COLUMBIA DEMOCRAT.

ALEM B. TATE, LOCAL EDITOR.

Saturday Morning, Feb. 25, 1865.

☞ The St. Albans raiders have arrived at Washington under guard.

☞ Blank Bonds, for School Boards and Supervisors, wishing to borrow money to pay bounties, printed at the Democrat office on short notice.

☞ THE SENATORS ELECT from the new State of Nevada, Messrs. James W. Nye and William U. Stewart, were admitted to seats in the United States Senate on Wednesday.

☞ Governor Bramlette, of Kentucky, recommends to the Legislature of that State to ratify the anti-slavery amendment to the Constitution, upon conditions that the general government recompense her for her slaves thus made free. The cost would be about $34,000,000.

GEN. MEAD'S CONFIRMATION.—The appointment of General Meade as a Major General of the Regular Army, has been confirmed by the Senate, but not without a stout resistance on the part of the radicals. It was carried by only five majority. Senators Wade and Chandler were among the resistants, it is said.

BIG THING.—The whole amount of the Infernal Revenue for the year 1863 is one hundred and thirty-six millions, nine hundred and eight-three thousand, and twenty-two dollars and eighty three cents. This is truly a monstrous income from one single source.

ADVICE GRATIS.—Farmers and others having Real or Personal Estate to sell will find it greatly to their advantage to advertise the same extensively both by newspapers and hand-bills. By so doing they will draw together a large crowd of buyers, secure greater competition, and of course, higher prices. It is the worst kind of economy to economize in the matter of advertising.

IMPORTANT TO EVERYBODY.—The Commissioner of Internal Revenue has decided that on and after the 1st of February 1865, persons executing receipts for the delivery of any property must affix a two cent stamp to such receipts and cancel the same, otherwise they will be prosecuted for the penalty of $22 incurred under section 158 of the act of June 30, 1864. Receipts for the delivery of coal, wood, &c., will, it appears, require a stamp hereafter.

☞ On Sunday a negro minister preached in the U. S. House of Representatives. This is the first instance of the kind in the country. It is hoped that he shamed some of his white brethren by preaching Christ and him crucified, only. Those of the members who heard him were no doubt considerably edified if he done so, as it must be some time since they heard anything from the pulpit except political harangues.

☞ Hon. WM. SAULSBURY, Senator in Congress, has been re elected by the Legislature of Delaware for six years from the 4th of March, 1865. Mr. Saulsbury was born in Kent county, Delaware, June 10, 1820; was educated at Delaware College and also at Dickinson College; studied law, and was admitted to the bar in 1845; in 1850, he was appointed Attorney General of Delaware, and held the office five years; and, in 1859, he was elected a Senator in Congress for the term ending in 1865, serving on the Committees on Commerce, Pensions, and Patents and the Patent Office.

☞ The new One Dollar Bills recently issued by the Bank of Montgomery County, are the first the Bank has had in circulation for a long time. Some individual in Philadelphia received one, and was assured by everybody that it was a counterfeit. To test the matter he presented it at the counter of one of the city banks, which also threw it out. A wager having been made on its character, a visit had to be paid to have its genuineness proven.

LIEUT EVANS.—We notice in looking over the war news of the New York *Herald*, that LIEUT. W. H. EVANS, of this place received a meritorious notice for his bravery and good conduct during the sharp engagement, a short time since, at Hatcher's Run, in the neighborhood of Petersburg. LIEUT. EVANS is mentioned as having scaled the redoubts and planted the STARS AND STRIPES upon them, after several unsuccessful charges upon the rebel works. In this engagement he received a severe wound in the hand, by a rebel bullet passing through it. He is home on furlough for thirty days. This movement was made to feel General Lee's lines; to ascertain what amount of troops he had sent down to Charleston to assist his forces there in holding the place against the Union forces under Gen. Sherman.—Lieut. Evans belongs to the 210th P. V., which Regiment is attached to the 5th Corps. The corps is reported to have suffered the most severely in this late movement. The Weather was very unfavorable and everything calculated to make the hole affair very unpleasant.—&c.

THE MUSICIAN with rapturous emotions.

THE DISPIRITED becomes hopeful and

THE DESPAIRING, happy.

Bryan's Life Pills

Are adapted for all Ages & Constitutions,

They are composed of the active principles of Herbs and Roots culled from our fields and forests. They are mild but certain in their operation—producing neither cramps, griping pains or sickness. They may be taken by all ages, sexes or condition without fear.

To cure disease we must go further than simply purge the bowels; we must use such remedies as act in harmony with the laws of nature, in the gentlest manner. A cathartic merely prepares the way for other remedies—acts indispensible in very many cases to evacuate the bowels of accumulated acrid matter. A disordered system comes on by slow degrees, and the action of medicine must be in like manner. Disease, though local in its character, affects more or less the whole system; and it is necessary to act in a similar manner, on the system by blood-healing and purifying properties—first, locally on the stomach and bowels, and then on the whole system. The medicine, instead of all going through the pores, should partially remain in it until a change is effected, so as to accomplish the work designed, therefore, a simple cathartic pill is not what the system wholly requires. A medicine is necessary that will not only operate on the bowels, but change the morbid action of the secretions of the Liver, Stomach, Nerves, Kidneys and Alimentary Canal and finally on the blood. Such, then, is the operation of Bryan's Life Pills; consequently, they are invaluable in all cases of Dyspepsia, Headache and Nervousness, and will expel all humors from the blood. They act on all parts of the system, and influence a change in those organs that are deranged, and can be successfully used in any disease that affects the human frame. They have healthful and life-giving properties, which, being taken up by the many minute vessels, enters the blood and assists nature to perform he functions. If attention is paid to the digestive organs and regular evacuations of the body; much disease may be prevented; and these pills are designed to effect that end, as they not only act on the Biliary Secretions by promoting digestion, but carry off, through the bowels and Kidneys, all irritating humors. Nature expounds her laws, and the practice that fails in harmony with them is most successful.—No medicine should be taken that weakens the system, and prevents the proper performance of the functions of the body; the vast machinery of the human fabric must be kept in order, or some part becomes influenced by undue excitement; the whole system must be nourished, or it dies; so, by understanding fully the laws upon which life and health depend, we can guide the system by the silent forces of nature and keep all the functions in harmonious order. Such is the design of Bryan's Life Pills; for although a mild cathartic, they never weaken the system, but restore it to a natural equilibrium—and this great principle lies at the foundation of every disease. They act on all parts of the system, and influence a change in those organs are deranged. The utmost reliance may be placed in these Pills; they are the result of deep-sought study and experience in the true action of nature's remedies, directed to the cause that lies at the foundation of disease. They have been tried by thousands with successful results, and they are now placed before the people with the greatest confidence.

A Box of BRYAN'S LIFE PILLS will cost

BUT TWENTY FIVE CENTS.

They will accomplish faithfully all that is represented.

They are elegantly put up by the proprietor, who was the inventor of BRYAN'S PULMONIC WAFERS a medicine long and favorably known to the American Nation.
