The Oil Fver. - This contagious mania everywhere so prevalent, has broke out in Columbia County. No doubt now seems to exist, in regard to the fact, that there is oil in Columbia county. Favorable indientions have developed of its existence, in the Northern part of our county, viz -in Pine, Jackson, Greenwood, Benton and Sugarloaf townships and it is believed that several Engines will be put in operation for boaring this season.

Sale of Real Estate -Hon. PETER ENT, offers in our columns a valuable real cstate in Jackson township, as the property of Thomas W. Yonng, deceased, of which he is the Administrator. The tract comprises a large lot of well-selected land and is susceptible of making a very haudsome Farm. The location,-being in Jackson,makes it at this time especially desirable, as it is in the "OIL REGION OF COLUMBIA." and will doubtless command the attention of capitolists and speculators.

CLEVELAND PLAIN DEALER .- The Cleveland Plain Dealer comes to us this week, edited and published by the Hon. W. W. Armstrong, late Secretary of State of Ohio, a gentleman well known and highly esteemed by the democracy of that State. Mr. Armstrong is a ready writer, the Plain Dealer, under his control, will be a tower of strength to the Democracy.
