Dr. Keeler's Celebrated Family Medicines.
Dr. Keeler is a regular graduate from one of the best medical schools of the country, and a practising physician of the city of Philadelphia. We take great pleasure in presenting these remedies to the afflicted. They are all of undoubted medical powers and hold out to the invalid a promise of relief, such as none other possess. They each have been thoroughly tried in a long successful private practice, and have established for themselves a reputation but few possess, and given better satisfaction to the afflicted than any of the boasted remedies of the day. In offering them to the public, the proprietor is influenced by no sinister motives of gain, but feels conscious that they are eminently deserving of public confidence. No medicines ever before the public have acquired such deserved reputation upon their merits alone, or appeal with such irresistible force to the invalid.
DR. KEELER'S PANACEA, For the removal and permanent cure of all diseases arising from an impure state of the Blood and habit of the body, viz:
Chronic diseases of the Chest, Pleurisy, Bronchitis, Catarrh, etc. Scrofula in all its forms, Tetter, Scald-head, Cutaneous affections of the face and neck, Chronic enlargements of the Joints, White Swelling, Syphilitic Affections, Constitutional disorders, arising from debility, Mercurial and Hereditary predispositions, &c.
In every change that is taking place in the body, it is manifest that it is brought about by something having a substantive existence. If we suppose the organs of our body originally perfect, they must continue perfect unless changed by the intervention of something that bears an unhealthy relation to it. In all cases of disease, therefore, it is not to interpose any medicine, which by playing its part as a course served to modify the properties before connected with the body. It is absurd to talk of spontaneous disease taking place in organs previously healthy, without the interposition of some morbid agent, as well might we expect a piece of cork to transfer itself spontaneously into Plaster of Paris, without the aid of Sulphuric Acid. In all disease there is a prior cause which must be removed, through the agency of the Blood. For this purpose there is no remedy superior to the PANACEA.
In the evidence the following is submitted to the public:
PHILADELPHIA, June 9th, 1847.
Having been apprised of the nature of the Panacea, it affords me much pleasure to be able to recommend it as a valuable remedy for those chronic, constitutional and glandular diseases, to which it is especially adapted. To those who are neglected, and require medicine as an alternative cannot obtain it in a more agreeable, active and uniform state, than is to be found in the Panacea. I have used it in several instances with decided and signal success. Yours &c.
Dr. ALBION M. D.,
For details certificates, see circular, &c.—Price \$1 per bottle, large size, 6 bottles \$5.

DR. KEELER'S COUGH SYRUP.
Among all the remedies before the public this stands pre-eminent for Coughs, Hoarseness, Whooping Cough, Pleurisy, Asthma, Spitting of Blood, and for all affections of the pulmonary organs occasioned by cold. To much praise cannot be bestowed upon this remedy, and the proprietor urges any one afflicted with any of the above complaints to secure it at once. It is warranted to cure or to pay. Price 50 cents.

Dr. Keeler's Coriand and Carminative.
Every family whether rich or poor, who values health and all its blessings, should have this invaluable remedy at hand. It is eminently the best remedy known for Diarrhoea, dysentery, cholera morbus, cholera infantum, cholera flatulency, griping pains, cramp, etc., and for all diseases of the stomach and bowels caused by Teething. The numerous testimonials from Physicians and others unsolicited, has given it a reputation as a firm as adamant. Price 25 cents per bottle.
