> BLOOD! BLOOD! BLOOD! Helmbold's

FLUID EXTRACT SARSAPARILLA, For purifying the Blood, removing all chronic constitu-tional diseases arising from an impure state of the Blood, and the only reliable and effectual known remedy for the cure of Scrofnia, Scald Head, Sait Rheum, Pains and Swellings of the Bones, Ulcerations of the Throat and Legs, Blotches, Pimples on the Face, Tetter, Erystpelas, and all scaly Eruptions of the Skin,

AND BRAUTIFYING THE COMPLEXION

NOT A FEW of the worst disorders that afflict mankind arise from the corruption that accumulates in the Blood. Of all the dis-coveries that have been made to purge it out, none can equal in effect Helmbold's Compound Extract of San SAPARILLA. It cleanses and renovates the Blood, instills the rigor of health into the system, and purges out the humors which make disease. It stimulates the healthy functions of the body, and expels the disorders that grow and rankle in the blood. Such a remedy that could be relied on has long been sought for, and now, for the first time the public have one on which they can depend. Our space here does not admit of certificates to show its effects, but the trial of a single bottle will show to the sick that it has its virtues surpassing anything they have ever taken.

Two tablespoonsful of the Extract of Sarsaparilla added
to a pint of water is equal to the Liabon Diet Drink, and one bottle is fully equal to a gallon of the Syrup of Sarsa-parilla, or the decoction as usually made.

HELMBOLD'S ROSE WASH,

An excellent Lotton for diseases arising from habits of diseipation, used in connection with the Extracts Buchu and Sarsaparilla, in such diseases as recommended. Evidence of the most responsible and reliable character will accompany the medicines. Also explicit directions for use, with hundreds of thousands living witnesses, and upwards of 30,000 unsolicited certificates and recommendative letters many of which are four to be between tory letters, many of which are from the highest sources, including eminent Physicians, Clergymen, Statesmen, &c. The Froprietor has never resorted to their publication in the newspapers; he does not do this from the fact that his articles rank as Standard Preparations, and do not need

to be propped up by certificates.

The Science of Medicine, like the Doric Column, should stand simple, pure, majestic, having Fact for its basis. Induction for its pillar, and Truth alone for its Capital.

My Extract Sarsaparilla is a Blood Purifier ; my Extrac Sachu is a Diuretic, and will act as such in all cases. Both are prepared on purely scientific principles sucus and are the most active measures of either that can be made. A ready and conclusive test will be a com-parison of their properties with those set forth in the fol-lowing works:

From the "Dispatch" of February 25, 65 We take pleasure in calling the attention of our readers to the announcement of Messrs. Devaugh & Co's Great Sale of Sewelry, Silver Ware, and Faney Goods, in our advertisang columns. We are personally acquainted with the members of this firm and know them to be gentlemen of sterling worth and integrety. Devaugh & Co's Great Sale of Jewelry, etc., opened on the 15th uit, and we venture to say that no finer display of goods was everexhibited by any establishment in this city. The ladies througed their bazaar almost to suffocation, although the streets were rendered nearly impassable by the melted snow and slush. We predict for their a wonderful success. From the "Ledger," February 28, 1865.

Our lady friends should visit the extensive establishment of Messrs. Devaugh & Co., No. 15 Maiden Lane, if they wish to indulge themselves with a sight which they will long remember. Such a profusion of elegant Watches Chains, Rings, Earrings and, in short, of Jewelry of every name, kind and description, we never before witnessed. Their silver and plated ware is superb and almost casts into the shade the other splendid establishments which have long been the boast of our city. It is estimated that their stock is worth not less than one million of dolars,
