his army, strikes a blow at our own capital. We no dot believe that Lee is in com- CHARLES H. HESS, Fsq., of Mifflin

The country is infested with a lot of long, lean, lank, lazy, long-legged, lantern jawed Yankees, who are selling patent rights for 'seif-adjusting cork serows." Mouble-geared clothes-pins, 'single-breasted wash-lines,' 'high-pressure churns,' "preparations for taking the kinks out of a nigger's hair ;" and various other instruments of similar utility and importance; and all to escape the draft. We will wager that every man of them is a brawling "loyal leaguer" when at home, if he ever gets

AN INTERESTING DISTORY

DR. SCHENOE'S OWN CASE. WHILE LABORING UNDER CONSUMPTION, And how his Pulmonic Syrup, Seawced Tonic, and Mandrake Pills act on the System in curing that disease, and the

GREAT SUCCESS ATT ENDING IT

Te above is a correct timenose of Dr. Schenck taken many years ago, after he had recovered from Consumption; by a course of his "Schenck's Painteau STRUE," The likeness, althoug it does not represent him any thing like as had as he was at the worst, yet it is in strong contrast with the hale and vigorous books of the Portrait below, which is the true likeness of him at the present time. The contrast between these two pertraits is so great that many would not believe them to be the same person. Yet there are hundreds of persons, in and around Philad-Tpicia, who will recognise both portraits to be true representations. When the

New York, Wednesday, March 39, 1964.

to the public. They seem repetied the matter on my lings, and I would spit off more than a pain of offensive yellow matter every marring. As soon as that began to subside, my crough, fever, pain, night streams all logan to subside, my crough, fever, pain, night streams, and my appetite became so great that it was with inflictify I could keep from eating too mark. I soon gained my streams that all have been growing to flesh earthy a real may be easily the liver and stomach healthy with the Seaweed Toute and Mandrake Fills, at I am of a bilious temperament. My weights two him in sea much twenty pounds. On my recovery people would send for me, far and over, to see if their cases were like me. For this purpose I pay professional visits in the large cities. The consumptives wish to see the one that nakes these medicines, and who was carted of consumption by thom. To make my largest in possible that care in the imags and chronic uberrations to the Mattonia Banks acting as lean agents were to the first three weeks of April the subscriptions will be received by the Proper use of Schounk's Folmonic Syrap. Seaweed Toute, and Mandrake Fills.

drake Pills.

I am nown healthy man, with a large cavity in the models lake of the right lying the lower labe very much in how a dealing man, with a large cavity in the middle labe set for right lang, the tower labe very much be extracted and complete adhesion of the picture. The left lang is sound, and the upper lobe of the right lang is in a tolerably beauthy common. The great reason why playsicians do not cure consumption is they try to is in a tolecatty healthy condition. The great reason why physicians do not care consumption is they try to do not mach; they give medicines to stop the cough, to stop chilt, to stop night sweats, herire freer, and, by so come, they decauge the whole digestive powers, locking up the secretions, and eventually the patient sinks and likes. After hanke a parent obtaination of the patient with the Respiremeter, and that lungs enough inflicted as Remove the cause and they will all stop of the grown accord. No one can be cured of consumption, liver complaint, dispepsin, extarth, canker, discreted throat, unless the twee and stomach are made hearthy. In New England this canker, chronic extarth, ulcerated throat, clongation of uvila, is more prevalent than in, any other section of the country. This is frequently enused by a foul stomach. Not may burn it out with caustic time and again, and all they will get is temporary relief. Courset the stomach and liver, and they will heal up themselves.

Good multition is the remover.

Good multition is the remover. If you have any disease in any part of the body, it will remain there and decay more and more until you can get the stomach in the condition to digest foods and make new blood to take the place of diseased matter. This is the only way to had cavities in the lungs and oliver, and nature will not be bealing. Many persons have an idea that certain medicines are great purifiers of the blood.—When blood is once diseased matter, they and nature will not be bealing. Many persons have an idea that setting medicines are great purifiers of the blood.—When blood is once diseased in the cannot be purified; if it is diseased the same as the diseased matter in the extension and tree in the stomach, and tree it punty of murriabing food, if will make new blood.

If the master is visible and this to Company Democrat Clinton possibly Bennerat, and Company Democrat and Lurerine Union, copy bout two, and send hill to Company Democrat. Bondstreet, and wished me to call and see her. He said I could so no good; thathe lead I the heat medical attendings, am all said she was too fir good with Consumption to be coved plot she has hear heard of some great cares i not made, and he do sing to contral to every heat in the last stage of Neumann approximation, and without daubt must have some near the promoundion, and without daubt must have some near the promounding to her higher, found with Drinchlatches yeer much affected, but no cuttles had been in record was very asked to the applicance wis half this of the a yeer, must see her the applicance wis half this of the a yeer. Puter 140, legs swedom very most, mad webse than all, she had through the formation. Her howes mad seen merces eleven times

awedon very much and weeks than all she had chrome sharmens. Her howe rail seek moves eleven time to a, I teld for she had been moves eleven time to a, I teld for she had been being standing, and her stomach was in such an iderated condition that I was afraid methra could be done. She insisted I should try and do what I could for her, observing that she would not have long in the condition she was in, and I sends not have long in the remaining she was in, and I sends not make her any wirse. I save her first does not my Monarake fills, and the long or my Monarake fills, and the long or my Monarake fills, and the long a first she was in the stands of the she was the first alone and Syrup freely. That was he Tuesday, and by the next Sanshay the disprison was curried off, her appends had returned and she could sit up in bed and can her dimner. She is to yith flav. Dr. Howbing.

Mrs. Bartholomack, 33 West Ferty-fifth street, came to my reome with a timor on her liver. She was low-

by the Rev. Dr. Bowling.

Mrs. Barthotenew, 23 West Ferty-fifth street, came to my rooms with a timor on her liver. Blu was low-spirited, skin sallow, tongus coatast, howels costive, no appetite, and fast sinking into the grave. The said timor had been studied over fourteen years. I gave her Sypip, Tonic and Fills, and tolatic, to take them just as the directions were printed. Sie ecuse back to my rooms, 72 flood street in two weeks, somewhat better, her tongue had begun to clean a little graund the timor discharging very offensive matter, much faster than it had very done before. She kept gradually topproving, and in about two mouths she came to my rooms very much frightened, saving that the tumor had nearly stopped running, and was healing up, and

her, and takes great passes to visit any one that she bears has anything like her one; and tries to get than to come and see me. The next case is Miss Section to come and see me. The next case is Miss Section to the form Stamford. Come Mrs. Bertholomew got her down to see me, and she has been ever since at her house. When she first came to my resons, she was much emerited with a distrissing cough, spitting large quantities of blood. I examined her lungs with the respirometer, and in all my practice never found one with one lang so far gone and the other leag so sound. I could not give much encouragement. I thought she would die; but to my astenishment the Colmonic tyren, Scawced Tonic, and Mandrake Fills all seemed to go right to work, the lung is all healed over. leaving a cavity as large as a goose egg; good, appetite, fine spirits, and has gained some thirty five pounds in weight. She has some cough vet, which I do no not blink will leave her before Jane. I should think it would be of great interest to some unprejudiced phycician to visit these cases, particularly Miss Scodeld, or any of them who have been cured by my medicines. They are numerous in New York, but the above tiree all differ from each other, and if my medicines are doing what I represent they are, they should have the credit and the afflicted know where and how they may be cured.

Dr. J. H. Schenek can be found at his principal office, No. 39 North 6th Street, Philadolphin, every Saturday, from S. A. M., whill S.P. M., to give advice, free of charge; but for a thorough examination be charges three dollars. Price of the Pallmonic Syrup and Sea. Weed Tonic each \$125 per lottle, or \$6 time half doragh. Mandrake Pills 25-cents per box, and for sale by all Druggiets and Dealers.

U. S. 10-40 Bonds.

These flonds are issued under the Act of Congress of dollars. March 8th, 1864, which provides that all Bonds lasted under this Act shall be EXEMPT FROM TAXATION by or under any state or municipal authority. Subscriptions to these Bouds are received in United States notes of National Banks. They are TO BE RE-DEEMED IN COIN, at the pleasure of the Government from their date, and until their redemption FIVE PER CENT, INTEREST WILL BE PAID IN COIN, on Bonds of not over one hundred dollars annually and are in stataquo antebeltum. on all other Bonds semi-minually. The interest is payable on the first days of March and September in each

Subscribers will receive either Registered or Coupon Bonds, on they may prefer. Registered Bonds are recorded on the books of the U. S. Treasurer, and can be THE undersigned offers his entire stock of transferred only on the owner's order. Coupon Bonds are payable to bearer, and are more convenient for

commercial uses. Subscribers to this loan will have the option of having their Bonds draw interest from March 1st, by paying the accrued interest in coin—(or in United States notes, or the hotes of National Banks, adding fifty per cent. for premium.) Or reserve them drawing interest from the date of subscription and deposit. As these Bonds are

Exempt from Municipal or State Taxation, their value is increased from one to three per cent, per annum, according to the rate of tax fevies in various

One Eight Per Cent Interest in currency, and are of equal convenience as a permar

ntortemporary investment. It is believed that no segurities offer so great inducments to lenders us the various descriptions of U.S. Bonds. In all other forms of indebtedness, the faith or ability of private parties or stock companies or sepa-rate communities only is pledged for payment, while for the dobts of the United States the whole property of the country is hedden to secure the payment of both principal and interest in coin.

These Bonds may be subscribed for in sums from \$30 up to any magnitude, on the same terms, and are thus made equally available to the semilest tender and the largest capitalist. They can be converted int money at any moment, and the holder will have the

POSTSCRIPT!

ANOTHER DRAFT.

A bill is posted in the Bar rooms, call. ing for 1000 exvalry horses, to be paid for on delivery at Harrisburg. And an announcement added, that if shipped immediately, it will save the administration the necessity of pressing them into service, wherever found. So trot out your nags boys, and save the draft.

The Very Latest.

The papers of Thursday evening informs us that the rebel attack on Washington, was probably a feint to cover their retreat; as on the night following they silently and rapidly re-crossed the Potomac with the goods and cattle captured by them in the expedition, with millions of

Every thing quiet at Petersburg. Brooks and Smith's corps have been greatly defeated, and are consolidated. Smith has left the army. Butler is ordered to Fortat any period not less than ten nor more than forty years ress Monroe, Seigel and Wallace, having been again besten will be retired. Things
