COLUMBIA DEMOCRAT.

Saturday Morning, June 3, 1865.

☞ Judge ELWELL held the usual Courts last week in Sullivan.

☞ The Wyoming Canal, has been thoroughly repaired and will soon be in operation.

☞ Mr. ELLIS L. FREAS, has opened a New Saddler and Harness Shop in Light Street. See his Card. He is a worthy young mechanic and deserves liberal patronage.

ROBT. M SHANNON, a graduate of the *Columbia Democrat* office, and now on detached service in a Printing Office, at Washington city, paid his friends a visit at this place the first part of this week. He was enjoying good health and looking well.—*Star.*

The Old Guard.—The June number of this "living light of truth" is on our table. C. CHAUNCEY BURR, its able Editor, inspires its pages, with "thoughts that breathe and words that burn." Nothing but Democracy.

☞ We commence to-day in this Democrat, the publication of a series of articles, one of which will appear each week for some time, under the signature of "JEFFERSON." They are the production of a vigorous pen and a master mind. We think they will be read.

☞ We were the honored recipients, on Thursday night last, of another very agreeable SERENADE, the Bloomsburg Band of Vocal Musicians, which was indeed as charming and enervating, as is "Music by moon-light," enlivening the "sacred stillness of evening's sweet repose."

☞ A verdant youth from Centre, on Saturday last, dropped a batch of MSS. in our office, as he said for publication, and disappeared. The subject-matter is inadmissible to our columns. And even if it were fit for publication, he should have long since known, that without the *author's name*, we throw all such stuff under the table.

Valuable Real Estate.—We direct attention to the advertisement—elsewhere in our columns—of the Valuable Real Estate of John Brugler, to be sold at public sale, on Saturday, the 10th of June, in Hemlock township, by Peter & J. K. Brugler, Esq'rs. Administrators of said Estate. This property is valuable and most desirable for farming purposes. It is worthy the attention of capitalists.

☞ Sergeant GEO. L. KRAMER, son of Wm. B. Kramer, of Fishingcreek township, Columbia county, who was a member of Co. D 210th Regt. P. V., returned from the Army of the Potomac, on Thursday of last week, and paid us a visit on Tuesday last. Mr Kramer was wounded on the 31st of March, in the Battle of the South-Side Railroad, being shot by a Minnie B B, through the cheek, shattering the left jaw-bone, and passing out near the left ear. His wound is indeed serious but we are happy to learn is recovering.

Mr. Kramer unfortunately lost his Wallet containing all his money, amounting to $102 30, with his two Discharges from the service, a Ladies' Braid Collar, and Confederate $10 00 Note. He had it when he took his seat in the Cars of the L. & B. R. R, at Northumberland and missed it on arriving at Bloomsburg. The unfortunate young Soldier offers a liberal reward for its return at this office, or to himself at Rohrsburg, and certainly a loyal citizen will rob a wounded Union Soldier.

☞ Marks of improvement are visible upon nearly every street in this place.—Our citizens seem to have commenced in good earnest this spring.

Miss AMELIA D. WEBB is building a fine addition to her brick house on Main Street, below Market, where she designs locating, in a short time, her Fancy Store.

JESSE SHANNON has carpenters busily engaged finishing up the new brick, situated a few doors below Market Square, and which will be completed in a few days.—It will be opened by L. RUNYON & Co., as a Grocery and Provision Store. Success to them. *They can't help but do well.*

MAJ. WM. B KOONS is making various and important improvements in and about his hotel. Major is determined to have things looking neat and in good order around his premises. He is a capital landlord.

COL. LEVI L. TATE the accomplished and able editor of the *Columbia Democrat*, has rebuilt, on his lot, in place of the one destroyed by fire, a handsome and commodious frame Barn.

REV. D. J. WALLER is putting the finishing stroke to his large and magnificent mansion situated near the Lackawanna & Bloomsburg R. R. Depot. He will have, when completed, the finest residence in this county.

DR. J. R. EVANS is repainting his dwelling house on Main Street, which adds greatly to its appearance.

JESSE SHANNON, supervisor, is busily at work cleaning up and repairing the streets and walks. This is a step in the right direction, and in season, as the streets and alleys were becoming terribly filthy.

In East Bloomsburg several new houses have lately been erected by different parties, whose names we have not learned.

Star.

☞ Thursday last, the first day of June—being the beginning of Summer—was scorching hot. Deep dust and very dry weather. Oh, for a good Rain.

Petroleum.

We have just completed in this week's issue, a full and complete *History and Theory* of Petroleum. The articles are now the most interesting reading we could give to our subscribers; in view of the excitement in the county on the subject. Every person owning land in the region of the alleged discoveries, should know something of the origin and peculiarities of the oil; so as to be able to know his chances of obtaining it, and the consequent value of his land.

SERGT. HIRAM W. BROWN, of Company A, 7th Regiment, P. V., is home on furlough, with spirits considerably depressed, on account of having lost another of his sons, whose death we chronicled in our last week's issue. He has lost his two oldest boys—both young men—in this war. They were industrious, intelligent and respectable young men, and much admired by all who knew them. Their names were, respectively, MILES and JAMES BROWN. Their father enlisted for one year sometime last Spring, and is a member of Capt. SAMUEL J. PEALER's Company, of this county. The company is, at present, doing duty somewhere in Virginia.—*Star.*

JUDGE RUPERT has kindly furnished us the following minutes and statement concerning the late meeting of the Agricultural Society and its financial condition:

SPECIAL NOTICES.

A SINGLE BOX OF BRANDRETH'S PILLS contains more vegetable extractive matter than twenty boxes of any pills in the world besides, fifty five hundred physicians use them in their practice to the exclusion of other purgatives. The first letter of their value is yet scarcely appreciated. When they are better known sudden death and continued sickness will be of the past. Let those who know them speak right out in their favor. It is a duty which will save life.

Our race are subject to a redundancy of vitiated bile at this season, and it is as dangerous as it is prevalent; but Brandreth's Pills afford an invaluable and efficient protection. By their occasional use we prevent the collection of those impurities, which, when in sufficient quantities, cause so much danger to the body's health. They soon cure liver complaint, dyspepsia, loss of appetite, pain in the head, heart burn, pain in the breast bone, sudden faintness and costiveness. Sold by all respectable Dealers in Medicines.

INSANITY AND CONSUMPTION?

Many are aware of the cause of the trouble, but none will confess. The records of the Insane Asylums and the melancholy deaths by consumption bear ample witness to the truth of the assertion.

The Constitution, once affected by organic weakness, requires the aid of medicine to strengthen and invigorate the system, which HELMBOLD'S EXTRACT OF BUCHU invariably does. A trial will convince the most sceptical.

NOT A FEW

of the worst disorders that afflict mankind arise from the corruption that accumulates in the Blood. Of all the discoveries that have been made to purge it out, none can equal in effect HELMBOLD'S COMPOUND EXTRACT OF SARSAPARILLA. It cleanses and renovates the Blood, instills the vigor of health into the system, and purges out the humors which make disease. It stimulates the healthy functions of the body, and expels the disorders that grow and rankle in the blood. Such a remedy that could be relied on has long been sought for, and now, for the first time the public have one on which they can depend. Our space here does not admit of certificates to show its effects, but the trial of a single bottle will show to the sick that it has its virtues surpassing anything they have ever taken.

Two tablespoonsful of the Extract of Sarsaparilla added to a pint of water is equal to the Lisbon Diet Drink, and one bottle is fully equal to a gallon of the Syrup of Sarsaparilla, or the decoction as usually made.

O

HELMBOLD'S ROSE WASH,

An excellent Lotion for diseases arising from habits of dissipation, used in connection with the Extracts Buchu and Sarsaparilla, in such diseases as recommended. Evidence of the most responsible and reliable character will accompany the medicines. Also explicit directions for use, *with hundreds of thousands* living witnesses, and upwards of 50,000 unsolicited certificates and recommendatory letters, many of which are from the highest sources, including eminent Physicians, Clergymen, Statesmen, &c. The Proprietor has never resorted to their publication in the newspapers; he does not do this from the fact that his articles rank as Standard Preparations, and do not need to be propped up by certificates.

The Science of Medicine, like the Doric Column, should stand simple, pure, majestic, having Fact for its basis, Induction for its pillar, and Truth alone for its Capital.

L

My Extract Sarsaparilla is a Blood Purifier; my Extract Buchu is a Diuretic, and will act as such in all cases.

Both are prepared on purely scientific principles—in vacuo—and are the most active measures of either that can be made. A ready and conclusive test will be a comparison of their properties with those set forth in the following works:

See Dispensatory of the United States.
See Professor Dewees' valuable works on the Practice of Physic.
See remarks made by the celebrated Dr. PHYSIC, Phila.
See remarks made by Dr. ERASMUS MCDOWELL, a celebrated Physician and Member of the Royal College of Surgeons, Ireland, and published in the Transactions of the King and Queen's Journal.
