## HELMBOLD'S FLUID EXTRACT BUCHU,

A positive and Specific Remedy for diseases of the Bladder, Kidneys, Cravel and Propriest Swellings This Medicine increases the powers of digestion, and excites the absorbents into healthy action, by which the watery or calcareous depositions, and all unnatural enats are reduced, as well as pain and jufammation.

HELMBOLD'S EXTRACT BUCHU. For weakness arising from Excesses, Habits of Disalpa-tion, Early Indiscretion, attended with the following

Symptoms: Indisposition to Exertion, Loss of Memory, Weak Nerves, Horror of Disease, Dimness of Vision, Not Hands, Dryness of the Skin,

Loss of Power. Difficulty of Breathing, Trembling, Wakefulness, Pain in the Back. Flushing of the Body, Krupuons of the Face, Universal Lassitude, Pallid Countenance, These symptoms, if allowed to go on (which this Medicine invariably removes), son follow—PATUITY, EPILEPTIC FITS, &c.,

In one of which the patient may expire. Who can say they are not frequently followed by those "direful dis-INSANITY AND CONSUMPTION? Many are aware of the cause of their suffering, but none will confess. The records of the instance asylume and the melancholy deaths by consumption bear ample witness to the truth of the assertion.

The Constitution, once affected by organic weakness, fequires the sid of medicine to strong them and invigorate the system, which HELMBOLD'S EXTRACT OF BUCHU tovariably does. A trial will convince the most sceptical.

In many affections populiar to Females, the EXTRACT Bucht is unequaled by any other remedy, and for all complaints incident to the sex, or in the DECLINE OR CHANGE OF LIFE. FOR SEE SYMPTOMS ABOVE.

of the worst disorders that afflict mankind arise from the corruption that accumulates in the Blood. Of all the dis-coveries that have been made to purge it out, none can equal in effect Helmbold's Compound Extract of San SAPARILLA. It cleanses and renovates the Blood, instills the vigor of health into the system, and purges out the humors which make disease. It stimulates the healthy functions of the body, and expels the disorders that grow and rankle in the blood. Such a remedy that could be relied on has long been sought for, and now, for the first time the public have one on which they can depend. Our space here does not admit of certificates to show its effects, but the trial of a single bottle will show to the sick that it has its virtues surpassing anything they have ever taken. Two tablespoonsful of the Extract of Sarsaparilla added to a pint of water is equal to the Lisbon Diet Drink, and one bottle is fully equal to a gallon of the Syrup of Sarsaparilla, or the decoction as usually made.

HELMBOLD'S ROSE WASH, An excellent Lotion for diseases arising from habits of dissipation, used in connection with the Extracte Buchn and Sarasparilla, in such diseases as recommended. Evidence of the most responsible and reliable character will accompany the medicines. Also explicit directions for use, with hundreds of thousands living witnesses, and up wards of 35,000 unsolicited certificates and recommenda-tory letters, many of which are from the highest sources, including eminent Physicians, Clergymen, Statesmen, &c The Proprietor has never resorted to their publication in the newspapers; he does not do this from the fact that his articles rank as Standard Preparations, and do not need

to be propped up by certificates.

The Science of Medicine, like the Dorte Column, should stand simple, pure, majestic, having Fact for its basis, Induction for its pillar, and Truth alone for its Capital.

My Extract Sarsaparilla is a Blood Purifier ; my Extract Buchu is a Diuretic, and will act as such in all cases.

Both are prepared on purely scientific principles—in

seewo-and are the most active measures of either that can be made. A ready sud conclusive test will be a com-parison of their properties with those set forth in the following works: See Dispensatory of the United States. See Professor Dawans' valuable works on the Practice
