SWAYNE'S VERMIFUGE.

A safe and effectual Remedy for Worms, Dyspepsia, Cholera Morbus, sickly or Dyspeptic Children or Adults, and the most useful Family Medicine ever offered to the public.

EXTRACT OF A LETTER TO DR. SWAYNE. Dated, Anderson, Indiana. A man purchased a bottle of your Vermifuge the other day for his child, and by its use it discharged 63 of the largest worms he had ever seen. It is so much more difficult to get the worms out, as they have so often been galled, by nauseous and worthless worm medicines. Yours being so very pleasant to the taste, at the same time effectual, I shall be able to dispose of a large quantity. Respectfully, yours, &c., TOWNSEND T. SHARP, P. M.

BEWARE OF MISTAKES.

Remember, Dr. Swayne's Vermifuge is now put up in square bottles, (having their label changed,) covered with a beautiful wrapper, (steel engraving,) with the portrait of Dr. Swayne thereon engraved. Bear this in mind, and be not deceived. CLEARSE AND PURIFY.

DR. SWAYNE'S SOGON COATED SARSAPARILLA & EXTRACT OF TAR PILLS—ATTENTIVE and efficacious purgative, great purifier of the blood, they correct all the functions of the Liver, and as an alternative Dropsical affections, they are very valuable. Giddiness of the head, dimness of sight, depression of spirits, headache, &c., are cured by these purifying Pills. No medicine can have a better effect for monthly irregularities, which occasionally happen to women; they are perfectly safe, and will in conjunction with Dr. Swayne's compound Syrup of Wild Cherry, take all pain and disease from every part of the system.

The above valuable medicines are prepared only by DR. SWAYNE, N. W. corner of EIGHTH and RACE Streets, Philadelphia.

AYER'S CHERRY PECTORAL.

For the Cure of COUGHS, COLDS, HOARSENESS, BRONCHITIS, CROUP, ASTHMA, WHOOPING-COUGH AND CONSUMPTION.

The uniform success which has attended the use of this preparation, its salutary effects, its power to relieve and cure affections of the Lungs, has gained for it a celebrity equalled by no other medicine. We offer it to the afflicted with entire confidence in its virtues, and the full belief that it will soothe and remove the severest attacks of disease upon the throat and Lungs. The results, as they become publicly known, very naturally attract the attention of medical men and philanthropists everywhere. What is their opinion of CHERRY PECTORAL may be seen in the following:

Valentine Mott, M. D., Professor Surgery, Medical College, N. Y., says: It gives me pleasure to certify to the value and efficacy of Ayer's Cherry Pectoral, which I consider peculiarly adapted to cure diseases of the Throat and Lungs.

The Rev. Lord Bishop Field writes in letters to his friend, who is sinking under an affection of the Lungs, Try the Cherry Pectoral, and if any medicine can give you relief with the blessing of God that will!

Chief Justice Estlin, of Louisiana, writes that a young daughter of his was cured of several severe attacks of Croup by the Cherry Pectoral.

Hartford, Jan. 26, 1848

Dear Sir: Having been rescued from a painful and dangerous disease by your medicine, gratitude prompts me to send you this acknowledgment not only in justice to you but for the information of others in like affliction.

A slight cold upon the lungs neglected at first, became so severe that spitting of blood, a violent cough and profuse night sweats followed, and fastened upon me I became emaciated, could not sleep, was distressed by my cough, and a pain through my chest, and in short had all the alarming symptoms of quick consumption. No medicine seemed at all to reach my case, until providentially I tried your Cherry Pectoral, which relieved and now has cured me.

Yours with respect, E. A. STUART Albany, N. Y. April 17, 1848.

Dear Sir: I have for years been afflicted with Asthma in the worst form; so that I have been obliged to sleep in my chair for a larger part of the time, being unable to breathe on my bed. I tried many great many medicines to no purpose, until my physician prescribed, as an experiment, your Cherry Pectoral.

At first it seemed to make me worse, but in less than a week I began to experience the most gratifying relief from its use; and in four weeks the disease was entirely removed. I sleep on my bed with comfort, and enjoy a state of health which I never expected. GEO S FARRANT Prepared by J. C. Ayer, Lowell, Mass Sold by E. P. LUTZ, Bloomsburg A. B. DR. KEELER'S Cordial & Carminative.

For the speedy cure of Diarrhoea, Dysentery, Cholera Infantum, Cholera Morbus, all summer complaints, Cholera, Flatulency, and all disorders of the stomach and bowels, arising from indigestion, &c.

Thousands die annually with diseases of the stomach and bowels from neglect. Among the numerous remedies both public and private, recommended for the above diseases none are equal to the Cordial. Years of experience and trials made with it in hundreds of cases, superadded to the voluntary testimony from physicians and others, gives it a character not to be exceeded by those cherishing the welfare of themselves and children. Speedily subduing the pain and inflammatory tendency, allaying irritability of the stomach, and constraining unhealthy evacuations, its operation is prompt and effectual.

That it will cure, and has cured, the worst form of disease of the stomach and bowels, read the following evidence:

Dr. J. N. Keeler writes in your note this morning asking for information as to the distribution I made of the package of cordial you put into my possession while in command of the U. States transport during the Mexican war. According to your direction a box was distributed in Cuba, the contents of which I kept for the use of my seamen and others on board, believing I should have use for it, as I had on board frequently from one to three hundred persons, and that many when leaving Mexico would be on the sick list.—Such was the fact, for Dysentery and Diarrhoea extensively prevailed; I used the cordial freely, and in not a single instance do I recollect of its having failed to cure. My own crew would often be attacked with Diarrhoea, Dysentery, &c., peculiar to nearly all after getting on shore and eating fruit and vegetables; in such cases the cordial did not fail to cure speedily.

When in New Orleans, a friend informed me of a Philadelphia gentleman, S. Churchman Esq., who was sick with the Dysentery, and despaired of by his doctor. I mentioned having a bottle or so of your cordial, and he informed me he would not be without it. I think it is the safest and best medicine that I have ever known to be used in affections of the stomach and bowels.

I remain yours, respectfully,

D. D. Wilcox, 288 S Eighth street Davysville, Bucks Co, Aug 25, 1847

Dear Sir:—I am now prepared to recommend your cordial from having seen it with success in several instances, and I am now trying your Sarsaparilla Pills in a case of protracted debility, attended with cough, apparently produced in the young lady by her mother's cold. I would be glad to hear of your success in strength, and my wife on phrase. Yours, A. EARLE, M. D. From the Upland Union.

We are as little disposed as most persons to encourage appeals to law or medicine, but with all the ignorance and quackery of the last, appeals are made occasionally, and in some cases excessive heat and the accompanying productions of the season are already producing Diarrhoea, Dysentery and cholera Infantum, complaints which if not promptly relieved produce great debility and frequent death. From a knowledge of its beneficial effects, we refer to Dr. Keeler's Cordial and Carminative, advertised in this paper. Dr. Keeler is a physician of intelligence, skill, and large practice, and if the remedies and commendations of medical authority are to be depended on the above named article will be found useful in the complaints referred to.

ALSO Dr. Keeler's Sarsaparilla, a medicine of great efficacy in freeing the system from all diseases arising from impurities of the blood. In chronic diseases of the chest, stomach, liver and skin it is of great benefit. Females suffering with nervous debility loss of appetite, costiveness, pain of the chest, functional obstructions will find a positive cure in the Sarsaparilla. See pamphlets. Price \$1.

All of the above celebrated and extensively used medicines, are prepared and sold wholesale and Retail, 294 Market Street, Philadelphia.

For sale also by J. R. MOYER, Bloomsburg; Chalfant & Hughes, and Dr. J. A. Moore, Danville; E. Francis, Jersey Shore; and by Druggists and Merchants throughout the County and State.
