TELEGRAPHIC NEWS

FROM THE BLOOMSBURG OFFICE.

Death of Gen. Brooke.

WASHINGTON, March 21.—The War Department received intelligence to-day that Gen. Brooke had died at San Antonio, Texas.

Two Weeks later from California.

New York, March 21.

The steamer Crescent, which left Chicago 11th and Kingston 13th of March, bringing San Francisco dates to the 15th ult. and having on board \$317,272 91 in gold dust, arrived here to-night.

Since the departure of the last steamer from Panama the Indian difficulties have been on the increase, rather than otherwise, and murders and reports of hostilities, collisions and battles have been rife.

Efforts have been made in the Legislature to raise funds and State troops for carrying on the war. One of the Governor's aids, J. Kelly Johnson, Esq., has been despatched by his Excellency to the scene of disturbances, to act on the part of the State. Authority has been given to raise a force of volunteers.

Our Legislature has been battling for a number of things, but has won few victories. Longing for the office of United States Senator, for establishing the further seat of government, for ousting each other out of their legislative saddles, &c., have been the chief preoccupations of our legislators.

They have fixed upon next Monday as the day to elect a Senator to the seat of Col. Fremont after the 4th day of March next. Some believe Mr. King will be elected, some Mr. Haydenfield, while others have growing faith in Mr. Fremont's success, in whose favor there has been an undoubted reaction on the part of many.

A Shipwreck.

Boston, March 22.—Ship Euphrates, arrived at New Bedford last evening, reports when 70 miles out, off Montauk Point, on Monday he saw a large merchant ship with painted ports lying to, in a heavy gale.

On Tuesday, the wind still continuing heavy from the northeast the ship standing north, was, he soon became surrounded with the fragments of a wreck, and he grappled with the broad side of a ship with painted ports. He was compelled to cast it off on account of the heavy sea.

The captain is of the opinion that the ship of Monday must have went to pieces in the gale and all on board perished. She was evidently new.

The Mississippi Governor of Virginia, &c.

Baltimore, March 22, 9 P. M.—The southern mail has arrived with New Orleans dates to the 10th inst., by which we learn that the Mississippi river was so very high that it was deemed expedient to send out forces to strengthen the levee.

The Virginia Legislature yesterday elected Col. Jos. Johnson, of Harrison County, as Governor.

A series of resolutions were presented to the lower House of the Virginia Legislature, yesterday, sympathizing with South Carolina, but agreeing to the requirements of the compromise, and pledging support to the Union; also denouncing the late conduct of Vermont. They were, on motion, laid on the table.

Cooper, who shot five men at Portsmouth, Virginia, a few days since, has been held to bail.

Jenny Lind Furor in St. Louis.

St. Louis, March 22.—The Swedish Nightingale creates great excitement in this city. She will remain here longer than she at first intended. So great are the demands for tickets that they command on an average, a premium of five dollars.

Outrage in St. Lawrence County.

Utica, March 22.—A number of persons, disguised, and with a supply of tar and feathers prevented the officers from selling property levied on for military fines. The sale was stopped, and the officers beaten.

DEATH OF JUDGE BURNSIDE.

We regret to announce that this venerable man, one of the Judges of the Supreme Court of Pennsylvania, died yesterday afternoon, at 6 o'clock, at Germantown, in this county. To the last his intellects remained clear, and when he died, he met death with a calm and a long and useful public life, occupied by the various duties of legislator and Judge, gave him great opportunities of knowing the people and the interests of the State. In all the positions he occupied, he never failed to be worthy of the trust confided to him. He died at an advanced age, full of years and full of honor. Peace to his ashes—Pennsylvanian of the 26th inst.

MURDER CONVICTED.—The jury in the case of Martin Puffer, tried at Orwigsburg for the murder of his wife, in Schuylkill Haven, some months ago, rendered a verdict, on Thursday, of guilty of murder in the first degree. Sentence of death was immediately passed upon him. The prisoner made quite a long speech to the Court and jury, acknowledging the murder, but alleging that he committed it in a temporary fit of insanity.

Constable Derr arrested on Saturday last, at Haas' tavern, in Montour county, a man named Robison, who broke Jail in Lock Port, N. Y., a few weeks ago. The fellow made a desperate resistance and embellished the countenance of Mr. Derr with some cuts illustrative of his prowess. He was lodged in jail in this place, on Saturday night, where he awaits the requisition of the Governor of New York—Sundbury American.

Both branches of the legislature of this State have agreed to adjourn on the 15 of April.

SEQUEL TO THE

MEMOIRS OF A PHYSICIAN.

BY ALEXANDER DUMAS.

The Queen's Necklace,

Or the Secret History of the Court of Louis XVI.

THIS work is the sequel to Dumas' celebrated work "The Memoirs of a Physician," by Alexander Dumas, author of "The Iron Mask," "Count of Monte Cristo," &c. Translated from the French by Charles Williams, Esq., with beautifully illustrated vignettes and portraits. Complete in two large octavo volumes. Price 50 cents a volume.

This novel is founded on the celebrated incident of the diamond necklace, which Cardinal Colman purchased as he supposed, for Maria Antonette, but which fell into the hands of a female sharper, who personated the Queen, and so duped the poor cardinal. Dumas always writes with spirit. The present is better than most novels now-a-days, and we recommend it as an agreeable companion for a railroad car, or a rainy afternoon.
