COLUMBIA DEMOCRAT.

Saturday Morning, Dec. 16, '65.

☞ To Advertisers.—Persons wishing advertisements inserted must hand them in early on Thursday morning to insure their insertion for that week.

☞ Omitted.—Many articles, for want of space.

☞ Subscribers for the "Nob Mountain" Book, in the vicinity of Orangeville, will find their copies in the hands of Jas. B. Harman, Esq., for distribution.

☞ Christmas is close at hand. Books very suitable for presents, Aesop's Fables, Arabian Nights, Coxe's Christian Ballads, Course of True Love, Fred's Poems &c. &c. are for sale at the Recorder's Office.

☞ A large amount of miscellaneous business was transacted during our last court. The records show an unusual number of applications for divorce, and many of them for causes less excusable than desertion.

☞ Col. Freese offers for sale cheap, a fine copy of Dr. Worcester's Quarto Dictionary, with many hundred illustrations, printed on the very best paper, and with beautiful type.

New Year's Address.—The Carrier of the Columbia Democrat, wishes us to advertise its numerous patrons, that he will wait upon them, early on New Year's Morn with his usual Annual Address, and bespeak for him a favorable reception.

☞ The Columbia Democrat, will not be issued on the 30th of December—We all feel like enjoying a brief respite from labor, and we know of no time, for that purpose, more befitting than the Holidays. The number for the New Year, will be dated January 6th, 1866.

Found.—Mr Joseph Brobsch, we are pleased to learn, has found his stolen Horse, Harness and Buggy. The thief had tied the horse to a tree on the Broad Mountain, and abandoned the propety on the approach of some wood-choppers.—Luckily for our friend Mr. Brobsch.

☞ We are requested to say, that the Methodist Episcopal Church edifice at Light Street, has been Frecoesed, repainted and will be opened for Divine Service, on Sunday, the 24th of December—day before Christmas. Several Clergymen from a distance will be present on that occasion. The public generally are invited to attend.

☞ The remains of Lieut. Isaiah B. Robison, youngest son of Wm. Robison, were brought to Bloomsburg on last Monday. Lieut. R. was killed over a year since, in Georgia, and his remains have only now been recovered, and restored to his friends here for interment. They were re-enommitted to the grave by the Honors of War, on Wednesday, in Rosemont Cemetary of Bloomsburg.

☞ The Editor of the *Republican* announces in his usual bombastic style, that he has obtained a *"Power Press."* Had our Democratic friends given us $1,000, as the Republicans did Dr. John, we could and would long ago, have also obtained a Power Press, and more, we would not have used their paper and press as he did to abuse his benefactors. But "some Pork *will* boil that way."

Public Sale of Valuable Property

John G. Quick, Esq., Administrator of Elias Dieterich, will sell at Public Sale, at the late residence of the decedent, in Montour township, this county, on Tuesday the 19th of December, a very large and valuable assortment of personal property.

Mrs. Eleanor Keller, of Orange township, in this county, offers to sell, at Public Sale, on Saturday, the 30th of December, a valuable Farm and Plantation, which should command the attention of capitalists.

☞ Messrs. M. & T. B. Cole, Executors of the Estate of Wm. Cole, Esq. deceased, will sell at Public Sale, several tracts of valuable Real Estate, upon Thursday, the 18th day of January, 1866.

☞ Samuel Snyder, High Sheriff of Columbia county, left Bloomsburg, on Wednesday morning last, having in charge a convict named *Thomas Stodd*, sentenced at our late Court to one year and ten calender months hard labor and solitary confinement in the Eastern Penitentiary, for stealing—or hiring and running away with—a horse and buggy, last August, belonging to Mr. Geo. Risewick, of Bloomsburg.

Wanted,

Information is wanted of the whereabouts of Samuel F. Savery, who left Bloomsburg, in the Cars, on the evening of the 22d of November, 1865, to go to Philadelphia, to purchase a stock of Boots and Shoes. He has not been heard of since he left Bloomsburg. Mr. S. was about 27 years of age, 5 feet 9 inches high, ligh complexion; blue eyes, dark hair, with whiskers and moustache, and by occupation a Shoemaker. Had lately returned from service in the Union Army.

His wife and family will pay a liberal reward for information of his whereabouts, whether living or dead.

MRS. MARY S. SAVERY.

Bloomsburg, Dec. 9, 1865.

☞ Editors generally will greatly oblige a disconsolate wife and children by noticing the above in their respective journals.

Mifflinville Festival.

There will be a grand Festival, at Mifflinville, Columbia county, Pa., for the benefit of the Lutheran Church, on Monday, Christmas, December 25th 1865.—Also a grand musical Concert in the evening of same day, by the Mifflinville choir, vocal and instrumental music, consisting of a number of grand Choruses, anthems, &c,

Also, a number of Quartetts, Trios, and Duetts by the Amateur Glee Club of Mifflinville. In connection with which will also be performed a number of male quartetts, from the classical collections of Handal and Mendelsohn, by Messrs. Hess, Swank & Co.

☞ T. Haskins DuPuy Esq., has been appointed General Manager of the Catawissa Railroad, which has been leased by the Atlantic and Great Western Railroad. This gentleman's judicious management during the long period he has been President of the Catawissa Company, proves that no better appointment could have been made than the above. The Catawissa route will, in the hands of the Atlantic and Great Western, soon form an important link to the connection about to be made to shorten the route between New York and the West.

—Radical Union sentiments were well expressed a few days ago by Senator Pomeroy, of Kansas, in a speech made at the court house of Bureau county Illinois. Said he. "I would rather help tear down the Capitol than to allow the Southern States to come back into the Union without letting the negro vote!" But, tearing down the Capitol would not be much after tearing up the Constitution.

☞ Five hundred head of government cattle were sold at Alexandria Wednesday. Good beeves brought from three to four cents a pound.

ALLCOCK'S POROUS PLASTERS—A Druggist said the other day, you have no need to advertise your Plasters, as every one sold certainly causes a dozen to be sold, and a dozen sells a gross, and so on. You will not be able to supply the demand soon. But we can supply a thousand yard a day.

AFFECTION OF THE SPINE CURED.

Hartford, Conn., Nov. 11, 1861.

Messrs. Thos. Allcock & Co—Please send with dispatch twelve dozen ALLCOCK'S POROUS PLASTERS. Our daily experience confirms their very superior excellence. At the request of writing a Book applies for one, who, by entanglement in the shaft machinery, had both his legs broken, spine severely injured and was nearly a year entirely helpless. This man found relief very soon by the application of a Plaster to his spine. He was soon enabled to work, and now he labors as well as ever. He would cheerfully pay $5 for a single Plaster if they could not be had at a lower rate. I am surprised that surgeons do not make use of these perforated plasters, to the exclusion of all others, as their flexibility and adaptiveness are greatly in advance of all other plasters with which I am acquainted, while the perforations peculiar to them render them greatly superior to all others for ordinary surgical uses. Knowing the Plasters to be honest, I have no scruples that my sentiments should be known.

Special Notice.

"Great oaks from little acorns grow." The worst diseases known to the human race spring from causes so small as to almost defy detection. The volumes of scientific lore that fill the tables and shelves of the medical fraternity only go to prove and elaborate these facts.

Two grand yourselves where you may. The smallest pimple on the skin is a telltale and indicator of unrest. It may be hereditary away from the surface of the body, but it will reach the vitals, perhaps, at last, and death be the result of such disturbance. Maggiel's famous Dyspeptine and Dysentaria Pills cure where all others fail. Wait for diarrhœa, Scalds, Cankers, Cuts and all annoyances of the skin. Maggiel's Salve is infallible. Sold by J. Maggiel, 43 Fulton Street, New York, and all Druggists, at 25 cents per box.

The Grovesteen Piano Forte still retains its precedence and great popularity, and after undergoing gradual improvements for a period of thirty years, is now pronounced by the musical world to be unsurpassed and even unequalled in richness, volume and purity of tone, durability and cheapness. Our new scale, Brench action, harp pedal, iron frame, over-string bass, seven octave rosewood pianos we are selling cheaper by from $100 to $200 than the same style and finish are sold by any other first-class makers in the country. Dealers and all in want of good pianos are invited to send for our Descriptive Catalogue, which contains photographs of our different styles, together with prices. No one should purchase a piano without seeing this Catalogue. Placed almost without number, have been awarded to the Grovesteen Piano, and the Celebrated World's Fair, though put in competition with others from all parts of Europe and the U.S. it took the highest award.
