BLOOMSBURG

Saturday Morning, Nov. 11, '65 to no danger, it oppresses no weakness. Bestructive only of despotesmit is the sole conservator of liberty. asked rights, or equal obligations—the law of nature

pervading the law of the land - Alles

Organization of Congress.

vests the whole subject with sufficient im- val candidate. Such is the law ; such the affair as a Drafted man having a fit, and portange to entitle it to some thoughtful usage; such the working necessity.

the Clerk of the House of Representatives ism of the war powers,

assigns limits to the scope of those pow- of martyrdom. ers conferred in the fifth section, on the

be composed of members chosen every second year by the people of the several. therefore, be no more excluded from the floor of Congress than the States of the representation. As the presumption of a power so sweeping is clearly absurd, we must conclude that the power actually conferred in the case is one whose application is somewhat narrower.

The Constitution defines the powers of the House over individual members very gross, and money is expended in large clearly. That instrument sets them down as a right of judgment touching their elections, returns and qualifications." ployment, yet the white man, even the ple thereof, that they do set apart and ob-This is the sum and substance of its authority over the three subjects of judgment which constitute the whole scope of the friends.

Ponder on it, and decide if they are your deliverances and blessings.

And I do further recombine that occasion the whole per is a simple question of formulary. The "return" of the election of any member of Congress is open to examination, under as convenience and appearance is concern- the ways of national virtue and holiness. well for the "boys "in blue," but not so and genuineness. A duly prepared certificate in the usual form covers that point of the inquiry fully. The question touching "qualification" must be conducted by satisfaction would be given. Not only Lord one thousand eight hundred and Augustus Iturbide as his heir to the throne stitution, and can, therefore, not exceed the inquiry. Is the Representative "twen-but in some instances they have made disty-four years of age ?" has he "been sev- tributions of the mail We also suggest en years a citizen of the United States ?" of the State in which he was chosen ?"

The question of "return and of qualification" is ruled by the Constitution within very narrow limits. The right of investigation into the "election" appears, at first in each State shall have the qualifications requeste for electors of the most numer- the hands of the Post Master. gress has, furthermore, authority to speci- We had an indication of winter on ing elections" for Representatives ; and, if of Snow and Hail Storms.

COLUMBIA DEMOCRAT, it had exercised that authority, would, therefore, have a right to inquire whether the elections had been carried out accordingly. Here, then, is the beginning, middle and end of the power of House of tions" of its members.

> to be clearly limited. The words of the Constitution declare so plainly; and usage has given them a limitation which cannot eident which occurred to the writer, who charges of refusing to receive the votes of be deduced from the words, though evi-

dently originally intended. The authoried or compressived. It knows no baseness, it cowers ty of the House over its members has been confined, invariably, to those whose seats labor and property. It is the sentiment of freedom, of have been contested by rival candidates .the restricted reading put thus upon the Constitution by custom; for it would be Coumbia county, Pa. The Federal Congress is to meet on the preposterous to suppose a House made up fourth day of next mouth. The threats of members, no one of whom should be "Rogus March," and sounded very 'aputtered, whether in bluster or in carnest, considered to hold his seat of right until pros on the sweet morning air :make that occasion one of unusual con- pronounced upon by the others ! Irinua cern. Mr. McPherson is, it appears on fucie evidence must receive currency as a very good evidence, determined to bar the necessity of the case ; and that evidence, door of the House of Representatives consisting of duly authenticated certificates musicar et now fit." against the restoration of the Union! of the State from which they have been What measures may be taken in the case sent, must be held good in fact and in law, have you, nor your numerous readers, by the Senate do not apper; but the course whether by Clerk or Congress, until think that I am joking No, sir, not for that we may apprehend in the House in. brought in question by the petition of a ri- one moment would I joke on so serious an
