BLOOMSBURG:

Saturday Morning, Sept 16, '65.

DEMOCRACY, a sentiment not to be appalled, corrupted or compromized. It knows no baseness, it cowers to no danger, it oppresses no weakness. Destructive only of despotism it is the sole conservator of liberty, labor and property. It is the sentiment of freedom, of equal rights, of equal obligations---the law of nature pervading the law of the land---Acton.

The Constitutional Advocate.

ALLEN B. TATE, has purchased the undivided part of the Ashland "Constitutional Advocate," from his late partner, C. B. McGINLEY, Esq, and has now become the sole Editor and Proprietor of that excellent Democratic Journal. All Democratic soldiers make independent Democratic Editors. We wish the young Editor and his Advocate great success, and have no doubt he will be well sustained by the "noble Democracy of Schuylkill."

☞ The Pennsylvania State Agricultural Society, will hold its Thirteenth Annual Exhibition, at Williamsport, commencing on Tuesday Sept. 26, and continue four days. GEO. WEAH, Esq, Superintendent of the Catawissa Rail Road announces that Excursion Tickets will be issued from all Stations on that Road, to Williamsport, from Sept. 26, to the 30th, inclusive, at half price---or up and down, same as one trip---good to October 2d, inclusive. We advise everybody, with their wives and friends, to go and see the greatest State Fair ever held in Pennsylvania.

☞ JOHN PIATT, Esq., has been nominated by the democracy of Lycoming for the Legislature. He was last year elected by the democrats and cheated out of his seat by the rascally shoddyites. Mr. P. is a good man, and will this year be triumphantly elected, despite the loyal swindlers, to a position he has heretofore honored, as a democrat in the General Assembly.

☞ Hon. M. STROUSE, M. C. of Pottsville, has our thanks for the Monthly Report of the Agricultural Department of August, 1865.

☞ Court next week in Danville.

☞ A load of good dry wood will be taken on subscription, at this office.

☞ WANTED.—A good steady boy, of fair education from the country, will be taken as an apprentice at this office. No town boy need apply.

☞ Capt. THOS. CHALFANT's spirited address at the Nob Mountain Meeting, will command the attention of our numerous readers.

☞ A letter from the Army, with a review of an abolition Lecture, and many other articles are awaiting space for publication.

☞ The blood-hounds of Zion have again ceased to pray for President Johnson. Reason. He wants the Union restored.

☞ COL. WM. H. TELFORD, of the 50th Penn'a Reg't, a *loyal thief* from Bradford county, has been cashiered and fined $500 for stealing a horse and mule from Uncle Sam.

☞ We are over-run with news-matter, communications and advertisements. Our correspondents will, we trust, exercise a little patience. They shall all have a hearing in due time.

Rev. Tonnage-Tax LANDON, has been nominated for State Senator by the shoddyites, in Bradford, Susquehanna and Wyoming counties.

☞ *Joseph T. Downs*, who advertises "A Card to Invalids," dating from Station D., BIBLE HOUSE, N. Y. City, is a swindler and imposture. He is an adept in cheating printers. What say you, of the pious scamp, Mr. Reading Gazette?

☞ ELIJAH R. IKELER, Esq., of Bloomsburg, is the Chairman of the Democratic Standing Committee of Columbia County. We call attention to the vigilance Committee, which he has appointed, to be found in another column. Their duty is, among other things, to see that every soldier and citizen is assessed by the 30th of September.

☞ *Our County Ticket.*—Our Democratic County Ticket, is now complete and it only remains for the Democrats to elect it by an unprecedented majority. We should have said, that it is a good ticket, composed of respectable men and excellent Democrats; a fact however, know and read by all men. Trot out your *"Shoddyites."*

☞ We have dozens of *beautiful* illustrations in our midst of the workings of that abolition political machine, yclept, military trials. Let us instance another. In Jordan township, Lycoming county, ANDREW J. ROBBINS, was arrested as a deserter, tried, and sentenced to six months hard labor in Fort Mifflin, and one year in the regular army. His friends got Capt. Brockway to look up the case. He examined the records at Williamsport and got a certificate that *Andrew J. Robbins' name was not nor ever had been on the rolls*, and after much trouble and expense his release was secured.

Yet the Republican party justify the arrests and *sentencing* of these military commissions, even when such glaring cases are brought to their notice.

☞ Dr. John has heretofore been supposed to have a "weakness" towards the fair sex, but "disappointment, like a worm in the bud," must have soured his "milk of human kindness" as in his last issue he makes a most unprovoked, cowardly assault upon *a woman*. Shame on you, Dr. when you so far disgrace your calling as a journalist as to slander the defenceless.

We allude to the alleged conversation between a "Veteran" and "the keeper of a Grocery" in Black Horn. The "Veteran" he speaks of, who has a fine reputation as a "Veteran Hospital Bummer" entered her private room and at once commenced an argument on political subjects during which she remarked, "If Mr. Lincoln was a good man, he did not die in a good place." Of course this was wrong, because since that unhappy event all theatres have become sanctified; but still the assertion in the paper was unqualifiedly false and will be so pronounced by every one who are acquainted with the lady. The husband coming in and finding a stranger insulting his wife, very properly ordered him out. Now, Dr. we suggest that you let your meanness in future out on *men* not WOMEN.

Democratic Representative Conference.

BLOOMSBURG, Sept. 8, 1865.

The Democratic Conference, representing the Representative District, composed of the counties of Columbia and Montour, met at Bloomsburg, Sept. 8th, 1865, the following gentlemen being present:

Columbia---Daniel Lee, J. S. Sanders.

Montour---Jesse C. Ammerman, Caleb Appleman.

The meeting being called to order, on motion of Daniel Lee, Caleb Appleman, of Montour, was chosen President, and J. C. Ammerman and J. S. Sanders, Secretaries.

On motion, the Conference proceeded to nominate a candidate for Representative, whereupon Daniel Lee nominated Williamson H. Jacoby, of Columbia.

On motion of Jesse C. Ammerman, the nomination was made unanimous.

On motion, it was resolved that the proceedings of this Conference be published in the Democratic papers of this Representative District,

On motion, the Conference adjourned.

CALEB APPLEMAN, *Pres't.*

J. S. SANDERS, } *Secretaries.*
JESSE AMMERMAN, }

The Columbia County Invasion.

We give up a large part of our space this week, to the vigorous and instructive address of Col. FREEZE, upon the subject of what he very properly calls, the "*raid*" upon this county, in 1864. He exposes, in warm but just language, its true object and character; details many of its incidents, and corrects the flippant and shameless falsehoods which were published far and wide against our people. Read it.

Jersey Shore Herald.

FRANK R. SNYDER, Esq., has associated Mr. S. BRUCE COLEMAN,---son of Jesse Coleman, Esq., Prothonotary of Columbia county,---with him as associate Editor of the "*Jersey Shore Herald.*" They are both sound democrats and practical printers, and publish an excellent local paper. These young men should be well supported by the "Democracy of Old Lycoming."

Fatal Accident.---On Friday of last week, as Mrs. HENRY SHIPTON, was driving a horse and buggy, with a child by her side, along the dug road above Light Street, the horse shared against the hill, on meeting a loaded team, and upsetting the buggy, threw her and the child under the wagon wheel, which passed over her leg and broke it in several places. The child was also badly injured. Mrs. SHIPTON, died of her wounds, on Sunday last, at her residence in Bloomsburg.

☞ The Court adjourned, finally, on Thursday of last week, at noon, after a session of three days and a half. We have only 12 to 14 days of court per year for a population of near 30,000. Is it not high time to hurry up another body of one thousand troops to keep our people in order?

CAUTION FROM THE
AMERICAN WATCH CO.

It having come to our knowledge that imitations of the American Watch have been put upon the market in great number, calculated by their utter worthlessness to injure the reputation of our genuine products, to protect ourselves and the public from imposition, we again publish the trade marks by which our Watches may invariably be known.

We manufacture four styles of Watches.

The first has the name "American Watch Co., Waltham Mass." engraved on the inside plate.

The second has the name "American Watch Co., Waltham Mass." engraved on the outside plate.

The third has the name "P. S. Bartlett, Waltham, Mass." engraved on the inside plate.

All the above styles have the name American Watch Co. painted on the dial, and are warranted in every respect.

The fourth has the name "Wm. Ellery, Boston Mass." engraved on the inside plate, and is not on the dial.

All the above described Watches are made of various sizes, and are sold in gold or silver cases as may be required.

It is hardly possible for us to accurately describe the numerous imitations to which we have alluded. They are usually inscribed with names so nearly approximating our own as to engage the observation of the unaccustomed buyer. Some are represented as made by the "Union Watch Co., of Boston, Mass.," another company existing. Some are named the "Soldier's Watch," to be sold as our Fourth or Wm Ellery style usually known as the Soldier's Watch." Others are named the "Appleton Watch Co.," others the "P. S. Bartley," instead of our "P. S. Bartlett," besides many variations names in such a manner as to convey the idea that they are the veritable productions of the American Watch Company.

We also caution the public, and particularly soldiers against buying so called silver sided Watches as frequently advertised as cheap, under the names of "Army Watches," "Soldiers' Watches," "Magic Time Observers," "Arcana Watches," &c. the prices of which are stated to be from seven to sixteen dollars. A good Watch, in these times cannot be afforded for any such money.

A little attention on the part of buyers will protect them from gross imposition.

HOOP SKIRTS

J. W. BRADLEY'S New Patent DUPLEX ELLIPTIC or double SPRING SKIRT.

This invention consists of Duplex (or two) Elliptic Pure Refined Steel Springs, superfinally braided neatly and firmly together, edge to edge making the lightest, most flexible, elastic and durable Spring ever used. They seldom break or become displaced, and retain their perfect and beautiful shape more than twice as long as any single Spring Skirt that ever has or can be made.

The wonderful flexibility and great comfort and pleasure to any Lady wearing the Duplex Elliptic Skirt will be experienced particularly in all crowded Assemblies, Operas, Carriages, Railroad Cars, Church Pews, Arm Chairs, for promenade and indoor dress, as the Skirt can be folded when in use to occupy a small place as easily and conveniently as a silk or muslin dress &c.

A Lady having enjoyed the pleasure, comfort and great convenience of wearing the Duplex Elliptic Skirt Spring Skirt for a single day will never afterwards willingly dispense with their use. For children's dresses and young ladies they are superior to all others.

The Hoops are covered with 2 ply double twisted thread and will wear twice as long as the single yarn covering which is used on a single Steel Hoop skirts. The three bottom rods on every skirt are also double steel, and twice as durable covered to prevent from wearing off the rods when dragging down steps, street steps, &c., which they are constantly subject to when in use.

All are made of the new and elegant Corded Tapes, and are the best quality in every part, giving to the wearer the most graceful and perfect, single pannier, and are unquestionably the lightest, most desirable, comfortable and economical skirt ever made.

WEBB'S BRADLEY & CARY, Proprietors of the invention, and Sole Manufacturers, 94 Chambers, and 79 & 81 Reade streets, New York.

For sale in first class Stores in this City, and throughout the United States and Canada, Havana de Cuba, Mexico, South America and the West Indies.

POST SCRIPT

President Johnson on Reconstruction.

We will publish next week the recent speech of President Johnson, to the delegations from several Southern States, upon the restoration of the South to the Union. It is a most important and elegant manifesto, and announces his determined hostility to consolidation as well as to secession. It makes the radicals feel very badly, but honest men will approve the sentiments expressed by him. We regret we have not space for the speech in our present number.

WHISKERS! WHISKERS! Do you want Whiskers or Moustaches? Our Grecian Compound will force them to grow on the smoothest face or chin, or hair, on bald heads, in SIX weeks.---Price, $1 00. Sent by mail anywhere, closely sealed, on receipt of price. Address,
