EVE ISLE, OR THE LAST VOYAGE OF THE CALYPSO.—This is the title of a new romance, just commenced in The Saturday Evening Post of Philadelphia. It is very exciting, and full of interest. Eve IsEs bersell is a singular creature, overflowing with spirit and romance, and with a touch of the mysterious about her. We think any one who begins "Eve Isle" will find it differil to refer in from neuroing to the it difficult to refrain from perusing to the end the varied fortunes of this singular girl, and of the varied characters with whom fate has connected her.
