COLUMBIA DEMOCRAT.

Saturday Morning, Aug. 12, 1865.

☞ Senator BUCKALEW, has our thanks for a basket of prime Fejee Tomatoes.

☞ Mr. C. N. SAVAGE, of the "Danville Hotel," is an excellent Landlord and keeps a first class Hotel.

☞ A half dozen fine pigs, over five weeks old, will be sold cheap on application at this office.

☞ ANDREW FREAS, Esq., of Centre township, has our hearty thanks for the present of a fine lot of Apples.

☞ Hon. W. H. JACOBY our late Democratic Member of the Legislature, has our thanks for sundry valuable public documents.

☞ There are one hundred and eighteen officers all above the rank of major, still detained at Johnson's Island. They will be discharged in a short time.

☞ LEVI F. IRWIN, Esq., of Clearfield county, and formerly Editor of the Berwick Gazette, is the Democratic nominee for Auditor of Clearfield, and will be elected.

☞ Our friends and customers, will please bear in mind, that we MUST HAVE MONEY, and hope they will improve the opportunity to make prompt and punctual payments of the coming September Court.

☞ Somebody has lain us under obligations for several copies of the List of Pennsylvania Soldiers (Prisoners of war,) buried at Andersonville, Georgia, from February 26, 1864, to March 24, 1865.

☞ MILTON M. TRAUGH, Esq, of Berwick, is announced as a candidate for District Attorney. Mr. T., is a young Attorney of fair legal acquirements, good moral character and sound Democrat. He will be nominated without opposition and triumphantly elected.

☞ Hon. EDGAR COWAN, one of the Senators in Congress, will deliver the annual address before the Pennsylvania Agricultural Society, at Williamsport, on Friday, the 29th of September. The Editor of the Columbia Democrat, is on the Committee on Stoves and Tin-ware. Both judicious selections.

☞ JOHN BEST, Esq, of Rush township, Northumberland county, has an excellent Nursery of all kinds of Fruit, Shade and ornamental Trees. He sells choice Trees at very moderate prices. Persons wanting Fruit Trees, may address, John Best, Esq, Danville, Pa.

The Sunday Mercury.—WM. MEESER & Co., have renewed and much improved the Sunday (Philadelphia) Mercury. It is an independent democratic paper, conducted with signal ability, and one of the best papers in the State. Democrats should liberally patronize the Mercury.

The Soldiers Casket.—This is the title of a beautifully printed and well conducted Magazine, published in Philadelphia, at $2 00 per annum, by C. W. ALEXANDER, Esq. The Casket is intended to be the special exponent of the Soldier's fame and interests. Specimen copies to be seen at this office.

☞ REBELLION IN TOPHET.—The *Fee John*, alias *Mr. Dunn*, has raised the black standard of rebellion in the Abolition Camp of Bloomsburg. He is just now actively engaged in slandering and abusing the men whose money lifted him from obscurity to public position, by calling one the "Old Pharisee," and another, the "Old Samaritain." How true—"place a beggar on horse back and is sure to ride to the Devil."

☞ WHO IS A TRAITOR?—The worst traitor to popular sovereignty is he who raises his hand to obstruct legal processes, or to invade private rights, while the shield of the law is over them. Nor is he less a traitor to legal progress, who connecels servile acquiescence in an unjust law, merely because it has the form of law; for the encroachments of a law upon the rights of a passive people may be more dangerous to liberty than the invasion of an army.

☞ GOOD FRUIT AND VEGETABLES.—Mr. F. WILLIAMS, formerly of Northumberland county, has a splendid assortment of Fruit, Vegetables and Garden products, in his Nurseries at Scott town, in Western Bloomsburg. This is a great accomodation to our citizens, who can now be supplied with all kinds of Garden Products, at less than city prices, by calling on Mr. Williams. We think our people will not fail to duly appreciate and liberally patronize this desirable enterprize.

☞ Mr. Postmaster Beckley charges two cents on Drop-Letters, notwithstanding the late Act of Congress, so amended the Post-Office Law, as to make the postage but ONE instead of *two* cents the amount for every such letter, from and after the first of July, 1865. We so told the Rev. Rowdy official last evening when he mulishly remarked, that he had received no such instructions from the Department. Will not the 'Department' speedily send such "instructions" to its imbecile agents, as will teach them their plain duty and prevent the exaction of future extortions from the public

Brandreth's Pills a General Assistant of Nature. What is health? What is disease?

Health is when the supply and expenditure are equal. Disease when the supply and expenditure are unequal.

HANDRETH'S PILLS impart certain expulsive powers to all matters in the body whose life is below the standard of the surrounding party, or which have remained longer than the time nature designed. So infevers and all that class of cases which soon run into mortification Brandreth's Pills have marvelous curative qualities. Our bodies are continually changing, and it is by this change we live. Should matter remain in organs beyond the time nature designed, pain and inflammation set in, which is nothing more than a preparatory effort for our good. All Brandreth's Pills are supposed from the results to do is simply a

THE PHOENIX PECTORAL
Will Cure Your Cough.

THE PHOENIX PECTORAL;
OR,
COMPOUND SYRUP OF WILD CHERRY & SENEKA SNAKE ROOT.
Will Cure the Diseases of the
THROAT AND LUNGS,
Such as Colds, Coughs, Croup, Asthma, Bronchitis, Catarrh, Sore Throat, Hoarseness, Whooping Cough, &c.
Its timely use will prevent
PULMONARY CONSUMPTION,

And even where this fearful disease is fully developed it will afford more relief than any other medicine.

J. Lawrence Getz, ex-Speaker of the Pennsylvania House of Representatives, says: "This cough remedy is now extensively used and is of the highest value to the community, its curative qualities having been tested by thousands to the most gratifying results. It is carefully and skillfully prepared from Wild Cherry Bark and Seneka Snake Root by Dr. Levi Oberholtzer, a reputable physician of Phoenixville, Pa., and is sold by nearly all druggists and country storekeepers."

H. P. Crosby, ex-Postmaster and ex-Burgess of Pottstown, certifies as follows:

POTTSTOWN, 1865 Jan. 3.

This certifies that I have used the Phoenix Pectoral in my family; and I recommend it to the public as the very best remedy for Coughs and Colds that I have ever tried. One of my children was taken with a cold, accompanied with a Croupy Cough, so bad, indeed, that it could not talk and breathe. Having heard so much said about the Phoenix Pectoral, I procured a bottle of it. The first dose relieves the difficulty of breathing, and before the child had taken one-fourth of the bottle it was entirely well. Every family sho'd have it in their house. D. P. CROSBY.

J. C. Smith, druggist, of New Hope, Bucks county, Pa., in writing to Dr. Oberholtzer, says: "A few days since I bought two dozen of your valuable cough remedy to try, and find it very good and as it is nearly all sale I would like you to send me a gross of it.

"Your medicine gives better satisfaction than any other I have in the store. I am agent for some of the most popular cough preparations, but yours seems to be doing the most good.

The following is an extract from a letter from Hiram Ehlis, merchant, near Pottstown, Pa.: "I have tried the Phoenix Pectoral, and find it to be the best cough medicine extant. It meets with a more ready sale than any other that I have ever had in my store."

The proprietor of this medicine has so much confidence in its curative powers, and the testimony of thousands who have used it, that the money will be Paid Back to any purchaser who is not satisfied with its effects.

It is so pleasant to take that children cry for it.—Price THIRTY-FIVE CENTS; Large Bottles ONE DOLLAR.

It is intended for only one class of diseases, namely, those of the Throat and Lungs.

A FEW REASONS WHY THE
AMERICAN WATCH
IS THE BEST.

IT is made on the best principle, while the foreign Watch is generally made on no principle at all. The foreign watch is mostly made by women and boys. By Hand. While their labor is cheap, their work is dear at any price. Such watches are made without plan, and sold without guarantee. They are irregular in construction, and quite as irregular in movement—They are designed only to sell, and the buyer is the party most thoroughly sold. Those who have kept "aneres," "lepines" and "Swiss levers" in professed repair for a few years will appreciate the truth of our statement.

THE PLAN OF THE AMERICAN WATCH.

Instead of being made of several hundred little pieces, screwed together, the body of the American Watch is formed of SOLID PLATES. No jar interferes with the harmony of its working parts, and no sudden shock can throw its machinery out of gear. In riding or any business pursuit, it is all held together as firmly as a single piece of metal. It is just what all machinery should be—

1st. ACCURATE. 2d. SIMPLE. 3d. STRONG. 4th. ECONOMICAL.

We not only secure Cheapness by our system, but Quality. We not pretend that our Watch can be bought for less money than the foreign Make believes, but that for its real value it is sold for one-half the price.

Our Soldier's Watch (named Wm. Ellery) is what its name indicates—Solid, Substantial, and always Reliable—warranted to stand any amount of Marching Riding or Fighting.

Our Next Higher Quality of Watch (named P. S. Bartlett) is similar in size and general appearance, but has more jewels, and a more elaborate finish.

OUR LADIES' WATCH, recently brought out is put up in a great variety of patterns, many of them of rare beauty and workmanship, is quite small, but warranted to keep time.

The proof of the merits of our Watch may be found in the fact that we now employ over seven hundred workmen in our factories, and that we are still unable to supply the constantly increasing demand.

Our Three quarter Plate Watch is thinner and lighter than the others we have described. Its fine chronometry balance is delicately adjusted to correct the variation caused by changes of temperature. These Watches are the fruits of the latest experiments in chronometry and are made by our best workmen, in a separate department of our factory. For the finest Home-keeping qualities they challenge comparison with the best works of the most famous English and Swiss makers. ROBBINS & APPLETON,
