COLUMBIA DEMOCRAT,

Mr. EDWARD LEWIS, in Hemlock township, lost his new dwelling house by fire on last Monday.

We learn from Medary' Crisis that the Ohio deleagation to Chicago will be almost unanimous for Peace.

We observe that Thomas Dunn, has taken to puffing Parson Dimm. Well, HOOFLAND'S GERMAN BITTERS. they are par nobile fratrum, and if the Parson can stand it, we can.

The Daily Laneaster Intelligencer Chronic or Nervous Debility, Diseases of will be out shortly. The Intelligencer is s oplendid, able, and beautiful weekly,

Mr. PETER Cone, of Greenwood township, recently showed as several heads of wheat, growed on Nicholas Cole's farm containing, each, over 100 grains.

We anderstand that Capt. Silvers. wants Columbia county put under martial law. We could give the Captain some good advice on that and kindred subjects; but we suppose he would not appreciate it.

The country was blessed with a most freshing rain on last Wednesday night. It was most opportune for the growing crops. The face of nature has been refreshed and invigorated.

gay A Loyal Destist up town professed himself perfectly willing to have the rebels come up through Pennsylvania, during the late raid, and magnanimously offered to risk his property !

Thomas Dunn, is again in trouble about the political complexion of the J rors for September Term. He thinks them too Democratic. Is Thomas afraid that the little "Dann pec deli' case, will come before our next Court ?

Now We call attention to the outside of county paper this week, and especially to the outside of our paper this week, and especially to the county in the National Intellige or, are included from the National Intellige or, and ponce and slavery question. Der The heavy loss sustained by the Senior Editor of this Journal, in the late co fingration, in which his Barn and other valuable property was destroyed-averaging about a thousand dollars, all uniusur ed-renders it necessary that he should re-build. For this purpose we are in want of lumber of all kinds. Will those of our leage. triends, who are in the lumber business. be so kind as to bring us at least a load of lumber, suitable for such building.

The American Monthly Magazine for August is on our table. We are glad to see its steady improvement, not only in printing and paper but in the matter. It is a magazine which the Democrats ought to make it a point to support: It is able, reliable; and in a literary point of view,it is the equal of the best American Magazines. Dont fail to subscribe, for you have tales, poetry, sketches, &c. J. Holmes AGNEW, Editor, No. 37, Park Row, N. Y. \$3, 000.

During the late rebel raid, one day a brawling abolition "Loyal Leaguer" From Rev. J. S. Herman, of the German Reformed went off in an estacy on the subject of the war and the negers, and the necessity for driving back the invader; whereupon one of Dr. John's copperheads sent word to the "Leaguer" to meet him at a certain point, and they would go together and fight this thing out. On the day, time and place the Copperhead was up to time but Jake did not come. Poor Jake !

We observe that yellow fever has appeared at Portsmouth, N. H., and that work in the Navy Yard has been nearly suspended in consequence. Yellow fever has also appeared at Quarantine, New York. These are consequences of carelesaness which follow and are bred by this war. Great care must be taken or it will very soon, this warm weather, become an (Successors to C. M. JACKSON & Co.,) epidemic. These things could not happen in ordinary times on account of the great cars usually exercised.

From the Rev. Levi Beck, Pastor of the Baptist Church, Pemberton, N. J. formerly of the North Baptist Church, Philadelphia. I have known Hoodlands, German Bitters, favorably for a number of years. I have used them in my own family, and have been so pleased with their effects that I was laduced to recommend them to many othkilled on the 27th of July, in the battle of Atl nta A son of Wm Robison, of Bloomsburg.
