POTESTOWN, Jan. 3, 1805.

This certifies that I have used the Phoenix Pectoral in my family, and I recommend it to the public as the very best remedy for Cough and Colds that I have ever tried. One of my children was taken with a ceff, accompanied with a Conqy Courgh, so bad indeed, that it could not talk and breather. It wing heard so much said about the I hoenix Pectoral. I procured a bottle of it. The first dose relieves the difficulty of breathing, and before the child had taken one-fourth of the bottle it was entirely well. Every family should have it in their house.

J. C. Smith, druggist, of New Hope, flucks county, Pa. in writing to Dr. Oberbolizer, says: "A few days since I bought two decan of your visuable cough remedy to try, and find it very good and as it is nearly alt gone I would like you to send me a gross of it. Davaugh & Co's Great Sale of Jew-iry, Silver Ware, and Fancy Goods, in our advertising columns. We are personally a quainted with the members of this first and know them to be gentlemen of sterling worth and integrety. Their stack of goods, for variety and extent, we have scarcely seen paralleled.

Mea-rs, Devangh & Co's Great Sale of Jewelry, etc.,
opened on the 15th ult, and we venture to say that no
finer dispiny of goods was ever exhibited by any estabishment in this city. The ladies througed their bazanr almost to sofferation, although the streets were
rendered nearly impassable by the method snew and
siuch. We predict for them a wonderfut success.

From the "Ledger," February 28, 1865.

Our lady friends should visit the extensive establishment of Messrs Devaugk & Co, No. 15 Maiden Lam,
if they wish to include themselves with a sight which
they will long remember. Such a profusion of elegant
Watches Chains, Riegs, Earrings and, in short of
jewelry of avery name, kind and description, we nevet before witnessed. Their silver and plated ware is
superic and sincest casts into the shade the other spiten
and establishments which have long been the boast of
our city. It is estimated that their stock is worth not
less than one million of dollars,

From the "Tribune' of April 21, 1865. An acquaintance of over 19 years with Messrs. Gis-rard W. Devaugh & Co., warrants us in speaking in the highest terms of them. They are among our oldest Maiden Latte Lewelers and have long enjoyed a wide and envanie repeatation.
From the "Staats Zeitung," April 24, '65. Many of the hands in our office have speculated in the Entarprise of Messrs. Bevaugh & Co., and though none of them have yet realized 'a fortune,' all express toomselves, well pleased with their venture. Two of them by working after hours have made over \$200 each within six weeks
