COLUMBIA DEMOCRAT.

JESSE C. TATE, *Local Editor.*

Saturday Morning, Sep. 10, 1864.

☞ "*E. Pluribus Unum*," written from Chicago, will appear in the next Democrat.

☞ The Editor of the Portland Courier thinks the common sewing machine a very good article to hem with, but give him the regular calico to stay with.

☞ The Christian citizen must vote for the men standing on the Chicago Peace Platform, for their Bible tells them that "Blessed are the Peace makers!"

☞ SOLD HIS FARM.—HENRY BITTENBENDER, has sold his beautiful Farm, in Fishingcreek township, to John Zahner, of Centre township, for the sum of $7,650 00.

☞ MARTIN C. WOODWARD, has sold his house and lot, on Market Street, below Third Street in Bloomsburg, to E. R. Ikeler, of Millville, for $900 00.

☞ Johnson the Republican nominee for Vice-President, is not a citizen of the *United States*, nor can he vote, according to a late act of Congress.

☞ Special attention is invited to John Fatira's adv. in this issue. His assortment of Fancy Furs, for Ladies' and Children's wear is very large and of a superior quality.—Give him a call.

☞ Abraham Lincoln has fallen so low that Daniel S. Dickinson refuses to support him. We have slight reasons to believe that some of the loyal leaguers will be denouncing Dickinson as an inveterate Copperhead.

☞ THE VALLEY SPIRIT, which was lately destroyed by the burning of Chambersburg, has re appeared. It is entirely new and is a model Democratic paper. B. Y. Hamaker & Co, proprietors. We wish them success.

☞ Frederick Lauer, Esq., brewer at Reading, has just received a boat load of Canada barley malt, old stock, containing 8354½ bushels, amounting to $20,000.—Three years ago the same stock could have been bought for less than $8,000.

☞ Dr. E. L. ACKER, the faithful Editor of the Norristown Register, is announced as the Democratic candidate for Congress in the Montgomery District. Dr. ACKER, is an excellent young democrat and would make a worthy Representative in Congress. We wish he may be elected

☞ Brown's Bronchial Troches are recommended for public speakers and others, for the relief of Colds and to clear the voice. Their efficacy is strongly attested by Congressmen, Clergymen, Military men and others who use them. As there are imitations, be sure to obtain the genuine.

☞ HON. G. A. GROW.—The Abolitionists of Susquehanna County held their Convention last week and made nomination of a county ticket. Mr. Grow was nominated for congress, but not relishing another thrashing from his rival, Hon Cass Denison, he deemed it expedient to decline being a candidate. We had hoped for an opportunity to defeat him by doubling the majority of two years ago.—*Lackawanna Register.*

☞ The political rats are all deserting the sinking ship of the Administration.—In addition to the sulky attitude of some of the leading city Republican journals toward the government, quite a number of smaller country papers have taken down Lincoln's name and announced that hereafter they will occupy a position of armed neutrality or open opposition.—Several of the Kansas and Missouri journals have gone over to Fremont.

☞ Not a day passes but we hear of prominent Republicans breaking from the ranks of Abe Lincoln's destructive party. We are pleased that among the latest is found the name of the gifted, and patriotic Senator from Pennsylvania, Hon. EDGAR COWAN. Mr. Cowan was elected U. S. Senator by the abolitionists in 1861.—He is now disgusted with them, and will support the nominee of the Chicago Convention. He is a host, and will carry tens of thousands of conservative Republicans with him.

☞ State Fair—The Pennsylvania State Agricultural Society will hold its next fair at Easton Pa., Sept. 27th, 28th, 29th and 30th, 1864. The most ample accommodations we are informed are being made. The Grounds and buildings of the Farmers and Mechanics Institute, where the Fair will be held, are among the largest and finest in the State. In addition to the buildings and sheds already erected, several very large tents have been secured; one of the Fruit Growers Society of Easten Pennsylvania, who will hold their quarterly meeting upon the grounds at the same time. Their object is to discuss all questions appertaining to fruit growing, as well as to which fruits of their own production. Their discussions are not beneficial, will add much to the general interest of the Fair. From present indications the fair will be one of the largest ever held in the State. See Card.

☞ A Countryman walking along New York found his progress stopped by a barricade of lumber, and he asked what it was for. "O, that's to stop the yellow fever," was the reply. "Eh? I have often heard of the board of health, but I never saw one before."

SHODDY amuses itself by declaring the Democratic party "traitors of a deeper dye than Southern rebels, who are working for the success of the rebel cause." If this were true, and the Northern and Southern "traitors" should unite, where would shoddy be?

PATRIOT.—A blower who blackguards every one who differs with him in opinion, who talks "blood" but sheds none, is ferociously in favor of the war; but takes care to keep out of it; in short, a blustering, noisy, arrogant, meddlesome, ill-bred nuisance.

McClellan's Popularity.

A Presidential vote was taken on board the steamer Commonwealth, from N. Y., on Thursday evening, which resulted as follows:

McClellan,	180
Lincoln,	43

The vote was proposed by a Providence Republican.

There were about forty soldiers on board, every one of whom voted for McClellan.

This corresponds with all we have seen of and heard from, the returned soldiers. They are all for McClellan.

An officer from the Army of the Potomac on board made the emphatic assertion that the army is for the old leader, and feel that they have a personal interest in the election; and that no interference or persuasion of officers will induce them to act contrary to their honest convictions.—*Providence Post.*

MARRIAGES.

U. S. 7-30 LOAN.

The Secretary of the Treasury gives notice that subscriptions will be received for Coupon Treasury Notes, payable three years from Aug. 15th, 1864, with semi-annual interest at the rate of seven and three-tenths per cent. per annum,—principal and interest both to be paid in lawful money.

These notes will be convertible at the option of the holder at maturity, into six per cent. gold bearing bonds, payable not less than five nor more than twenty years from their date, as the Government may elect. They will be issued in denominations of $50, $100, $500, $1,000 and $5,000 and all subscriptions must be for fifty dollars or some multiple of fifty dollars.

The notes will be transmitted to the owners free of transportation charges as soon after the receipt of the original Certificates of Deposit as they can be prepared.

As the notes draw interest from August 15, persons making deposits subsequent to that date must pay the interest accrued from date of note to date of deposit.

Parties desposing twenty-five thousand dollars and upwards for these notes at any one time will be allowed a commission of one quarter of one per cent., which will be paid by the Treasury Department upon the receipt of a bill for the amount, certified to by the officer with whom the deposits was made. No deduction for commissioners must be made from the deposits.

SPECIAL ADVANTAGES OF THIS LOAN.

ITS ANXIOUS SAVINGS BANK, offering a higher rate of interest than any other, and *the best security.* Any savings bank which gives its depositors in U. S. Notes, convinces that it is paying it the best circulating medium of the country, and it cannot pay in anything better, for its own assets are either in government securities or in notes or bonds payable in government paper.

It is equally convenient as a temporary or permanent investment. The notes can always be sold by or under direction of the owner, and accumulated interest, and are the best security with banks as collaterals for the deposit.

Convertible into a Six per cent. 5-20 Gold Bond.

In addition to the very liberal interest on the notes for three years, this privilege of conversation is now worth about three per cent. per annum, for the current rate for 5-20 Bonds is not less than nine per cent. per annum, and before the war the premium on six per cent. U. S. stocks was over twenty per cent. It will be seen that the actual profit on the loan, at the present market rate, is not less than ten per cent. per annum.

Its Exemption from State or Municipal Taxation.

But aside from all the advantages we have enumerated, a special Act of Congress *exempts all bonds and Treasury notes from local taxation.* On the average, this exemption is worth about two per cent. per annum, according to the rate of taxation in various parts of the country.

It is believed that no securities offer so great inducements to tenderness those issued by the government, in all other forms of indebtedness, the faith or ability of private parties, or stock companies or separate communities, only, is pledged for payment, while the whole property of the country is held to secure the discharge of all the obligations of the United States.

While the government offers the most liberal terms for its loans, it believes that the very strongest appeal will be to the loyalty and patriotism of the people.

Duplicate certificates will be issued for all deposits. The party depositing must endorse upon the accepted certificate the denomination of notes required, and whether they are to be issued in blank or payable to order. When so endorsed it must be left with the officer receiving the deposit, to be forwarded to the Treasury Department.

Subscriptions will be received by the Treasury of the United States, at Washington, the several Assistant Treasurers and designated Depositaries, and by the

First National Bank of Danville Pa.

and by all National Banks which are depositaries of public money, and

ALL RESPECTABLE BANKS AND BANKERS throughout the country will give further information and

READ WHO SAYS SO!

From the Rev. Levi Beck, Pastor of the Baptist Church, Pemberton, N. J., formerly of the North Baptist Church, Philadelphia.

I have known Hoofland's German Bitters favorably for a number of years. I have used them in my own family, and have been so pleased with their effects that I was induced to recommend them to many others, and know that they have operated in a strikingly beneficial manner. I take great pleasure in this publicly proclaiming this fact, and calling the attention of those afflicted with those diseases for which they are recommended, to those Bitters, knowing from experience that my recommendation will be sustained. I do this more cheerfully as Hoofland's Bitters is intended to benefit the afflicted, and is not "a rum drink."

Yours truly, LEVI G. BECK.

From Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge, and Christian Chronicle, Philadelphia.

Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects; I yet know of no sufficient reasons why a man may not testify to the benefit he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief and restoration to a degree of health and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.

J. NEWTON BROWN.

From the Rev. Jos. H. Kennard, Pastor of the 10th Baptist Church.

DR. JACKSON:—Dear Sir:—I have been frequently requested to connect my name with recommendations of different kinds of medicines but regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances, and particularly in my family, of the beneficial use of Hoofland's German Bitters, I depart for once from my usual course, to express my full conviction that, for general debility of the system and especially for Liver complaint, it is a safe and valuable preparation. In some cases it may fail; but usually, I should say, it will be very beneficial to those who suffer from the above causes.

Yours, very respectfully,

J. H. KENNARD.

Eighth below Coates st., Philad'a.

From Rev. Warren Randolph, Pastor of Baptist Church Germantown, Pa.

DR. C. M. JACKSON:—Dear Sir:—Personal experience enables me to say that I regard the German Bitters prepared by you as a most excellent medicine. In cases of severe colds and general debility I have been greatly benefitted by the use of the Bitters, and doubt not they will produce similar effects in others.

Yours respectfully, WARREN RANDOLPH, Germantown, Penn'a.

From Rev. J. H. Turner, Pastor of Bedding M. E. Church, Philada.

DR. JACKSON:—Dear Sir:—Having used your German Bitters in my family frequently I am prepared to say that it has been of great service. I believe that in most cases of general debility of the system it is the safest and most valuable remedy of which I have any knowledge. Yours, &c., J. H. TURNER,

No. 216 N. Nineteenth Street.

From the Rev. J. M. Lyons, formerly Pastor of the Columbian (N. J.) and Millerstown, (Pa.) Baptist Church, New Columbus, N. Y.

DR. C. M. JACKSON:—Dear Sir:—I feel it a pleasure thus, of my own accord, to bear testimony to the excellency of Dr. German Bitters. Some years since being much afflicted with dyspepsia, I was given them with great beneficial results. I have often recommended them to persons enfeebled by that tormenting disease, and have heard from them the most flattering testimonials as to their great value. In cases of general debility, I believe it to be a tonic that cannot be surpassed.

J. M. LYONS.

From the Rev. Thos. Winter, Pastor of Roxborough, Baptist Church.

DR. JACKSON:—Dear Sir:—I feel it due to your excellent preparation, Hoofland's German Bitters, to add my testimony to the deserved reputation it has obtained. I have for years, at times, been troubled with great disorder in my head and a nervous system. I was advised by a friend to try a bottle of your German Bitters. I did so and have experienced great and unexpected relief; my health has been very materially benefitted. I confidently recommend the article where I am met with cases similar to my own and have been assured by many of their good effects.

Respectfully yours, T. WINTER, Roxborough, Pa.

From Rev. J. S. Herman, of the German Reformed Church, Kutztown, Berks county, Pa.

DR. C. M. JACKSON—Respected Sir:—I have been sick with Dyspepsia nearly twenty years, and have never used any medicine that did me as much good as Hoofland's Bitters. I am very much improved in health after taking five bottles. Respectfully yours,

J. S. HARMAN.

It is thought the Government will extend the time for volunteering as enlistments all over the country have been steadily increasing. Recruits are continually going forward to our armies, and, with united effort on the part of the people, the quotas will soon be filled.

FROM TENNESSEE

John Morgan Killed and His Forces Entirely Routed—Wheeler Retreating—His Raid a Failure.

CINCINNATI, 6.—The Commercial publishes the following dispatch:

KNOXVILLE, Sept. 5.—The following official telegram from Gen. Gillen was received early this evening:

BULL'S GAP, Tenn., Sept. 5.—General Tillison: I surprised, defeated and killed John Morgan at Greenville this morning.

The killed are scattered for miles, and have not been counted.

They probably numbered fifty or one hundred.

About seventy-five prisoners were captured, and among them were Morgan's staff; also one piece of artillery and a caisson.

The enemie's force outnumbered mine, but the surprise was complete.

(Signed) ALVAN C. GILLEN.

NASHVILLE, Sept 5.—Gen. Rosseau telegraphed from Spring Hill, late on Saturday night, that Wheeler's force was across Duck river, and had joined Roddy, and both were retreating towards Florence, Alabama.

Gen Roseau pronounces the raid a complete failure.

Gen. Keller is reported to have been mortally wounded, and to have died at Franklin yesterday.

Gen. Bushill is also reported to have been killed in a skirmish.

Considerable damage has been done to the railroad, but a large force is employed in repairing it, and they will soon have it in running order again.
