Dr. Swayne's Compound Syrup of Wild Cherry.

Another Home Certificate.

Great Cure of Edward Hanson, Engineer, at Wall Street, New York.

More substantial evidence of the wonderful curative properties of

Dr. Swayne's Compound Syrup of Wild Cherry.

PHILADELPHIA, April 15, 1880.

Dr. Swayne—Dear Sir:—Being severely afflicted with a violent cold and cough, which settled upon my lungs attended with great debility, soreness in my side, that I could scarcely breathe, spitting of blood, no appetite, could get no rest at night, owing to the severity of my cough, would spit much as a pint of blood at a time. This morbid state of things continued until I almost despaired of being cured, having tried physicians and numerous things without relief; but having heard of the great virtues of your Compound Syrup of Wild Cherry, and its being approved of by physicians of the first eminence, I concluded to make a trial of it, and am happy to state that three bottles performed a perfect cure; my sleep is now untroubled and sweet, and I firmly believe that to your medicine I am indebted for this great cure.

I shall be glad to communicate with any person on the subject who may be pleased to call on me, and corroborate what I have said in the above certificate, at the factory or my residence.

Yours, most respectfully,

EDWARD HANSON.

The above certificate is from a man well known by a large portion of our citizens. Those who doubt the truth of it, are invited to call and satisfy themselves that it is an authentic, indisputable and living testimony to the great virtues of Dr. Swayne's Compound Syrup of Wild Cherry.

BE VERY PARTICULAR to get the original and only genuine preparation of Wild Cherry, as prepared by Dr. SWAYNE, N. W. Corner of Fifth and Chestnut Streets, Philadelphia; all others are "fictitious and counterfeit."

SWAYNE'S VERMIFUGE.

A safe and effectual remedy for Worms, Dyspepsia, Cholera Morbus, sickly or Dyspeptic Children or Adults, and the most useful Family Medicine ever offered to the public.

This Vermifuge is one which has proved successful for a long time and it is universally acknowledged by all who have tried it to be far superior (being so very pleasant to the taste at the same time effectual) to any other medicine ever employed in diseases for which it is recommended. It not only destroys but invigorates the whole system.

BEWARE OF MISTAKES! Remember, Dr. Swayne's Vermifuge is now put up in square bottles. See that the name is spelt correctly—SWAYNE.

"GREAT PURIFIER OF THE BLOOD."

Dr. Swayne's Sugar Coated Sarsaparilla and Turbidity, as a gentle purgative, producing a healthy state of the Liver, and Bowels acting as an Alternative, changing the state of coarseness, which is very common to some individuals, and for the irregularities incident to females they are very valuable.

The People's Friend.

T. T. POND'S, OF UTICA, NEW YORK.

Pain Destroyer and Healing Extract.

An extract from the shrub called Witch Hazel, and purely from that with the exception of a little Alcohol to preserve it.

It will cure all lacerations, old sores, fresh wounds and bruises, Piles, and all diseases of the bowels of a chronic nature, tooth-ache and ear-ache, &c., &c.

It is truly what it professes to be, "the People's Friend." Providence has scattered abroad this wonderful medicine, for many things that contribute greatly to the comfort and happiness of every body; hence their great value, and well may they be called "friends of the people."

One word here to guard against imposition. A man by the name of Spooner, has manufactured and offered for sale a spurious article called the *Coryll Extract*,—that would be extract of the hazel-nut,—the genuine is as white and pure as water, while the spurious article is colored, which enables the public to distinguish.

None genuine, but those marked Pond's Pain Destroyer. For sale by

Wm. Robinson, Bloomsburg, John Jessup, Shicksperry, Chaffant & Hughes, Danville, Seth B. Bowman, Berwick, Fowler & Tremby, Epsworth.

VATER'S CHERRY PECTORAL.

For the Cure of COUGHS, COLDS, HOARSENESS, BRONCHITIS, CROUP, ASTHMA, WHOOPING-COUGH AND CONSUMPTION.

The uniform success which has attended the use of this preparation; its salutary effects in relieving and curing affections of the Lungs, have gained for it a celebrity equalled by no other medicine.

We offer it to the afflicted with entire confidence in its virtues, and the full belief that it will subside and remove the severest attacks of disease upon the throat and Lungs.

They become publicly known, very naturally attract the attention of medical men and philanthropists everywhere. What is their opinion of VATER'S CHERRY PECTORAL may be seen in the following:

Valentine Mott, M. D., Professor Surgery, Medical College, N. Y., says:

"I have pleasure in certifying to the value and efficacy of VATER'S Cherry Pectoral, which I consider peculiarly adapted to cure diseases of the Throat and Lungs."

The Rev. Lord Bishop Field writes in letter to his friend, who was writing under the name of the Rev. Dr. Field, the Cherry Pectoral, and if any medicine can give you relief with the blessing of God that will!

Chief Justice Estlin, of Louisiana, writes that a young daughter of his was cured of several severe attacks of Croup by the Cherry Pectoral.

Hartford, Jan. 26, 1848.

Dear Sir: Having been rescued from a painful and dangerous disease by your medicine, I gratefully acknowledge to you this acknowledgment not only in justice to you but for the information of others in the affliction.

A slight cold upon the lungs neglected at first, became so severe that spitting of blood, a violent cough and profuse night sweats followed and fastened upon me. I became emaciated, could not sleep, was distressed by my cough, and pain through my chest, and in short had all the alarming symptoms of quick consumption. No medicine seemed at all to reach my case, until providentially I tried your Cherry Pectoral, which relieved and now has cured me.

Yours with respect, F. A. STUART

Albany, N. Y., April 17, 1848.

Dear Sir: I have for years been afflicted with asthma in the worst form; so that I have been obliged to sleep in my chair for a larger part of the time, being unable to breathe on my bed. I had tried every medicine to no purpose, until my physician prescribed, as an experiment, your Cherry Pectoral.

At first it seemed to make me worse, but in less than a week I began to experience the most gratifying relief from my asthma. In a few weeks the disease was entirely removed. I can sleep on my bed with comfort, and enjoy a state of health which I never expected. GEO. S. FARRANT

Dr. Cullen's PANACEA.

The afflicted are invited to call and see Mr. Isaac Brooks, Jr., at the corner of Third and Wilcox streets, and Miss Christina Sandy, Beach street below Spruce street, on the Schuylkill. These two persons have been snatched from the very jaws of the destroyer, through the agency of that most potent of all medicines, DR. CULLEN'S INDIAN VEGETABLE PANACEA.

Dr. Cullen's Panacea is the only certain cure for Scrophulous or King's Evil, Tetters, Erysipelas, Old Sores and Ulcers, Mercurial Diseases, and all other affections, cutaneous or otherwise, arising from impurities of the blood.

In the extraordinary cure of Mr. Brooks, people who visit him, hold up their hands in astonishment, that any medicine could have arrested this disease—then go away resolved to receive Dr. Cullen's Indian Vegetable Panacea to every one they hear of who has need of a purifying medicine.

So with Christina Sandy—her cure of Scrophulous sore throat was quite as extraordinary as Mr. Brooks', when we reflect that from the disease she died or coffee would frequently pass out of her ears, while attempting to drink. (See her certificate.)

The people are beginning to understand, too, that the various Syrups of Sarsaparilla are little better than molasses, and that it is madness to throw away money on articles which, under the name of Sarsaparilla, are common to every impression on the system until several gallons have been swallowed. One bottle of Dr. Cullen's Panacea seldom fails to produce conviction in the minds of patients that a radical cure is certain.

Thus, it is necessary, an ally to medicine, springs up at the outset, and the patient is cured before any other preparation could have made the slightest impression upon the disease!

In fact, the twelve ounce bottles of Dr. Cullen's Panacea, compared with the pint and quart bottles of other preparations, are very economical in the proportion of gold to copper. Those who would prefer a penny to a half eagle, on account of its size, would make a poor selection to say the least.

Sarsaparilla a good purifier! Dr. Cullen's Panacea contains its extract in its most concentrated form. Added to this are other extracts, more active and powerful, and which effect in combination with the Sarsaparilla, what the latter article, or combined with the most powerful purifiers, cannot alone accomplish.

It has cured where everything else had failed and this in a multitude of cases—not in Europe or in the moon, (where so many great cures have been performed,) but in Philadelphia and other parts of the United States. And it is distinctly understood that we do not obtain our extracts by "boiling 400 gallons down to one," it being known to every druggist's apprentice that boiling destroys the essential virtues of medicinal plants and roots.

THE GREATEST BECAUSE THE BEST FAMILY MEDICINE IN THE WORLD

IS WOODS' VEGETABLE RESTORATIVE PILLS, they have succeeded in curing some of the worst cases of disease ever recorded, and are daily accomplishing the restoration of persons after having tried in vain to obtain relief from any other source.

One of the Proprietors is a regular physician of extensive experience, who devotes his time exclusively to their preparation. For FEVER & AGUE, they have never yet failed. At least one thousand cases in the neighborhood of Philadelphia, have been cured since the first of Sept., last. In Dyspepsia, Rheumatism, Liver Complaint, Scrophulous, for Worms, and all other diseases of children, they are unequalled by anything ever prepared for the purpose, while for the various diseases of Females there is no medicine can compare with them. There is more of them sold—they are in greater demand than any other pill—and when once introduced in a family, they need no other medicine. Each box containing Fifty Pills, renders them the cheapest, while they are decidedly the best, as well as the mildest in action, of any now in the market.

The Editor of the "City Item," thus speaks of them:

"I have been suffering from fever and ague, and you have never tried Woods' Vegetable Restorative Pills. Shake no more. They are still hope for you—you may be cured. Go, or send at once to A. Weeks & Co., 70 North Eighth street, and procure a box of these unrivaled pills, which are a sovereign antidote for this distressing complaint."

Col. Forney of the Pennsylvania, says:

"WOODS' PILLS.—This excellent family medicine is daily winning new triumphs over disease, and consequently in the high road to public favor. In the removal of the every day ills that flesh is heir to, we know of no better compound. We heard the other day of a desperate case of scrophulous eruptions of the head and face being entirely cured by them."

Dr. Sallie of the "Times," says:

"The great popularity of Woods' Vegetable Pills, is attributed to the just merit which they really possess. They have been quietly gaining the fame they now have, by the force of their own virtues. They are usually employed to give relief to new remedies have not been adopted by the proprietors. They have been given to let their medicine speak for itself. It is now doing it in every section of the country. They are for sale by most of the Storekeepers throughout the Country, and in quantities at reasonable rates, at the Laboratory No. 79, North Eighth Street."
