# COLUMBIA DEMOCRAT.

**Saturday Morning, Sep. 30, 1865.**

☞ A load of good dry wood will be taken on subscription, at this office.

☞ See Sheriff's sale in to-day's DEMOCRAT.

☞ Judge ELWELL, held Court, the past week, in Sullivan.

☞ ANDREW FREAS, Esq., of Centre, has recently had a severe spell of sickness.

☞ The Democratic State, District and County Ticket, has been printed at the office of the Columbia Democrat.

☞ *Thomas Dunn*, Esq., refuses to publish President Johnson's views on the Reconstruction of the Southern States.

☞ WANTED —A good steady boy, of fair education from the country, will be taken as an apprentice at this office. No town boy need apply.

☞ What does the country owe Edwin M. Stanton.—*Buffalo Express.*

Consult the thirteen thousand headboards in the graveyard at Andersonville.

☞ Mr. HUNSBUNGER, at his New Store, up town, has a fine Cigar and Tobacco Store. He says he won't be undersold. See his Card and give him a call.

☞ Special attention is invited to the adv. of John Farcira, 718 Arch st., Phila. His assortment of Fancy Furs for Ladies and Children, are of the best quality.—See his card in another column.

☞ We are glad to observe that our citizens at the lower end of Third street, are building a board walk. That is what we like to see. We hope every property holder in Bloomsburg will do likewise.

☞ Read the advertisement of Savery & Krum, in this issue. They have just received a splendid assortment of leather and shoes from the city. Any person in want of anything in their line, we can recommend this establishment to be superior to any in town, for neatness and in quality Give them a call.

☞ The price of flour, grain and produce are very high in town. Should they get any higher, we apprehend they will be almost entirely out of sight—at least out of the reach of the poor. When will they come down?

☞ The Abolition-Negro-Suffrage papers of the country, including Mr. *Dunn's* Snuut Machine, have not one word in favor of the President They are "opposing the Government". Oh! ye *ostlegal* scoundrels!

☞ We beg the Secretary of each election board in the county, to send us the returns of his own district, by the first mail; or on or by any earlier conveyance.—Dont neglect it. Give the vote out the majorities.

☞ A PHILOMATHEAN LITERARY SOCIETY, has been established in the county of Luzerne. J. W. Baker, President, and E. M. Alden, Jr., Cor. Secretary—We tender our thanks to the Society for a Certificate of Honorary Membership, and with its officers and members abundant success and prosperity.

☞ *Tall Corn.*—Mr PHILIP MILLER of Centre, has shown us two stalks of Corn culled from a 35 acre field measuring 11 feet and 4 inches long. They may be seen standing on the porch of Captain Grover's Hotel, Half-Way-House. This is Democratic Corn.

☞ We direct attention to the advertisement in another column by Mr. Johnson, offering for sale, his dwelling house and store in Beach Haven. It is a good stand and well established. To a man of some capital and the requisite energy, &c., this offers an excellent chance for business operations.

☞ The solitude of Pee John's shanty since the removal of the Post office, must be very favorable to serious contemplation; and we trust the Dr. will embrace the occasion to review his report of the proceedings of the late abolition county convention.

☞ A series of political meetings will be held in this County commencing on Monday next. Of the time, place, speakers, &c., the public have been duly informed. We trust that people will turn out and hear the issues of the day discussed. Our time honored principles will bear ventilation, and let the people have light Let old and young, male and female, soldiers and citizens turn out.

*Political Parsons.*—The "Dr." says we are in *torment* when in the presence of these "good men." We admit that if we associated with them, and took their advice we soon would be in "torment;" but we have no fears as when we cast off this "mortal coil" we hope to go *up*, and not *down* with them to their master.

*Amusing.*—To see Pee John squirm about suppressing the Resolutions in the Abolition Convention. He admits it, but says it would be "*tautology*" to endorse Pres. Johnson. Dr. it would be worse—it would be *hypocrisy*. Of course "he published them as he prepared them" *but not as adopted by the Convention*. It was a forgery on the Convention

## OBITUARY.

The Nob Mountain Meeting and "accompanying documents" having killed off the whilom Editor of the *Columbia County Republican*, we have thought it unjust to permit the demise of so celebrated an individual without a proper notice of his career. We have therefore prepared the following short sketch of his life and services, and publish it as—

### THE EPITAPH.

Here lies a "Loyal" Pee,
Johannes was his name,
A wonderous man was he,
And not unknown to fame.

Of "Yarbs" he knew the strength,
Both simple and compound;
And peddled out his "ague cure"
To all the country round.

He ran a smut machine—
Sank a petroleum well—
The motto on the derrick seen,
Was "China, Oil, or h—ll!"

Misfortune came at last
To tame our rising pride;
Oh, grief!—oh, sad to tell!—
The catnip Doctor died!

He failed to strike the "oil,"
And "China" left behind;—
The *other* point for which he sought,
We trust that he may find!

*Beyond the Bounds of Reason or of Decency.*—The Butchers, who are only offering and actually buying pork *dressed* for 16, and *live* for 10 cents per pound; and selling the same for 25 cents per pound, Farmers, Millers, Distillers, Merchants, Lawyers, Mechanics buyers and suppliers in general, what do you think of this? Is it right to allow the butchers 9 cents per pound for merely dealing it out, and 15 cents per pound for dressing and selling it? Is not immediate action demanded either on the part of sellers or purchasers, or both, to remedy this enormous outrage?

*"Proclaim the immutable principles of Democracy throughout the land."*

THE WEEKLY

## Patriot and Union,

FOR THE

*Campaign of* 1865.

THE political campaign just opened in Pennsylvania is destined to be one of great importance, and to have a powerful influence upon the future of the country at large. In a great measure it will determine the gubernatorial contest of 1866, and have an influence upon the presidential election two years thereafter. But more important, it will probably determine the choice of the next U. S. Senator from this State, and thus affect the legislation of Congress and the restoration of peace to all the land. It is, therefore of vital importance that every exertion should be made by every local organization be put to work, but every honorable means should be adopted to stir up the apathetic and lukewarm and to make new votes by conversation. It can only be through the immutable and golden principles of Democracy that the country can be redeemed from the thraldom of fanaticism, degradation and taxation. Outside the Democracy there are no principles. The rule of action of the opposition is ever changing—one thing to-day—something else to-morrow. It is held together merely by the giants—the latest and most outrageous of all being the modern, six-months political trick of negro suffrage. To defeat this, and all other schemes of the Abolition-shoddy hordes who live only to plunder and tyrannize, let every Democrat arouse and gird on the rusty armor of his fathers in Democracy—of Washington, of Jefferson, of Jackson; and march to battle and to victory!

THE WEEKLY PATRIOT & UNION.

As the Central organ of the Democratic party the Weekly PATRIOT AND UNION has acquired a large and more diffused circulation than any other Democratic journal in the State. It has heretofore occupied an influential position as an able and industrious worker in the cause of Democracy, and its friends say that it still continues to be a valuable organ to the party. It is not for us however, to puo our own work. If we have been faithful to the cause of the party and the country we hope every Democrat will make it an object to extend our field of operations, by adding to our list of subscribers. We hope every good Democrat who reads this will send his name and $2 50 for a copy for one year. If this is too much for those who are very poor let all such send us fifty cents each, and receive the Weekly PATRIOT AND UNION for the campaign.

CAUTION FROM THE
AMERICAN WATCH CO.

It having come to our knowledge that imitations of the American Watch have been put up on the market to great number, calculated by their utter worthlessness to injure the reputation of our genuine products, I to protect our own interests and the public from imposition we again publish the trade marks by which our Watches may invariably be known.

We manufacture four styles of Watches.

The first has the name "American Watch Co., Waltham, Mass.," engraved on the inside plate.

The second has the name "Appleton, Tracy & Co. Waltham Mass." engraved on the inside plate.

The third has the name "P. S. Bartlett Waltham, Mass." engraved on the inside plate.

All the above styles have the name American Watch Co. painted on the dial, and are warranted in every respect.

The fourth has the name "Wm. Ellery, Boston Mass" engraved on the inside plate, and is not on the dial.

All the above described Watches are made of various sizes, and are sold in gold or silver cases as may be required.

It is hardly possible for us to accurately describe the numerous imitations to which we have alluded.—They are usually inscribed with names so nearly approaching our own as to escape the observation of the unaccustomed buyers. Some are represented as made by the "Union Watch Co., of Boston, Mass.,"—nosuch company existing. Some are named the "Soldier's Watch," to be sold as our Fourth or Wm. Ellery style usually known as the Soldier's Watch." Others are named the "Appleton Watch Co;" others the "P. S Bartley," instead of our "P. S. Bartlett," besides many varieties named in such a manner as to convey the idea that they are the veritible productions of the American Watch Company.

We also caution the public, and particularly soldiers against buying certain articles called Watches, so freely advertised in illustrated papers as "Army Watches," "Officers' Watches," "Magic Time Observers," "Arcana Watches," &c., the prices of which are stated to be from seven to sixteen dollars. A good Watch, in these times cannot be sold cheap for any such money.

A little attention on the part of buyers will protect them from gross imposition.

DR T. ALLCOCK—Dear sir—Seventeen years ago I was sorely injured in my back. At length I was induced to use your plasters. I wore one constantly for six months, and did more hard work during that six months than in the preceeding fifteen years. I have not worn a plaster for over eighteen months, and have had no return of the gnawing pain and weakness in my back, but have been entirely well.

I am your obedient servant,

The Grovesteen Piano Forte still retains its precedence and great popularity, and after undergoing gradual improvements for a period of thirty years, is now pronounced by the musical world to be unsurpassed and even unequalled in richness, volume and purity of tone, durability and cheapness. Our new scale, French action, harp pedal, iron frame, over-string bass, seven octave rosewood pianos we are selling cheaper by from $100 to $200 than the same style and finish are sold by any other first-class makers in the country. Dealers and all in want of good pianos are invited to send for our Descriptive Catalogue, which contains photographs of our different styles, together with prices. No one should purchase a piano without seeing this Catalogue. Medals almost without number, have been awarded to the Grovesteen Piano, and the Celebrated Worlitzer, though put in competition with others from all parts of Europe and the U.S. it took the highest award.

NEW SKIRT FOR 1865-6.

The Great Invention of the Age in

HOOP SKIRTS'

J. W. BRADLEY'S New Patent DUPLEX ELLIPTIC (or double SPRING SKIRT

This Invention consists of Duplex (or two) Elliptic Pure Refined Steel Springs, ingeniously Braided tightly and firmly together, edge to edge making the toughest, most flexible, elastic and durable Spring ever used. They seldom bend or break, like the Single Springs, and consequently preserve their perfect and beautiful shape more than twice as long as any Single Spring Skirt that ever has or can be made.

The wonderful flexibility and great comfort and pleasure to any Lady wearing the Duplex Elliptic Skirt will be experienced particularly in all crowded Assemblies, Concerts, Operas, Carriages, Railroad Cars, Church Pews, Arm Chairs, for Promenade and House Dress, as the Skirt can be folded when in use to occupy a small place as easily and conveniently as a silk or muslin dress.

A Lady having enjoyed the pleasure, comfort and great convenience of wearing the Duplex Elliptic Steel Spring Skirt for a single day will never afterwards willingly dispense with their use. For children's Misses and Young Ladies they are superior to all others.

The Hoops are covered with 2 ply double twisted thread and will wear twice as long as the single yarn covering which is used on a single Steel Hoop Skirts. The three bottom rods on every Skirt are also double steel, and twice or double covered to prevent from wearing off the rods when dragging down stairs, stone steps, &c., which they are constantly subject to when in use.

All are made of the new and elegant Corded Tapes, and are the best quality in every part, giving to the wearer the most graceful and perfect shape possible, and are unquestionably the lightest, most desirable, comfortable and economical Skirt ever made.

WEBB'S BRADLEY & CARY, Proprietors of the Invention, and Sole Manufacturers, 97 Chambers, and 79 & 81 Reade Streets, New York.

For Sale in first-class Stores in this City, and throughout the United States and Canada, Havana de Cuba, Mexico, South America and the West Indies.
