"We have seen many flattering notices of this medicine, and the source from which they came induced us to make inquiry res-persuaded to use it, and must say we found it specific in its action upon disseases of the liver and digestive organs, and the powerful influence it exerts upon nervous prostration is really surgrising. It cams and strength-ens the nerves, bringing them into a state of repose, making sleep refreshing. If this medicine was more generally used, we are satisfied there would be less sickness, as from the stomach, liver and nervous sys-tem the great majority of real and imaginary disases emanate. Have them in a healthy condition, you can bid defiance to epidem-ies generally. This extraordinary medicine we would adviseur friends who are at all in-disposed to give a trial—it will then recom-mend itself.—It should, in fact, be in every family." DR. HOOFLAND'S GERMAN BITTERS.
The application of asciduous earth for the cure of Sulphuric diseases—The celebrated Diaphoretic remely—and numerous invaluable recorded recipes.
After the celebration of his fiftieth professional festivity in 1823, upon which occasion the King of Prussia. honored him with the insignia of the Order of the Red Eagle, and many other Royal Orders and marks of distinction, he died on the 25th day of August 1836, (as the King of Prussia's private Medical Counsellor,) without any leguignate male heir or offspring.
"Or. C. M. Jackson, of Philadelphia, has had the means of obtaining the genuine recipes of the great medical councellor 'Christoph Wilhelm Hufeland,' and these invaluable medicines are prepared with the utmost care at the German Medicine Store. The bitter mixture: Hooffand's German Bitters, is the result of many years study and experience by the great infailible remedy for the cure of *Liver Complaint Jaudice, Dysperia & C. T. C. M. Jackson's preparation of this medicine has obtained the esame celebrity in this Western World. The testimonials and innumerable confirmations of thousands of the most severe and dilicult casas cured, is ample proof of this. The medicines compounded by Dr. C. M. Jackson have produced the very effects and the same happy results, which the immortal inventor indicated, and intended, and consequently must be 'prepared' in Yerebra's for the semicons for the semicons compounded by Dr. C. M. Jackson have produced the very effects and the same happy results.* when the immortal inventor indicated, and intended, and consequently must be "prepar-ed with scrupulous accuracy. In view of the above facts it seems singular, that any body could have the hardihood and impu-dence to abuse the name of this distinguish-ed Doctor, who died thirteen years ago. To pass off a charlatan quack preparation as the real and genuine medicine, and to give a semblance of originality by affixing a fac ismile of the deceased, is indeed extraordi-nary! The public will understand what to expect, and what to do under such circum-stances."

A number of German papers copied the bove and are therefore entitled to our hanks.

These bitters are worthy the attention of invalids. Possessing great virtues in the rectification of disease of the liver and les-

ser glands, exercising the most searching powers in weakness and affections of the ligestive organs, they are withal, safe, cer ain, aud pleasant.
