COLUMBIA DEMOCRAT.

Saturday Morning, June 17, 1865.

☞ S. B. informs us that he sent us $2 50 in May from Kersey, Elk county, Pa. It never came to hand. Who got the money?

☞ The "*Western Chronicle*," published by Messrs C. M. VANDERSLICE & Bro., at Three Rivers, Michigan, has suspended publication.

☞ Judge Catron one of the Associate Judges of the Supreme Court of the United States, died at Nashville on Wednesday last.

☞ Chief Justice Bullitt of Kentucky has just been tried by the Legislature of that State, and directed the Governor to remove him from office.

Arrest of John Mitchel.—JOHN MITCHEL, one of the official corps of the "Daily News," was, on Wednesday last, arrested in New York and sent to Fortress Monroe.

BROWN AND BOOTH.—Both names commence with B. Both are monosylables. Both men were traitors and murderers.—Both met a cruel fate, and both deserved it.

A portion of the bluff upon which Fort Halleck and several buildings were situate tumbled into the Mississippi River on Friday last. It is probable a number of lives were lost by the catastrophe.

☞ The Muncy Foundry, owned by W. A. Petrikin, destroyed by fire Sunday week ago. The loss was $5000, $1000 of which was covered by insurance. On account of the many fires in Danville the fire companies have organized themselves more completely.

NOTICE.—Publishers of newspapers will please send one copy of their paper, with rates of advertising, to the Advertising Agency of H. Seymour Schell & co., No. 62 Fulton Street, New York.

☞ About two o'clock Saturday morning Taylor's Depot in Nashville a large building containing large quantities of quartermaster's and commissary stores was discovered to be in flames. Before the conflagration could be stayed, half of the depot was consumed, causing a loss to the government of nearly ten millions of dollars, besides (as is supposed) the death of three government employees.

THE LADIE'S FRIEND.—The July number of this Magazine opens with an engraving appropriate to the season, called "ON THE CLIFF." It is a beautiful picture of two lovers enjoying the repose and freshness of the sea shore—and makes one long for the dash of the breakers against the rocks, and the smell of the salt waves. The double Fashion Plate for this month is quite brilliant.

☞ We have received a communication from an *anonymous* source at Catawissa, designed to be rather funny in the *denouement* of a love affair, but as the parties writing it, has seen fit to withhold their names, the production cannot be published in our columns. Printers require, we repeat, in all such cases the proper name of the author, and where that is not given—for our own safety—the article is rejected. When will writers learn this old established office—rule and save themselves expense and trouble

Trout Fishing.—In company with E. H. Little, Esq., & Lady, ourself and better half, including sundry young responsibilities, set sail on Tuesday morning last for the head waters of Fishingcreek, on a Trout Fishing excursion. We travelled pleasantly, enjoying the ride and scenery *muchly*, and the excellent entertainment at Mr. Stile's Hotel, Alines Cole, and Mrs. Peter Hess' hugely. The speckled beauties were not very plenty, although we caught quite a number of the finny tribe, and had them in large feasts in Mrs Coles' best style.

We also visited the Oily Springs, in that section and seen the sights.

We returned on Thursday evening, after spending three days to the satisfaction of the party, and nothing occured to mar the pleasures of our journey, with the exception that a Lady took us to be Dr. *John*, which we promptly informed her it was a grand mistake.

PROGRAMME OF PRESIDENT JOHNSON.—The President, says the New York *Express*, has laid down certain rules for his government, among which are to be understood the following:

1st. (And most important,) the restoration of civil law and its operation everywhere, through the provisions of the Constitution.

2d. The restoration of all (as a rule) to civil privileges who fairly repent of taking up arms against the government, and evince a determination to be loyal men to the Union and Constitution.

3d. All sectional principles and government to be disowned and discountenanced.

4th. A strict construction of the Constitution.

5th. A strictly economical administration of the Government as soon as the present burdens upon the treasury can be removed.

6th. The reduction of the public debt or of the present heavy system of taxation (one or both) as speedily as prudent.

The President is in constant communication with the heads of Departments in the hope of carrying out these reforms, but the most difficult task of all is in stopping the leaks in the treasury.

See what the most popular and widely circulated periodicals say of our Establishment:

From the "Dispatch" of February 25, '65

We take pleasure in calling the attention of our readers to the announcement of Messrs. Devaugh & Co's Great Sale of Jewelry, Silver Ware, and Fancy Goods, in our advertising columns. We are personally acquainted with the members of this firm and know them to be gentlemen of sterling worth and integrety. Their stock of goods, for variety and extent, we have scarcely seen paralleled.

From the "Mirror of Fashion," March 1st, 1865.

Messrs. Devaugh & Co's Great Sale of Jewelry, etc., opened on the 15th ult., and we venture to say that no finer display of goods was ever exhibited by any establishment in this city. The ladies thronged their bazaar almost to suffocation, although the streets were rendered nearly impassable by the melted snow and slush. We predict for them a wonderful success

From the "Ledger," February 28, 1865.

Our lady friends should visit the extensive establishment of Messrs Devaugh & Co., No. 15 Maiden Lane, if they wish to indulge themselves with a sight which they will long remember. Such a profusion of elegant Watches Chains, Rings, Earrings and, in short of Jewelry of every name, kind and description, we never before witnessed. Their silver and plated ware is superb and almost casts into the shade the other splendid establishments which have long been the boast of our city. It is estimated that their stock is worth not less than one million of dollars.

From the "Tribune" of April 21, 1865;

An acquaintance of over 12 years with Messrs. Girard W. Devaugh & Co., warrants us in speaking in the highest terms of them. They are among our oldest Maiden Lane Jewelers and have long enjoyed a wide and enviable reputation.

From the "Staats Zeitung," April 24, '65

Many of the hands in our office have speculated in the Enterprise of Messrs. Devaugh & Co., and though none of them have yet realized a fortune, all express themselves well pleased with their venture. Two of them by working after hours have made over $200 each within six weeks.

SPECIAL NOTICES.

A SINGLE BOX OF BRANDRETH'S PILLS contains more vegetable extractive matter than twenty boxes of any pills in the world besides, fifty five hundred physicians use them in their practice to the exclusion of other purgatives. The first letter of their value is yet scarcely appreciated. When they are better known sudden death and continued sickness will be of the past. Let those who know them speak right out in their favor. It is a duty which will save life.

Our race are subject to a redundancy of vitiated bile at this season, and it is as dangerous as it is prevalent; but Brandreth's Pills afford an invaluable and efficient protection. By their occasional use we prevent the collection of those impurities, which, when in sufficient quantities, cause so much danger to the body's health. They soon cure liver complaint, dyspepsia, loss of appetite, pain in the head, heart burn, pain in the breast bone, sudden faintness and costiveness. Sold by all respectable Dealers in Medicines.

U. S. 7-30 LOAN.

THIRD SERIES,
$230,000,000.

By authority of the Secretary of the Treasury, the undersigned, the General Subscription Agent for the sale of United States Securities, offers to the public the third series of Treasury Notes, bearing six on and three-tenths per cent. interest per annum, known as the

7-30 LOAN.

These notes are issued under date of July 15, 1865, and are payable three years from that date in currency, or are convertible at the opperation of the holder into

U. S. 5-20 Six per cent.
GOLD-BEARING BONDS

These Bonds are now worth a handsome premium, and are exempt, as are all overnment Bonds, FROM STATE, COUNTY, AND MUNICIPAL TAXATION, WHICH ADDS FROM ONE TO THREE PER CENT PER ANNUM TO THEIR VALUE, according to the rate levied upon other property.—The interest is payable semi-annually by coupons attached to each note, which may be cut off and sold to any bank or banker.

The interest at 7.30 per cent. amounts to

One cent per day on a $50 note.			
Two cents	"	"	$100 "
Ten	"	"	$500 "
20	"	"	$1000 "
$1	"	"	$5000 "

Notes of all the denominations named will be promptly furnished upon receipt of subscriptions.

The Notes of this Third Series are precisely similar in form and privileges to the Seven-Thirties already sold, except that the Government reserves to itself the option of paying interest in gold coin at 6 per cent., instead of 7 3-10ths in currency. Subscribers will deduct the interest in currency up to July 15th, at the time when they subscribe.

The delivery of the notes of this third series of the Seven-thirties will commence on the 1st of June, and will be made promptly and continuously after that date.

The slight change made in the conditions of this THIRD SERIES affects only the matter of interest.—The payment in gold, if made, will be equivalent to the currency interest of the higher rate.

The return to specie payments, in the event of which only will the option to pay interest in Gold be availed of, would so reduce and equalize prices that purchases made with six per cent. in gold would be fully equal to those made with seven and three-tenths per cent in currency. This is

THE ONLY LOAN IN MARKET

Now offered by the Government, and its superior advantages make it be

GREAT POPULAR LOAN OF THE PEOPLE.

Less than $230,000,000 of the Loan authorized by the last Congress are now on the market. This amount, at the rate at which it is being absorbed, will all be subscribed for within sixty days, when the notes will undoubtedly command a premium, as has uniformly been the case on closing the subscriptions to other loans.

In order that citizens of every town and section of the country may be afforded facilities for taking the loan, the National Banks, State Banks, and Private Bankers throughout the country have generally agreed to receive subscriptions at par. Subscribers will select their own agents, in whom they have confidence, and who only are to be responsible for the delivery of the notes for which they receive orders.

JAY COOKE,
SUBSCRIPTION AGENT, *Philadelphia.*

☞ Subscriptions will be received by the First National Bank of Bloomsburg.

BALTIMORE LOCK HOSPITAL
Baltimore, Md.

ESTABLISHED as a REFUGE FROM QUACKERY.

The Only Place where a Cure can be obtained.

Dr. Johnson has discovered the most Certain, Speedy, and only Effectual Remedy in the World for Weakness of the Back or Limbs, Strictures, Affections of the Kidneys and Bladder, Involuntary Discharges, Impotency, General Debility, Nervousness, Dyspepsia, Languor, Low Spirits, Confusion of Ideas, Palpitation of the Heart, Timidity, Trembling, Dimness of Sight or Giddiness, Disease of the Head, Throat, Nose, or Bowels—those Terrible Disorders arising from Solitary Habits of Youth—secret and solitary practices more fatal to their victims than the song of Syrens to the Mariners of Ulysses, blighting their most brilliant hopes or anticipations, rendering marriage, &c., impossible.

He who places himself under the care of Dr J. may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a physician.

Besides being deprived of the pleasure of healthy offspring, the most serious and destructive
