COLUMBIA DEMOCRAT.

Saturday Morning, Jan. 27, '66.

☞ To Advertisers.—Persons wishing advertisements inserted must hand them in early on Thursday morning to insure their insertion for that week.

☞ The Editor of this Journal, has gone to the Eastern Cities.

☞ Friendly visits—the lady who visited but twice a year and stayed six months each.

☞ Down in the mouth—the "Nigerheads," since the recent elections, in Washington and Georgetown.

☞ Dr. Ely, and Lady, are sojourning in Wilkes Barre—doing a large business,—and will again soon visit Bloomsburg.

☞ A protracted meeting is now in progress in the Baptist Church of this place. So far they have met with good success.

☞ "The Hazleton Sentinel," is a new paper published in Hazleton, Luzerne co., by John H. Stokes, Esq. It reads well and makes a very good appearance. Success to the Sentinel.

☞ Mr. Brandau, Photograher, in the Exchange Block, is master of his Art.—Pictures taken by him are perfect gems, and compare favorably with the productions of *the best city* artists. Mr. B. is, we are informed, doing an extensive business.

☞ *The Exchange Hotel*, in Wilkesbarre, kept by Messrs. Shiner & Stevens, is an excellent House. Everybody almost patronize it and are satisfied. Our friends cannot do better, when visiting Wilkes-barre, than to call at the "Exchange."

Dissolved.—The bloody partnership that has existed between Stanton, Holt & Baker, at Washington, for the past four years, was partly dissolved on the 11th inst., by the President mustering Baker out of the concern.

A Rumor.—We have information from Washington, to the effect that Secretary Stanton, like his ding Baker, is to be mustered out of the service by the order of the President, and that the war portfolio has been offered to General James B Steadman, now commander at Macon Georgia.

☞ Maj. P. C. Ellmorn, keeps No. 1 Restaurant under the Exchange Hotel in Wilkes-barre. Our young friend is a Columbia county Democrat, and will always be on hand to receive his old friends and new customers. Give him a call.

☞ We were somewhat disappointed this week in getting paper on which to print the Columbia Democrat. Capt Chalfant accommodated us with most of the present issue, a portion of which, we much regret to find when too late, is too small for our form. We hope to be all right next week.

High Rents.—Although the number of houses in town increases as if by magic, we hear of persons daily seeking "rooms to let;" and fabulous prices are paid for rent of dwellings. No safer or better paying investment of money could be made than to purchase lots in Bloomsburg, and erect buildings thereon.

Closed at Last.—The "friendly relations" existing for the past seven years, between Henry R. Johnson, Esq, of Baltimore, and Miss Harriet Lane—niece of Ex-President Buchanan—were brought to a close on Thursday last, at Wheatland, by a marriage ceremony being repeated to them, whereupon both said yes; and in this way settled the matter no doubt to the entire satisfaction of the parties concerned.

Moving.—We are pleased to see that the citizens of Washington, have nearly unanimously called upon President Johnson, to remove the Post Master, Assessor and other Federal office holders in that city, who so recently took such an active part against the white people in favor of the negro, in reference to black suffrage.

☞ A Washington dispatch of a day or two ago, contained the pleasant announcement (to newspaper men) that the Commissioner of Internal Revenue had decided that publishers of newspapers whose receipts therefrom exceed $1000 per annum, should be licensed as manufacturers, and such license will cover all sales of their manufactures at or from the place of publication, and also the printing and sale of bill heads, circulars, &c.

Something New.—We call attention to the advertisement of the Duplex Elliptic or double spring skirt. Though a recent invention it has become popular and is rapidly obtaining the preference over other kinds in use. The rods in it are composed each of two delicate and well tempered steel springs which are ingeniously braided together edge to edge, lower rods heavier and having a double covering peculiarly of construction makes this skirt very strong and durable and also exceedingly flexible that it rapidly adapts itself to the form of the wearer and allows of any amount of doubling and crushing without injury to its shape. These skirts are unquestionably the lightest most desirable comfortable and economical ever made. These are advantages which ladies who have experienced the discomfort and inconvenience of single springs will duly appreciate.

☞ A Washington correspondent says that a clerk in the Quartermaster General's office remarked the other day that he was not exactly in favor of decapitation, in the case of "Bill" Sumner, but he "would like to see him sent to his long home." On hearing of it, the Secretary of War immediately discharged him. So, it seems, that Stanton, when he goes to heaven, don't want to find Sumner there. Well, we can't help agreeing with the "Boss" in that anyhow.

☞ We call the attention of our readers to Hempstead's Photographic Card, published in to-day's paper. Our readers desiring good Pictures, will do well by calling on Mr. H., at his room in Hartman's Store, opposite the Post Office.

☞ The Shoddy State Central Committee met in Harrisburg yesterday and resolved to hold the Shoddy State Cvention on the 7th of March.
