Dr. Keeler's Cordial & Carminative.

For the speedy cure of Diarrhea, Dysentery, Cholers Infantum, Cholera Morbus, all summer complaints, Cholic, Flatulency, and all derangements of the stomach and bowels from teething, &c.

Thousands die annually with diseases of the stomach and bowels from neglect. Among the numerous remedies both public & private, recommended for the above diseases none are equal to the Cordial. Years of experience and trials made with it in hundreds of cases, superadded to the voluntary testimony from physicians and others, gives it a character not to be unheeded by those cherishing the welfare of themselves and children. Speedily subduing the pain and inflammatory tendency, allaying irritability of the stomach, and constraining unhealthy evacuations, its operation is prompt and effectual.

Philadelphia, June 1, 1849.

Dr. J. N. Keeler—I received your note this morning asking for information as to the distribution I made of the package of cordial you put into my possession while in command of the U. States transport during the Mexican war According to your direction a part was distributed in Vera Cruz, the other I kept for the use of my seamen and others on board, beliving I should have use for it, as I had on board frequently from one to three hundred persons, and that many when leaving Mexico would be on the sick list.—Such was the fact, for Dysentery and Diarrhoea extensively prevailed; I used the cordial freely, and in not a single instance do I recollect of its having failed to cure. My own crew would often be attacked with Diarrhoa, Dysenterry, &c., peculiar to nearly allafter getting on shore and eating fruit and vegetables; in all such cases the cordial did not fail to cure speedily

When in New Orleans, a friend informed me of a Philadelphia gentleman, S. Churchman Esq. who was sick with the Dysentery, and despaired of by his doctor. I mentioned having a bottle or so of your cordial. I sent it to him, and in a few days I had the pleasure of seeing him well, I can give you many names and testimonials of the efficacy of your cordial if necessary. I have given it to one ship master of this port, in particular Capt Whipple, ship Monongahela, and he pleasure of seeing him well, I can give you many names and testimonials of the efficacy of your cordial from having used it with success in several instances, and I am now prepared to recommend your cordial from having used it with success in several instances, and I am now trying your Sa-saparilla Panacea in a case of protracted debility, attended with cough, apparently produced in the young lady by heroutgrowing her strength, to use a commou phrase. Mr Mellon Grubb, Juniper street, near Spruce, cured of Serofulous Ulcers on the shoulders, which had defied the doctors more than a year.

Mr Hiram Ridge, Attleboro', Bucks co., Pa., cured of Salt Rheum. This case had been pronounced incurable by some 12 or 14 physicians of the first standing—as a last resort had recourse to Cullen's Panacea, and was cured completely in a few months, after suffering 17 years—the disease had almost covered his entire person.

Henry Reeves, of Bridgeton, cured of the worst case of Scrofula ever seen in New Jersey, by 7½ bottles!

Thomas Wainwright, of Manyunk, cured of Scald Head; the disease extended over the whole scalp until it was an entire mass of corruption; and yet one bottle of the Panacea cured him.

We might add case after case, ad infinitum; but we think it unnecessary; presuming the afflicted will want more evidence han we can give in an advertisement, we again ask them to send to our office and get these certificates, from which you will learn the extraordinary sufferings of these persons, as well as the mode of cure:

Dear Sir; I have for years been afflicted with Asthma in the worst form; so that I have been beliged to sleep in my chair for a larger part of the time, being unable to breathe on my bed I had tried y great many medicines to no purpose, until my physician prescribed, as an experiment, your Cherry Pectoral

At first it seemed to make me worse, but in less than a week I began to experience the most gratifying relief from its use; and in four weeks the disease was entirely removed I can sleep on my bet with consfort, and enjoy a state of health which I never expected GEO 8 FARRANT
