COLUMBIA DEMOCRAT.

Saturday Morning, Oct. 7, 1865.

☞ Judge ELWELL has removed his Judges Chambers, into the building on Main Street, below Market, over Mr. Runyon's Grocery Store.

☞ ORANGE JUDD, Esq, of New York, has our thanks for a lot of "Agriculturist Strawberries."

☞ No. 31, instead of 32, is the No. worked off on a portion of the first side of the Democrat.

☞ Mr. *Pee Dixon* says he is in favor of President Johnson. Stick to that, Mr. Doctor. We shall not pity you when *he* makes you howl.

☞ BE UP AND DOING.—Democrats be prepared with wagons to take voters to the polls. Do not leave any Democrat at home.

☞ Capt. C. B. BROCKWAY, has removed his Law Office, into Mr. Unangst's building, on Main Street, lately occupied by Judge Elwell as the Judges Chambers.

☞ Mr. A. J. EVANS, has associated the Rev. A. HARTMAN, of Jerseytown, with himself in the Merchant Tailoring Business in Bloomsburg. They have just received a new Stock of goods to which attention is invited. We wish Messrs. *Evans & Hartman* great success.

☞ Boating on the canal is now tolerably brisk, but attended with some difficulty from the shallowness of the water. Boats run aground and block up navigation almost daily, whether because sufficient water is not let into the canal or because it was not cleaned last spring, we are unable to learn.

☞ Whilst Old Abe was "running the machine" to destruction, Black Republicanism applauded, shouted hosannas, and denounced every warning voice as the hiss of a copperhead; but Black Republicanism is maddened to frenzy by a vision of a restored, re-united, peaceful and happy country, under President Johnson.

☞ The Black Republicans found the country united, peaceful and out of debt. They rent the Union, brought civil war, and piled up a mountain of debt.

☞ Hon GEO. R. BARRETT, has been nominated for re-election to the position of President Judge of the Courts of the district composed of the counties of Carbon, Monroe, Wayne and Pike.

☞ Whilst Lincoln lived it was treason against "the government," in abolition slang, to question his policy or manner. Now that Johnson is President, and is not wholly given over to niggerism, it is, according to the same slang, treason to support *him*.

From the Montour American.

CONYNGHAM TP., COLUMBIA CO.

DR. ENOWER.—*Dear Sir*:—In looking over the proceedings of our last County Convention, held at Bloomsburg, (as published in the *Columbia County Republican*,) I find one or two resolutions omitted, which were approved by the committee and passed unanimously by the Convention, one of which was as follows, as near as I can recollect:

"*Resolved*, That we heartily endorse the appointments made by the President of the United States, in this District, as efficient and able officers, true to the Government and its interest."

Why was this omitted in the published proceedings? Is it not due to the officers under the Administration that it should be known?

"Proclaim the immutable principles of Democracy throughout the land."
THE WEEKLY
Patriot and Union,
FOR THE
Campaign of 1865.
THE political campaign just opened in Pennsylvania is destined to be one of great importance, and to have a powerful influence upon the future of the country at large. In a great measure it will determine the gubernatorial contest of 1866, and have an influence upon the presidential election two years thereafter. Still more important, it will probably determine the choice of the next U. S. Senator from this state, and thus affect the legislation of Congress and the restoration of peace to all the land. It is, therefore, of vital importance that every exertion should be made by every loyal organization in the State to work, but very homebrung means should be adopted to stir up the apathetic and lukewarm, and to make new votes by conversation. It can only be through the immutable and golden principles of Democracy that the country can be redeemed from the thraldom of fanaticism, degradation and taxation. Outside the Democracy there are no principles. The rule of action of the opposition is ever changing—one thing to-day—something else to-morrow. It is bent together merely by expedients—the latest and most outrageous of all being the modern, six months political trick of negro suffrage. To defeat this, and all other schemes of the Abolition-shoddy leaders who live solely to plunder and tyrannize, let every Democrat arouse and gird on the rusty armor of his fathers to Democracy—of Washington, of Jefferson, of Jackson, and march to battle and to victory!
THE WEEKLY PATRIOT & UNION
As the Central organ of the Democratic party the Weekly Patriot and Union has acquired a large and more diffused circulation than any other Democratic journal in the State. It has heretofore occupied an influential position as an able and industrious worker in the cause of Democracy, and its friends say, but it still proposes to be a valuable organ to the party. It is not for us, however, to put our own work. If we have been faithful to the cause of the party and the country we hope every Democrat will make it an object to extend our field of operations, by adding to our list of subscribers. We hope every good Democrat who reads this will send us a name and $2 50 for a copy for one year. If this is too much for those who are very poor let all such send us fifty cents each, and receive the Weekly PATRIOT AND UNION for the campaign.
☞ The following are the terms:
Single copies, per annum, $2 50
" six months, 1 25
Clubs of ten or more to one address, 2 00
DURING THE CAMPAIGN.
Single copies, 50cts.
Clubs of ten or more to one address 40cts.

The Grovesteen Piano Forte
still retains its precedence and great popularity, and after undergoing gradual improvements for a period of thirty years, is now pronounced by the musical world to be unsurpassed and even unequalled in richness, volume and purity of tone, durability and cheapness. Our new scale, Kronch action, harp pedal, iron frame, over-strung bass, seven octave rosewood pianos we are selling cheaper by from $100 to $200 than the same style and finish are sold by any other first-class makers in the country. Dealers and all in want of good pianos are invited to send for our Descriptive Catalogue, which contains photographs of our different styles, together with prices. No one should purchase a piano without seeing this Catalogue. Medals almost without number, have been awarding to the Grovesteen Piano, and the Celebrated World's Fair, though put in competition with others from all parts of Europe and the U. S. it took the highest award.

NEW SKIRT FOR 1865-6.
The Great Invention of the Age in
HOOP SKIRT
J. W. BRADLEY'S New Patent DUPLEX ELLIPTIC (or double SPRING SKIRT.
This Invention consists of Duplex (or two) Elliptic Pure Refined Steel Springs, ingeniously braided tightly and firmly together, ready to cut making the toughest, most flexible, elastic and durable Spring ever used. They seldom bend or break, like the Single Springs, and consequently preserve their perfect and beautiful shape more than twice as long as any Single Spring Skirt that ever has or can be made.
The wonderful flexibility and great comfort and pleasure to any Lady wearing the Duplex Elliptic Skirt will be experienced particularly in all crowded Assemblies, Opera, Carriages, Railroad Cars, church Pews, Aisle Chairs, &c. For Promenade and House Dress, as the Skirt can be folded when in use to occupy a small place as easily and conveniently as a silk or muslin dress.
A Lady having enjoyed the pleasure, comfort and great convenience of wearing the Duplex Elliptic Steel Spring Skirts for a single day, will never afterwards be willingly deprived of them. For children Misses and Young Ladies they are superior to all others.
The Hoops are covered with 2 ply double twisted thread and will wear twice as long as the single yarn covering which is used on a single Steel Hoop Skirts. The three pin motion rods on every skirt are also double Steel, and large or double covered to prevent from wearing off the rods when dragging down stairs, stone steps, &c., which they are constantly subject to when in use.
All are made of the new and elegant Corded Tapes, and are the best quality in every part, giving to the wearer the most graceful and perfect shape possible, and are unquestionably the lightest, most desirable, comfortable and economical Skirt ever made.

CAUTION FROM THE
AMERICAN WATCH CO.
It having come to our knowledge that imitations of the American Watch have been put upon the market in great number, calculated by their utter worthlessness to injure the reputation of our genuine products, to protect our own interests and the public from imposition we again publish the trade marks by which our Watches may invariably be known.
We manufacture four styles of Watches.
The first has the name "American Watch Co. Waltham Mass," engraved on the inside plate.
The second has the name
"Appleton, Tracy & Co. Waltham Mass," engraved on the inside plate.
The third has the name
"P. S. Bartlett Waltham, Mass." engraved on the inside plate, and is Colon the other.
All the above described Watches are made of various sizes, and are sold in gold or silver cases as may be required.
It is hardly possible for us to accurately describe the many variations to which we have allowed.—They are usually regulated with names so nearly approaching our own as to escape the observation of the unaccustomed buyers. Some are represented as made by the "Union Watch Co., of Boston, Mass.," "non-rich company existing. Some are named the "Soldier's Watch," to be sold as our Fourth or War Effory style usually known as the Soldier's Watch." Others are named the "Appleton Watch Co." others the "P. S. Bartley," instead of our "P. S. Bartlett," besides many varieties named in such a manner as to convey the idea that they are the Vertiole productions of the American Watch Company.
We also caution the public, and particularly soldiers against buying certain articles called Watches, so freely advertised in illustrated papers as 'Army Watches,' "Officers' Watches," "Magic Time Observers," "Arcana Watches," &c., the prices of which are stated to be from seven to sixteen dollars. A good Watch, in these times cannot be afforded for any such money.
A little attention on the part of buyers will protect them from gross imposition.

Connecticut Against Negro Suffrage.

Connecticut has voted on the question of striking the word "white" from her Constitution, and the popular verdict is against negro suffrage and equality. The amendment is defeated by a large majority. There was no mistaking the issue in the State. The Republicans took open ground in favor of negro suffrage. Their journals all urged the adoption of the amendment as of vital importance to the success of the party in the great struggle for negro suffrage and equality. They were assisted in the canvass by a large majority of the clergy, who appealed to their congregations to vote for the amendment. All that wealth and influence could do, was done in favor of the measure. The politicians declared that if Connecticut withheld the elective franchise from the African, it was in vain to insist upon negro suffrage in the Southern States preliminary to the admission of their representatives to Congress.

The voters of Connecticut turned a deaf ear to these appeals, and refused to strike the word "white" from their State Constitution. By so doing, they endorsed the President's restoration policy, and took ground in favor of reunion with the Southern States under the Constitution. It is plain that the people are disgusted with the radicals. They wish for repose, that the country may recover from the effects of the struggle from which it is emerging. Hence the defeat of the negro party in Colorado and in Connecticut. On Tuesday next the white freemen of Pennsylvania will be called upon to vote on the negro question. The example of Connecticut is before them.
