COLUMBIA DEMOCRAT.

ALEM B. TATE, LOCAL EDITOR.

Saturday Morning, Nov. 5, 1864.

VOTERS! If you are in favor of your country, vote the Democratic ticket!

☞ JUDGE ELWELL has returned from his visit to his farm near Towanda.

☞ TO BRING DOWN THE PRICE OF GOLD—Vote for McClellan.

☞ Our Farmers may as well prepare to make up more Bounty, if old Abe is again elected. Nothing surer than that.

☞ The late election return, from this State operate powerfully on the nerves of the "truly loyal." They begin to feel kind of "shaky." Let the good work go on.

☞ The Senior Editor of this Journal, has been prevented by indisposition, the past week, from attending all the appointments to which he was appointed to speak at the Democratic meetings.

☞ WM. G. HARRIS, advertises his farm for sale, at public out-cry. It is situated in Greenwood twp., Columbia county. Read his advertisement in our columns, and attend the sale.

☞ During the recent elections, we have somewhat neglected the local and literary depaatments of our paper, but as the last of these will soon be over, we intend that our readers shall have no cause of complaint on this score after a week or two.

☞ A sneaking loyal scoundrel last week, in the Catawissa Cars, denounced Gen. MCCLELLAN, as a coward, when he was rushed upon instantly by two brave Soldiers, who said you dare not repeat that *slander*, upon our brave Commander. The abolition coward wilted.

☞ M. & E. W. WYNKOOP, will open another term of their Select School, on Monday next, the 7th of November in Bloomsburg. They keep an excellent School. Now is the time to enter pupils for the Winter Term.

☞ ABEL SAVAGE & Co., have opened a room over Fox's Restaurant, on Main street, Bloomsburg, where our unfortunate conscript friends can procure substitutes, or assistance and information in reference to the Draft, &c. Mr. S., is much of a gentleman, and we bespeak for him, the patronage of our people, desiring aid in his branch of business.

☞ The men drafted at old Abe's late "lottery of Death," in Columbia and Montour counties, have been reporting at this place during the past week. The examinations have been held in the "Loyal League Room." Eleven townships in Columbia county were drafted, the other thirteen being exempt, by filling their quotas by volunteers. Substitutes are numerous in town. They sell themselves from $200 to $900.

☞ Of course the Abolition tricksters will have arrangements made to have soldiers stationed at the several polls of this county. A company has arrived at Benton, from Williamsport, via Muncy, and we suppose they will be stationed at or near the polls, as was done at the last election, on the pretence of watching for non-reporting conscripts. But don't let this intimidate you Democrats. Go to the polls and vote at all hazards.

☞ Our hosts of brave Columbia County soldiers have made gallant fighters, and by the returns received we find that they are equally gallant in standing up for the time-honored principles of Democracy, under the most trying circumstances. All honor to our brave soldiers. They will give a glorious account of themselves when the day comes for putting Little Mac in the presidential chair.

Did it ever strike the reader that, under the beneficent government of Shoddy, every time a poor man lights his fire in the morning, every time he sets his pipe agoing, or puts a match to his candle to light him to bed, he is paying tax to support a daily expenditure by the Federal Administration of over three million dollars, a large part of which goes to the enrichment of hungry office holders and court favorites? Every time the poor man looks upon the stamp which graces each block of matches let him think of this thing.

☞ A noticeable feature of the soldier vote for this County is that in the hospitals the Democratic candidates receive scarcely any votes, while in the companies and regiments they get a fair share. It may be that Democratic soldiers never get sick or wounded; we presume they do, however, at least we know of many gallant Democrts who have died and been killed in the army. These hospital votes can be accounted for only by the tremendous influences brought to bear by sycophant thieving officers who infest such institutions. Hopes and threats are made to the sick soldier, and when these fail then he is not allowed to vote at all. We have seen letters from soldiers since the last election stating these facts. Of course the men and the party who thus treat sick soldiers are the soldier's friends! Oh, yes, their friendship for him quickly dies, however, when they find him a Democrat.

LADIES AT POLITICAL MEETINGS.—It is a noticeable fact that at every Democratic meeting held during the present campaign, the ladies have turned out in large numbers. They manifest more interest in politics than usual, feeling, doubtless, that they have as much at stake as the men in the issue presented. They are for "UNION first, PEACE next, WAR last, and SEPERATION never."

READ WHO SAYS SO!

From the Rev. Levi Beck, Pastor of the Baptist Church, Pemberton, N. J., formerly of the North Baptist Church, Philadelphia.

I have known Hoofland's German Bitters favorably for a number of years. I have used them in my own family, and have been so pleased with their effects that I was induced to recommend them to many others, and know that they have operated in a strikingly beneficial manner. I take great pleasure in thus publicly proclaiming this fact, and calling the attention of those afflicted with those diseases for which they are recommended, to those Bitters, knowing from experience that my recommendation will be sustained. I do this more cheerfully as Hoofland's Bitters is intended to benefit the afflicted, and is not "a rum drink."

Yours truly, LEVI G. BECK.

From Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge, and Christian Chronicle, Philadelphia.

Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects; I yet know of no sufficient reason why a man may not testify to the benefit he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture. I was indebted to my friend Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encouraging me to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.

DR. JACKSON:—Dear sir.—I have been frequently requested to connect my name with commendations of different kinds of medicines but regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances, and particularly in my family, of the usefulness of Dr. Hoofland's German Bitters, I depart for once from my usual course, to express my full conviction that, for general debility of the system and especially for Liver Complaint, it is a safe and valuable preparation. In some cases it may fail; but usually, I doubt not, it will be found beneficial to those who suffer from the above causes. Yours, very respectfully,

J. H KENNARD,

From Rev. Warren Randolph, Pastor of Baptist Church Germantown, Pa.

DR. C. M. JACKSON:—Dear Sir:—Personal experience enables me to say that I regard the German Bitters prepared by you as a most excellent medicine. In cases of severe cold and general debility I have been greatly benefitted by the use of the Bitters, and doubt not they will produce similar effects on others.

Yours respectfully, WARREN RANDOLPH,
Germantown, Penn'a.

From Rev. J. H. Turner, Pastor of Bedding M. E Church, Philada.

DR. JACKSON:—Dear Sir:—Having used your German Bitters in my family frequently I am prepared to say that it has been of great service. I believe that in most cases of generally debility of the system it is the safest and most valuable remedy of which I have any knowledge. Yours, &c., J. H. TURNER,

DR. C. M. JACKSON:—Dear Sir.—I feel it a pleasure thus, of my own accord, to bear testimony to the excellence of the German Bitters. Some years since being much afflicted with Dyspepsia, I used them with great beneficial results. I have often recommended them to persons enfeebled by that tormenting disease, and have heard from them the most flattering testimonials as to their great value. In cases of general debility, I believe it to be a tonic that cannot be surpassed.

J. M. LYONS.

From the Rev. Thos. Winter, Pastor of Roxborough, Baptist Church.

DR. JACKSON:—Dear Sir:—I feel it due to your excellent preparation, Hoofland's German Bitters, to add my testimony to the deserved reputation it has obtained. I have for years, at times, been troubled with great disorder in my head and nervous system. I was advised by a friend to try a bottle of your German Bitters. I did so and have experienced great and unexpected relief; my health has been very materially benefitted. I confidently recommend the article where I meet with cases similar to my own and have been as served by many of their good effects.

Respectfully yours, T. WINTER, Roxborough, Pa.

From Rev. J. S. Herman, of the German Reformed Church, Kutztown, Berks county, Pa.

DR. C. M. JACKSON—Respected Sir:—I have been sick with Dyspepsia nearly twenty years, and have never used any medicine that did me as much good as Hoofland's Bitters. I am very much improved in health after taking five bottles. Respectfully yours,

J. S. HARMAN.
