

BLOOMSBURG:

Saturday Morning, Jan. 21, 1865.

"Our Constitution—guard it ever! Our "lerious Union—hold it dear! Our Starry Flag.—foreake it never! The proud Caucansian—our only peer!

\$3 00 per Year, or

five thousand one hundred and ninety whom they visited every day." sebolars .- Abolition Exchange.

Negro schools sustained by the government! Where do the United States authorities get the power to take money out How can they use the people's money for well conclude with the poet that such a purpose as this ? Verily, these are strange times, when that provision of the

en, are there no white children to educate, when the tide turns. whose advancement in knowledge would be an honor to the country and a benefit to the race? Is the negro the prestige of this government, upon which it must lavish all its care, and squander the people's money? Is he better than our children, that they must be neglected, despized, their God-given rights trodden under foot, their by and permit these things?

assigned by him, under the call of Dec. looks that way. 10th, 1864, and announced to the district are repealed, and that new quotas will be established for the different districts by January 31, up to which time corrected enrollments will be received. They should be forwarded immediately. It has heretofore been the custom for the Provost Marshal-General of the State to assign the district quotas, and the district Provost Marshals and enrollment boards assigned the quotas of their sub districts.

MISSOURI IS FREE -The Tribune declares that Missouri is free-because a clique of traitors in that State has decreed the emancipation of other people's slaves! Missouri is free! Free from law and order, free from constitutional right, free a cut-throat fanaticists.

State of Massachusetts, by permission of Stanton, had recruiting agents down at Savannah, Georgia, catching niggers to fill her quota, on the last call.

By and by, we shall be paying another "special Income Tax," to pay somebody say you, Pee John-Is there any such and was consecrated Bishop of Connectifor those Massachusetts darkies. What special five per cent. tax on incomes?

The Tennessee "convention" of erazy united and prosperous. heads have nominated Parson Browlow, By his death the venerable John Henry the Georgia Militia," &c., &c., have been cent man would not have tallied with the Presiding Bishop. calibre of the "convention."
