UP DE GRAFF'S EYE AND EAR INFINEARY. (On the Square, Three Doors from Steele's Hotel

THIS INSTUTION is now opened and farmished in the most coulty style. Reception, well adapted. The surge of partners the duest collection of met surger on tentions the duest collection of met surgers in this country, and surger coult is auditored with a surger of the s consegonties in practice. He will operate upon all the various forms of the Indian Cotarnet, Oceanon of the Papil. Cross Eyes, Closare of the Teat Darin in version of the Eyelins. Prerygium. &c. &c. And will treat all forms of Source Eye Granuled Lines. Operation of the Cornen, and Secondous diseases of the Eye together with all the diseases to which the Eye is sub-

DEAFNESS - Will treat all the diseases common to the organ. Discharges from the Lar. Noises in the Car Catarrit, difficulty of hearing, total to Thomas even where the Drum is destrayed. Will insert an artificial one answering nearly all the purposes of the natural.

DIFFASES OF THE THEOAT—All discusses community to Threat and Now will be treated.

mos to the Threat and Nose will be treated GENERAL SURGERY. He will operate upon Club feet Hair Lip, Cleft Pallate I mores Cancers, Enlar-ged Tencils, Sc., Passits operations by healthy new flesh into deformed parts and General Surgery of HERNIA (or RUPTURE). He will perform "Labius

HERNIA (or REPTURE). He will perform "Labius operation for the redical (complete) care of Harrina, this is an questionably a perfect care, and is none with little or on pain. Out of many kut deed operated upon the Boston there has been no failures, it having met the perfect approbation of all who have submitted by ARTIPLIAL EVES.—Will insert artificial Eyes giving them the motion and expression of the materal.—They are inserted with the least pain.

HEMORRHOUSE, (These)—The troublescens discass is readily cared. Those suffering from it will do well out.

Dr Up De Graff visits Wilkes Barre with a view of building up a permanent Institute for the treatment of the Eye, but and Gatoral Surgory. The experience of more than a quarter of a century in Hospital and gener-al practice, he hopes, will but sufficient guarantee to those who may so disposed to empley him. May 14, 1814-11.

TINWARE & STOVE SHOP. THE undersigned respectfully informs his old friend and customers, that he has purchased his brothers merest in the above establishment, and the concern wis because he conducted by himself exclusively.

hereafter be conducted by himself exclusively, its has just regerved and offers for sale, the largest extensive the property of the largest extensive assortment of PANCV et al. (Its stock consists of a complete assortment of he best tooking and parlor stoves in the market, together with Stove Fixtures of every description. Own and Ear Stoves, Radiators, Cylindar Stoves, test iron Air Tight stoves, Canton Stoves &c. &c. Stovepipe and Timware constantly on hand and manufactured to order, all kinds of repairing done, as usual, on short notice.

The patronage of old friends and new customers is extraity solution. extfully enlighted.

A FEW REASONS WHY THE AMERICAN WATCH

IS THE BEST

IT is made to the best principle, while the foreign is generally made on no principle at all. The foreign which is generally made on no principle at all. The foreign which is though white their labor is cheap, their work is dear in any price. Such watches are made without plan, and sold without planname, They are pregular in construction, and quite as tregular in movement.—
They are designed only to sell, and the layer is the party order thoroughly sold. Those who have kept ascress. "Leptones" and "sweet levers" in professed repair for a few years will appreciate the truth of our structure.

YOUNG MEN

Especially, who have become the victims of Solitary Vice, that draidful and destructive habit which among the uncertaintied praye thousands of young men of the uncertaintied praye thousands of young men of the uncertaintied praye thousands of young men of the uncertaintied believes the uncertaintied believes, who might office have continuous listening then need with the foreign make believes, but that for its real value it is sold for one half the rice.

Our Soldier's Watch (named Win Ellery) is what its name indicates—Solid, Substantial, and always Believe watched to stand any measure of Marching Kning or Fighting.

Riging or Fighting.

Our Next higher Quality of Watch (numed P. 8 Resembly coles, and a more claborate fluids.

Of R. LADHES WATCH, meently brought out is put up in a great variety of patterns, many of them of care beauty and workmanship, is quite small, but warranted to keep time.

The proof of the merits of our Watch may be found in the fact, that we now complex over served hundred workman in our factories, and that we are still anothe to supply the constantly increasing domains.

Our Three operior Plate Watch is themer and lighter from the others we have described. Its flue chroma morter bulance is editeated adjusted to correct the warration caused by changes of themperature. These Watches are the fruits of the latest experiments in a separate acpartment of our factory. For the flues this keeping qualities they challenge rempersion with the new works of the most factory longers and save others. New England to Confed.

BY ASHER M. WRIGHT.

Are - Spider to the Fly. "Will you come back to our Union !" Says the Yankee to Confed ; As once we liv'd wa'll five again. You've nothing now to dread. You may have your cutton-niggers, too, For aught that we shall care;

But don't forget, dear friends, I pray, That we shall want a share." "Will you come back to our Union to Says the Vankes to Confed . "The Northern heart now warms you-

The fires of hate are dead. Tistrue we broke the covenant That made us b . thren one : But let that pass-we'll both forget Managas and Ball Run."

Will you come back to our Union !" Says the Vankee to Confed : We want your cotton -want your trade, (We'll deal no more in lead !)

Tie true with shot and shell and fire

We ravaged your fair land; But let that pass -we now are one Indiamentable band." Will you come back to our Union !"

The links are soldered tighter By the blood we both have shed. Take the fanatic Garrison. And Wendell Phillins, top. If only on that score of trade

To us you will prove true, FAITH EXTRAORDINARY .- In Zaneslight work. They are for the most part an orderly and quet people, many of which they are justly proud. One cold evening, in a time of great revival in the church, this ebony expounder was delivering a powerful appeal on "faith," the grouns and sols of his hearers giving token of its effects upon their impressible cheek, his voice anivered like distant thurder, while he imphasized his words voice of the minister came to him laden with faith- lick up the stove, Brudder Lowis, nick on de stove, de Lord won't let it burn you " Brother Lewis' mind

> The poor girl passed up on the Hudson River Railroad,on Thursday for her home in the the far West, not knowing or caring Paughkeepsie Eagle.

Am amusing story is told of a lade who tried to smuggle a clock neross the Canada border. She gave the clonkeeli. er particular directions to fix the alacm apparatus so it would strike the minute be knew she would arrive the at the Custom House. The lady fastened the timepiece securely to her hoops, and started on her homeward journey. Arriving at the Custom House, the officer found nothing contraband among her effects, and was nassing to the next traveler, when a loud whir-rwas beard under the lady's skirts. The strange noise was kept up for a full minuts; but to the lady it seemed an hour, and she became tremulous and excited --The Custom House officer not daring to lay hands on a woman, "save in the way of kindness," obtained an iron red, with which he felt around the crinoline for the concealed clock, and finally succeded in

ES THE DE LINE AND FALL OF PREEnom .- The history of the world can nowhere be opened, without meating with the annuls of the decline and fall of freedom. The rummary is short. Liberty becomes licentiousness, and bursts the bounds of constitutional laws Factions rage and war against each other. The war of lacticus is succeeded by a confiscating and sanguinary aparely. Anarchy is superceded by tyranny.
