COLUMBIA DEMOCRAT.

Saturday Morning, May, 6, 1865.

☞ Read our long list of new Advertisements.

☞ Hon. JOHN D. STILES, M. C. of the Lehigh District, will accept our thanks for public documents.

☞ Senator BUCKALEW, has our thanks for a copy of the statement or table of the Senators of the United States.

☞ Mr. SAMUEL PARK, a soldier from Sugarloaf township, this county, recently died in the hospital near Petersburg, Va., from the effects of wounds received in battle.

☞ Mr. MICHAEL REIFFLEDIFER, of Bloomsburg, who lately volunteered in the Army, died at Roanoke Island, and was last Sunday buried in Bloomsburg.

☞ See notice for Election of Officers of the Agricultural Society to be held on Saturday, 20th of May.

☞ The person who sent us Lines on the death of "William Henry," mailed at Williamsport, and having withheld his name, is informed that we never publish anonymous communications.

MESSRS ENT'S STORE.—We announce to-day, the arrival of New Spring and Summer Goods, at Ent's Store in Light Street. Their assortment is large and selections choice and fine. Persons wanting cheap Goods in this locality, will do well to call soon and see the new Fabrics

Senatorial Delegate.—Hon. PETER EST has been appointed Senatorial Delegate to the coming June Democratic State Convention. It is a good selection. We have no doubt that his nomination will be concurred in by the Democratic party of this Senatorial District

☞ President JOHNSON, has ordered the release of the Military prisoners in the Old Capital Prison and from Forts Warren and McHenry. This is a good beginning. We hope he will speedily order the release of the Five Columbia County citizens from Fort Mifflin.

OPEN FOR BUSINESS.—The Philadelphia & Erie Railroad is open again for business, from Sunbury to Erie. The great flood had done it a great deal of damage. This road is destined to become one of the most important lines in the State.

☞ We learn from Washington that since the caving in of the rebellion, the "reliable gentleman" and the "intelligent contraband" have entered into partnership and gone into the oil business. "Jeff Davis' coachman" will act as the business manager of the new firm.

☞ Mr. LLOYD T. SHARPLESS, the enterprising Merchant on Main Street, west of Market Street, has just opened another assortment of Cheap and Fashionable Spring and Summer Goods. He is still selling at reduced prices and is determined not to be undersold in Bloomsburg. If you but saw the droves of Ladies who daily throng his Store you couldn't resist the attraction.

FINE WEATHER.—Spring has fairly set in, and we have had some beautiful weather this week. The gardens and fields are already decked in green, and variegated with flowers. Bare-footed boys and chip hats are already at large, and every day we expect the first organ-grinder to make his *debut* into our town.

☞ At a Methodist Conference held at Canton, Ohio, during the last month, a Rev. J. H White moved to expel from the Conference the Rev S Lewis, a superannuated preacher, for the crime of having shaken hands with the Hon C. L. Vallandigham He had not seen him shake hands, but, he said, he had heard that he did shake hands with Vallandigham

Income Tax.

The assessors have prepared a most remarkable oath, which they require every man to make in giving in his income statement. This oath is to the effect that the statement shows the income "which he has received, and to which he is in any manner entitled,' and also "that he has not received and is not entitled to receive, from any or all sources of income together, any other sum for the said year." This is surely a blunder on the part of some one in preparing this oath. Men are not to pay taxes on what they are entitled to receive as if they had received it. We can imagine that the clause was designed to prevent frauds, but it goes a great deal too far. It requires a return of every bad debt which a man was entitled to receive and did not receive, but which still remains due, and in the cases of many mercantile houses would involve the return of many thousands of dollars. Nor do we see any way of correcting this error unless each person making the return shall put into the schedule a specific statement of the sums he was entitled to receive, but did not receive. In other words, annex a list of his uncollected claims as part of his schedule or detailed statement. Then he can conscientiously take the oath, but not otherwise.

BALTIMORE LOCK HOSPITAL

Baltimore, Md.

ESTABLISHED as a REFUGE FROM QUACKERY.

The Only Place where a Cure can be obtained.

Dr. Johnson has discovered the most Certain, Speedy, and only Effectual Remedy in the World for Weakness of the Back or Limbs, Strictures Affections of the Kidneys and Bladder, Involuntary Discharges, Impotency, General Debility, Nervousness, Dyspepsia, Languor, Low Spirits, Confusion of Ideas, Palpitation of the Heart, Timidity, Trembling, Dimness of Sight or Giddiness, Disease of the Head Throat, Nose, or Bowels—those Terrible Disorders arising from Solitary Habits of Youth—secret and solitary practices more fatal to their victims than the song of Syrens to the Mariners of Ulysses, blighting their most brilliant hopes or anticipations, rendering marriage, &c., impossible.

YOUNG MEN

Especially, who have become the victims of Solitary Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of young men of the most exalted talents and brilliant intellect, who might otherwise have entranced listening Senates with the thunders of eloquence, or waked to ecstacy the living lyre, may call with full confidence.

MARRIAGE.

Married persons, or young men contemplating marriage, being aware of physical weakness, organic debility, deformities, speedily cured.

He who places himself under the care of Dr J. may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a physician

ORGANIC WEAKNESS

Immediately Cured and full vigor restored.

This distressing affection—which renders life miserable and marriage impossible—is the penalty paid by the victims of improper indulgences. Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may ensue. Now, who that understands the subject will pretend to deny that the power of procreation is not lost sooner by those falling into improper habits than by the prudent? Besides being deprived of the pleasure of healthy offspring, the most serious and destructive symptoms of both body and mind arise. The System becomes deranged, the physical and mental functions weakened, Loss of Procreative power, Nervous Irritability, Dyspepsia, Palpitation of the Heart, Indigestion, Constitutional Debility, a Wasting of the Frame, Cough, Consumption, Decay and Death

DR. JOHNSTON,

Member of the Royal College of Surgeons, London, Graduate from one of the most eminent Colleges in the United States, and the greater part of whose life has been spent in the hospitals of London, Paris, Philadelphia, and elsewhere, has effected some of the most astonishing cures that were ever known; many troubled with ringing in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, bashfulness with frequent blushing, attended sometimes with derangement of mind, were cured immediately.

TAKE PARTICULAR NOTICE

Dr. J. addresses all those who have injured themselves by improper indulgence and solitary habits, which ruin both body and mind, unfitting them for either business, study, society, or marriage.

These are some of the sad and melancholy effects produced by early habits of youth, viz.: Weakness of the Back and Limbs, Pains in the Head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangement of the Digestive Functions, General Debility, Symptoms of Consumption, &c.

MENTALLY—The fearful effects on the mind are much to be dreaded. Loss of memory, Confusion of Ideas, Depression of Spirits, Evil Forebodings, Aversion to Society, Self-Distrust, Love of Solitude, Timidity, &c. are some of the evils produced.

Thousands of persons of all ages can now judge what is the cause of their declining health, losing their vigor, becoming weak, pale, nervous and an aversion to society, having a singular appearance about the eyes, cough and symptoms of Consumption.

YOUNG MEN

who have injured themselves by a certain practice indulged to when alone, a habit frequently learned from evil companions, or at school, the effects of which are lightly felt even when asleep, and, if not cured renders marriage impossible and destroys both mind and body, should think immediately.

What a pity that a young man, the hope of our country the prop of his parents, should be snatched from all prospects and enjoyments of life, by the consequence of deviating from the path of nature, and indulging in a certain secret habit. Such persons must, before contemplating

MARRIAGE,

reflect that a sound mind and body are the most necessary requisites to promote connubial happiness. Indeed, without these the journey through life becomes a weary pilgrimage; the prospect hourly darkens to the view, the mind becomes shadowed with despair and filled with the melancholy reflection that the happiness of another becomes blighted with our own.

Office, 7 South Frederick Street,

left-hand side going from Baltimore street, a few doors from the corner. Take notice to observe name and number.

☞ No letters received unless postpaid and containing a stamp to be used in the reply. Persons writing should state age and send portion of advertisement describing symptoms.

The Doctor's Diploma hangs in his office.

Endorsement of the Press.

The many thousands cured at this establishment within the last twenty years, and the numerous important Surgical operations performed, by Dr. Johnston, witnessed by the reporters of The Sun and many other papers, notices of which have appeared again and again before the public, besides his standing as a gentleman of character and responsibility, is a sufficient guaranty to the afflicted.

HELMBOLD'S

FLUID EXTRACT BUCHU,

A positive and Specific Remedy for diseases of the Bladder, Kidneys, Gravel and Dropsical Swellings

This Medicine increases the powers of digestion, and excites the absorbents into healthy action, by which the watery or calcareous depositions, and all unnatural enlargements are reduced, as well as pain and inflammation, and is good for men, women and children.

H

HELMBOLD'S EXTRACT BUCHU,

For weakness arising from Excesses, Habits of Dissipation, Early Indiscretion attended with the following Symptoms:

Indisposition to Exertion,	Loss of Power,
Loss of Memory,	Difficulty of Breathing,
Weak Nerves,	Trembling,
Horror of Disease,	Wakefulness,
Dimness of Vision,	Pain in the Back,
Hot Hands,	Flushing of the Body,
Dryness of the Skin,	Eruption of the Face,
Universal Lassitude,	Pallid Countenance.

These symptoms, if allowed to go on (which this Medicine invariably removes), soon follow—

FATUITY, EPILEPTIC Fits, &c.,

in one of which the patient may expire. Who can say they are not frequently followed by those "direful diseases."

INSANITY AND CONSUMPTION?

Make sure at once of the cause of the trouble, but none will confess. The records of the insane asylums and the melancholy deaths by consumption bear ample witness to the truth of the assertion.

The Constitution, once affected by organic weakness, requires the aid of medicine to strengthen and invigorate the system, which HELMBOLD'S EXTRACT OF BUCHU invariably does. A trial will convince the most sceptical.

E

In many affections peculiar to Females, the EXTRACT BUCHU is unequaled by any other remedy, and for all complaints incident to the sex, or in the

DECLINE OR CHANGE OF LIFE,

☞ SEE SYMPTOMS ABOVE.

☞ No Family should be without it.

L

Take no Balsam, Nostrum, or unpleasant medicine for unpleasant and dangerous diseases.

HELMBOLD'S EXTRACT BUCHU

Cures Secret Diseases

in all their stages, with little or no change of diet, no inconvenience, and no exposure.

M

USE HELMBOLD'S

EXTRACT BUCHU

For all affections and diseases of those organs, whether existing in MALE or FEMALE.

In either sex, regardless of age, and however long standing. Diseases of those organs require but one and a diuretic.

HELMBOLD'S EXTRACT BUCHU

Is the Great Diuretic.

And it is certain to have the desired effect in all diseases for which it is recommended.

B

BLOOD! BLOOD! BLOOD!

Helmbold's

HIGHLY CONCENTRATED COMPOUND

FLUID EXTRACT SARSAPARILLA,

For purifying the Blood, removing all chronic constitutional diseases arising from an impure state of the Blood, and the only reliable and effectual known remedy for the cure of Scrofula, Scald Head, Salt Rheum, Pains and Swellings of the Bones, Ulcerations of the Throat and Legs, Blotches, Pimples on the Face, Tetter, Erysipelas, and all scaly Eruptions of the Skin.

AND BEAUTIFYING THE COMPLEXION.

NOT A FEW

of the worst disorders that afflict mankind arise from the corruption that accumulates in the Blood. Of all the discoveries that have been made to purge it out, none can equal in effect HELMBOLD'S COMPOUND EXTRACT OF SARSAPARILLA. It cleanses and renovates the Blood, instills the vigor of health into the system, and purges out the humors which make disease. It stimulates the healthy functions of the body, and expels the disorders that grow and rankle in the blood. Such a remedy that could be relied on has long been sought for, but now, for the first time the public have one on which they can depend. Our space here does not admit of certificates to show its effects, but the trial of a single bottle will show to the sick that it has its virtues surpassing anything they have ever taken.

Two tablespoonsful of the Extract of Sarsaparilla added to a pint of water is equal to the Lisbon Diet Drink, and one bottle is fully equal to a gallon of the Syrup of Sarsaparilla, or the decoction as usually made.

O

HELMBOLD'S ROSE WASH,

An excellent Lotion for diseases arising from habits of dissipation, used in connection with the Extracts Buchu and Sarsaparilla, in such diseases as recommended. Evidence of the most responsible and reliable character will accompany the medicines. Also explicit directions for use, with *hundreds of thousands* living witnesses, and upwards of 50,000 unsolicited certificates and recommendatory letters, many of which are from the highest sources, including eminent Physicians, Clergymen, Statesmen, &c. The Proprietor has never resorted to their publication in the newspapers; he does not do this from the fact that his articles rank as Standard Preparations, and do not need to be propped up by certificates.

The Science of Medicine, like the Doric Column, should stand simple, pure, majestic, having Fact for its basis, Induction for its pillar, and Truth alone for its Capital.

L

My Extract Sarsaparilla is a Blood Purifier; my Extract Buchu is a Diuretic, and will act as such in all cases.

Both are prepared on purely scientific principles—in vacuo—and are the most active measures of either that can be made. A ready and conclusive test will be a comparison of their properties with those set forth in the following brief:
