

WATER'S CHERRY PECTORAL. For the Cure of COUGHS, COLDS, HOARSENESS, BRONCHITIS, CROUP, ASTHMA, WHOOPING-COUGH AND CONSUMPTION.

The uniform success which has attended the use of this preparation, its salutary effect, its power to relieve and cure affection of the Lungs, have gained for it a celebrity equalled by no other medicine. We offer it to the afflicted with entire confidence in its virtues, and the full belief that it will subdue and remove the severest attacks of disease upon the throat and Lungs.

Valentine Mott, M. D., Professor Surgery, Medical College, N. Y., says: "It gives pleasure to certify to the value and efficacy of Ayer's Cherry Pectoral, which I consider peculiarly adapted to cure diseases of the Throat and Lungs."

Chief Justice Estlin, of Louisiana, writes that a young daughter of his was cured of several severe attacks of Croup by the Cherry Pectoral.

Dear Sir: Having been rescued from a painful and dangerous disease by your medicine, gratitude prompts me to send you this acknowledgment not only in justice to you but for the information of others in like affliction.

A slight cold upon the lungs neglected at first, became so severe that spitting of blood, a violent cough and profuse night sweats followed and fastened upon me. I became emaciated, could not sleep, was distressed by my cough, and a pain through my chest, and in short had all the alarming symptoms of consumption. No medicine seemed at all to reach my case, until providentially I tried your Cherry Pectoral, which relieved and now has cured me.

Dear Sir: I have for years been afflicted with Asthma in the worst form; so that I have been obliged to sleep in my chair for a larger part of the time, being unable to breathe on my bed. I had tried every medical medicine to no purpose, until my physician prescribed, as an experiment, your Cherry Pectoral.

At first it seemed to make me worse, but in less than a week I began to experience the most gratifying relief from its use; and in four weeks the disease was entirely removed. I can sleep on my bed with comfort, and without a state of health which I never expected.

RE PROVES THE EFFICACY OF DR. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY.

His case of consumption is well known here, and of long standing; he attributes his cure entirely to your Compound Syrup of Wild Cherry."

DR. SWAYNE'S VERMIFUGE. A safe and effectual remedy for Worms, Dyspepsia, Cholera Morbus, and the most useful Family Medicine ever offered to the public.

EXTRACT OF A LETTER TO DR. SWAYNE. Dated, Anderson, Indiana. A man purchased a bottle of your Vermifuge the other day for his child, and by its use it discharged 63 of the largest worms he had ever seen. It is somewhat difficult to get the people to try it, as they have so often been gulled by nauseous and worthless worm medicines. Yours being so very pleasant to the taste, and at the same time effectual, I shall be able to dispose of a large quantity. Respectfully, yours, &c., TOWNSEND T. SHANE, P. M.

Remember: Dr. Swayne's Vermifuge is now put up in square bottles, (having recently been changed) covered with a beautiful wrapper, (steel engraving,) with the portrait of Dr. Swayne thereon engraved. Bear this in mind, and do not be deceived. CLENSIE AND PERRY.

DR. SWAYNE'S SUGAR COATED SARSAPARILLA. DR. S. P. TOWNSEND'S COMPOUND EXTRACT OF SARSAPARILLA. The most Wonderful Medicine of the Age. 1,500,000 BOTTLES MANUFACTURED YEARLY.

EXPOSE. BY READING THE FOLLOWING AFFIDAVIT. The public are hereby notified that the following is the true and correct copy of the original and only true recipe for making the stuff they call Dr. Jacob Townsend's Sarsaparilla, and which has gained a reputation that no other remedy has.

READ THE AFFIDAVIT. City and County of New York, ss. William Armstrong, of the said City, being duly sworn, deposes and says that he is a regular Druggist and Chemist. That some time in the latter part of May, or first of June, 1848, a man by the name of Jacob Townsend, of the name of Townsend, and a pamphlet peddler called upon him at the house of Dr. Townsend, of the name of Townsend, and requested him to write him a recipe by which to make a Syrup of Sarsaparilla, and which he had heard of, and which he had heard of, and which he had heard of.

Col. Forney of the Pennsylvanian, says: "Worsell's Pills.—This excellent family medicine is daily winning new triumphs over disease, and consequently in the high road to public favor. In the removal of the every day ills that flesh is heir to, we know of no better compound. We heard the other day of a desperate case of scrofulous eruptions of the head and face being entirely cured by them."

Du Salle of the "Times," says: "The great popularity of Worsell's Vegetable Pills, is attributed to the just merit which they really possess. They have been quietly gaining the fame they now have by the force of their own virtues. The means usually employed to give relief to new remedies have not been adopted by the proprietors. They have been content to let their medicine speak for itself. It is now doing it in every section of the country."

Agents, JOHN R. MOYER, Bloomsburg; E. Lazarus, Orangeville; M. G. Shoemaker, Buckhorn; Funston & Diefenbach, Jerseytown; M. C. Grier, Danville; C. Hartman & Co., Catawissa; and by most merchants throughout the country.
