Sears' New Monthly Family Visitor,

For the Home Circle.

Fifty cents per annum, in advance, (including a large engraving of the City of New York, which sells alone for Fifty Cents.)

DEVOTED to Literature, the Arts, Sciences, Agricultural, Education, &c., &c. The first number was issued in January last.

A Monthly Journal principally literary and miscellaneous, embellished with beautiful and meritorious engravings, designed to furnish the heads of families, as well as the youth of both sexes, with a variety of entertaining and instructive information, which will not merely possess the negative quality of not being injurious, but in which the positive one of being really useful will alone be found; giving a healthy tone of feeling to their minds, and becoming instrumental, it is hoped, in rendering them more happy in themselves and in their families—more useful in the various relations of life which they sustain—better members of society at large, and preparing them for a state where all is absolute perfection. One particular feature of this New Monthly publication will be an entire freedom from all sectarian spirit, and a careful avoidance of political and controversial subjects in its pages—an upholder of truth and virtues—with no doubtful morality marring its pages—suitable for all, and proper to be read at all times.

All the important movements and events of the times will receive attention, and the news of the month carefully gleaned and chronicled.

Our object is to introduce it extensively among all classes, and secure for it a large circulation and field of usefulness. It will be furnished at the low price of

ANOTHER SCIENTIFIC WONDER

PEPSIN!

THE TRUE DIGESTIVE FLUID,

OR

GASTRIC JUICE.

A Great Dyspepsia curer, Prepared from RENNET, or the fourth Stomach of the Ox, after directions of Baron Liebig, the great Physiological Chemist, by J. S. Houghton, M. D., No. 11, North Eighth Street, Philadelphia, Pa.

This is a truly wonderful remedy for Indigestion, Dyspepsia, Jaudice, Liver Complaint, Constipation, and Debility, Curing after Nature's own method, by Nature's own agent, the Gastric Juice.

☞ Half a spoonful of this Fluid, infused in water, will digest or dissolve, *Five Pounds of Roast Beef in about two hours*, out of the stomach.

DIGESTION.

Digestion is Chiefly performed in the stomach by the aid of a fluid which freely exudes from the inner coat of that organ, when in a state of health, called the Gastric Juice. This fluid is the Great solvent of the Food, the Purifying, Preserving, and Stimulating Agent of the stomach and intenstines. Without it there will be no digestion,—no conversion of food into blood, and no nutrition of the body; but rather a foul, torpid, painful, and destructive condition of the whole digestive apparatus. A weak, half dead, or injured stomach produces no good Gastric Juice, and hence the disease, distress and debility which ensue.

PEPSIN AND RENNET.—Pepsin is the chief element, or great Digesting Principle of the Gastric Juice. It is found in great abundance in the solid parts of the human stomach after death, and sometimes causes the stomach to digest itself, or eat itself up. It is also found in the stomach of animals, as the ox, calf, &c. It is the material used by farmers in making cheese, called Rennet, the effect of which has long been the special wonder of the dairy. The curdling of milk is the first process of digestion. Rennet possesses astonishing power. The stomach of a calf will curdle nearly one thousand times its own weight of milk. Baron Liebig states that, 'One part of Pepsin dissolved in sixty thousand parts of water, will digest meat and other food." Diseased stomachs produce no good Gastric Juice Rennet or Pepsin. To show that this want may be perfectly supplied, we quote the following

SCIENTIFIC EVIDENCE!

BARON LIEBIG, in his celebrated work on Animal Chemistry, says: "An Artificial Digestive Fluid analagous to the Gastric Juice, may be readily prepared from the mucous membrane of the stomach of the Calf, in which various articles of food, as meat and eggs, will be softened, changed, and digested, just in the same manner as they would be in the human stomach."

Dr. Pereira, in his famous treatise on "Food and Diet," published by Fowlers & Wells, New York, page 35, states the same great fact, and describes the method of preparation. There are few higher authorities than Dr. Pereira.

Dr Combe, in his valuable writings on the "Physiology of Digestion," observes that "a diminution of the due quantity of the Gastric Juice is a prominent and all prevailing cause of Dyspepsia;" and he states that "a distinguished professor of medicine in London, who was severely afflicted with this complaint finding every thing else to fail, had recourse to the Gastric Juice, obtained from the stomach of living animals, which proved completely successful."

Dr. Graham, author of the famous works on "Vegetable Diet," says: "it is a remarkable fact in physiology, that the stomachs of animals, macerated in water, impart to the fluid the property of dissolving various articles of food, and of effecting a kind of artificial digestion of them in no wise different from the natural digestive process."

Dr. Simon's great work, the "Chemistry of Man," (Lea & Blanchard, Phila., 1846, pp. 321-2): "The discovery of PEPSIN forms a new era in the chemical history of Digestion. From recent experiments we know that food is dissolved as rapidly in an artificial digestive fluid, prepared from Pepsin, as it is in the natural Gastric Juice itself."

Professor Dunglison of the Jefferson College, Philadelphia, in his great work on Human Physiology, devotes more than fifty pages to an examination of this subject. His experiments with Dr Beaumont, on the Gastric Juice, obtained from the living human stomach and from animals are well known. "In all cases," he says, "digestion occurred as perfectly in the artificial as the natural digestions."

As a DYSPEPSIA CURER, Dr Houghton's preparation of Pepsin has produced the most marvellous effects, curing cases of Debility, Emaciation, Nervous Decline, and dispeptic Consumption, supposed to be on the very verge of the grave. It is impossible to give the details of cases in the limit of this advertisement—but authenticate certificates have been of more than *two hundred Remarkable Cures*, in Philadelphia, New York, and Boston alone. These were nearly all desperate cases, and the cures were not only rapid and wonderful, but permanent.

It is a great Nervous Antidote, and particularly useful for tendency to billious disorder, Liver Complaint, Fever and Ague, or badly treated Fever and Ague, and the evil effects of Quinine, Mercury, and other drugs upon the Digestive organs, after a long sickness. Also, for excess in eating, and the too free use of ardent spirits. It almost reconciles Health with Intemperance.

OLD STOMACH COMPLAINTS.—There is no form of Old Stomach Complaints which it does not seem to reach and remove at once. No matter how bad they may be, it gives *Instant Relief!* A single dose removes all the unpleasant symptoms, and it only needs to be repeated, for a short time, to make these good effects permanent. Purity of Blood and Vigor of Body, follow at once. It is particularly excellent in cases of Nausea Vomiting, Cramps, Soreness of the pit of the Stomach, distress after eating, low, cold state of the Blood, Heaviness, Lowness of Spirits, Despondency, Emanciation, Weakness, tendency to Insanity, Suicide, &c.

Price, ONE DOLLAR per bottle. One bottle will often effect a lasting cure.

PEPSIN IN POWDERS,

☞ *Sent by Mail Free of Postage.*

For convenience of sending to all parts of the country, the Digestive Matter of the Pepsin is put up in the form of Powders, with directions to be dissolved in water or syrup, by the patient. These powders contain just the same matter as the bottles, but twice the quantity for the same price, and will be sent by mail, Free of Postage, for One Dollar sent (post-paid) to Dr J S Houghton, No 11 North Eighth street Philadelphia, Pa.

For the Cure of

COUGHS, COLDS, HOARSENESS, BRONCHITIS, CROUP, ASTHMA, WHOOPING-COUGH AND CONSUMPTION.

In offering to the community this justly celebrated remedy for diseases of the throat and lungs, it is not our wish to trifle with the lives or health of the afflicted, but frankly to lay before them the opinions of distinguished men & some of the evidences of its success from which they can judge for themselves. We sincerely pledge ourselves to make no wild assertions or false statements of its efficacy, nor will we hold out any hope to suffering humanity which fac s will not warrant.

Many proofs are here given, and we solicit an inquiry from the public into all we publish, feeling assered they will find them perfectly reliable, and the medicine worthy the best confidence and patronage.

PROF. CLEVELAND, of Bowdoin College, Maine,

Writes—"I have witnessed the effects of your 'CHERRY PECTORAL' in my own family and that of my friends, and it gives me satisfaction to state in its favor that no medicine I have ever known has proved so eminently successful in curing diseases of the throat and lungs."

REV. DR. OSGOOD

Writes—"That he considers 'Cherry Pectoral' the best medicine for Pulmonary Affections ever given to the public,' and states that 'his daughter after being obliged to keep the room four months with a severe settled cough accompanied by raising of blood, night sweats, and the attendant symptoms of Consumption, commenced the use of the 'Cherry Pectoral,' and had completely recovered."

EX—CHANCELLOR KING,

of New York says. "I have been a great sufferer with Bronchetis, and but for the use of the 'CHERRY PECTORAL' might have continued to be so for many years to come, but that has cured me and I am happy to bear testimony to its efficacy."

From such testimony we ask the public to judge for themselves.

HEAR THE PATIENT,

Dr. Ayer—Dear Sir; For two years I was afflicted with a very severe cough, accompanied by spitting of blood and profuse night sweats. By the advice of my attending physician I was induced to use your Cherry Pectoral, and continue to do so till I considered myself cured, and ascribe the effect to your preparation.

JAMES RANDALL,

Hamden co. Springfield, Nov. 27, 1848.

This day appeared the above named James Randall, and pronounced the above statement true in every respect.

THE REMEDY THAT CURES.

PORTLAND, Me, Jan. 10, 1847.

Dr. Ayer; I have been long afflicted with Asthma which grew yearly worse until last autumn, it brought on a cough which confined me in my chamber; and began to assume the alarming symptoms of consumption. I had tried the best advice and the best medicine to no purpose, until I used your Cherry Pectoral, which has cured me, and you may well believe me. Gratefully yours, J. D. PHELPS,

If there is any value in the judgment of the wise, who speak from experience, here is a medicine worthy of the public confidence,

Dr. Cullen's PANACEA.

The afflicted are invited to call and see Mr Isaac Brooks, Jr., at the corner of Third and Wilcox streets, and Miss Christiana Sands, Beach street below Spruce street, on the Schuylkill. These two persons have been snatched from the very jaws of the destroyer through the agency of that most potent of all medicines, *DR. CULLEN'S INDIAN VEGETABLE PANACEA.*

Dr Cullen's Panacea is the only certain cure for Scrofula or King's Evil, Tetter, Erysipelas, Old Sores and Ulcers, Mercurial Diseases, and all other affections, cutaneous or otherwise, arising from impurities of the blood.

In the extraordinary cure of Mr. Brooks, people who visit him, hold up their hands in astonishment, that ANY medicine could have arrested his disease—then go away resolved to recommend Dr Cullen's Indian Vegetable Panacea to every one they hear of who has need of a purifying medicine.

So with Christiana Sands—her cure of Scrofulous sore throat was quite as extraordinary as Mr. Brooks', when we reflect that from the disease her tea or coffee would frequently pass out of her ears, when attempting to drink. [See her certificate.]

The people are beginning to understand, too that the various Syrups of Sarsaparilla are little better than molasses, and that it is madness to throw away money on articles which, under the most favorable circumstances, do not produce any impression on the system until several gallons have been swallowed. One bottle of Dr. Cullen's Panacea seldom fails to produce conviction in the minds of patients that a radical cure is certain.

Thus hope, [so necessary an ally to medicine,] springs up at the outset, and the patient is cured before any other preparation could have made the slightest impression upon the disease!

In fact, the twelve ounce bottles of Dr. Cullen's Panacea, compared with the pint and quart bottles of other purifiers, are valuable about in the proportion of gold to copper. Those who would prefer a penny to a half eagle, on account of its size, would make a poor selection to say the least.

Sarsaparilla a good purifier! Dr. Cullen's Panacea contains its extract in its most concentrated form. Added to this are other extracts, more active and powerful, which effect in combination with the Sarsaparilla, what the latter article, or combined with the most powerful poisons, cannot alone accomplish.

It has cured where everything else had failed and this in a multitude of cases—not in Europe or in the moon, (where so many great cures have been performed,) but in Philadelphia and other parts of the union. And be it distinctly understood that we do not obtain our extracts by "boiling 400 gallons down to one." It being known to every druggist's apprentice that boiling destroys the essential virtues of medicinal plants and roots.

More substantial evidence of the wonderful curative properties of

Dr. Swayne's Compound Syrup of Wild Cherry.

PHILAD., April 15, 1850.

Dr. Swayne—Dear Sir—Being severely afflicted with a violent cold and cough, which settled upon my lungs attended with great debility, soreness in my side, that I could scarcely breathe, spitting of blood, no appetite, could get no rest at night, owing to the severity of my cough, would spit as much as a pint of blood at a time. This mournful state of things continued until I almost despaired of being cured, having tried physicians and numerous things without relief; but having heard of the great virtues of your *Compound Syrup of Wild Cherry*, and its being approved of by physicians of the first eminence, I concluded to make a trial of it, and am happy to state that three bottles performed a perfect cure; my sleep is now undisturbed and sweet, and I firmly believe that to your medicine I am indebted for this great cure.

I shall be glad to communicate with any person on the subject who may be pleased to call on me, and corroborate what I have said in the above certificate, at the factory or my residence.

Yours, most respectfully,
EDWARD HANSON.

The above certificate is from a man well known by a large portion of our citizens. Those who doubt the truth of it, are invited to call and satisfy themselves that it is another voluntary, disinterested and living witness to the great virtues of *Dr. Swayne's Compound Syrup of Wild Cherry.*

The Hon. Charles D. Hineline, Editor of the "Camden Democrat," the best paper in West Jersey, says, July 21:—

"HOOFLAND'S GERMAN BITTERS."—"We have seen many flattering notices of this medicine, and the source from which they came, induced us to make inquiry respecting its merits. From inquiry we were persuaded to use it, and must say we found it specific in its action upon diseases of the liver and digestive organs, and the powerful influence it exerts upon nervous prostration is really surprising. It calms and stregthens the nerves, bringing them into a state of repose, making sleep refreshing.

[From the "Boston Bee."]

The editor said, Dec. 22d—

"*Dr. Hoofland's Celebrated German Bitters* for the cure of Liver Complaint, Jaundice, Dyspeysia, Chronic or Nervous Debility, is deservedly one of the most popular medicines of the day. These Bitters have been used by thousands, and a friend at our elbow says he has himself received an effectual and permanent cure of Liver Complaint from the use of this remedy. We are convinced that, in the use of these Bitters, the patient constantly gains strength and vigor—a fact worthy of great consideration. They are pleasant in taste and smell, and can be used by persons with the most delicate stomachs with safety, under any circumstances. We are speaking from experience and to the afflicted we advise their use."

Judge M. M. Noah, a gentleman with great scientific and and litterary attainments, said in his "*New York Weekly Messenger*," January 6, 1850.

"*Dr Hoofland's German Bitters.*—Here is a preparation which the leading presses in the Union appear to be unanimous in recommending, and the reason is obvious. It is made after a prescription furnished by one of the most celebrated physicians of modern times, the late Dr Christopher Wilhelm Hoofland, Professor to the University of Jena, Private Physician to the King of Prussia, and one of the greatest medical writers Germany has ever produced. He was emphatically the enemy of *humbug*, and therefore a medicine of which he was the inventor and endorser may be confidently relied on. He specially recommended it in Liver Complaint, Dyspepsia, Debility, Vertigo, Acidity of the Stomach, Constipation, and all complaints arising from a disordered condition of the stomach, the liver and the intestines. Nine Philadelphia papers express their conviction of its excellence, and several of the editors speak of its effects from their own individual experience. Under these circumstances, we feel warranted, not only in calling the attention of our readers to the present proprietor's (Dr. C. M. Jackson's) preparation, but in recommending the article to all afflicted."

MORE EVIDENCE.

The "Philadelphia Saturday Gazette," the best family newspaper published in the United States, the editor says of

DR. HOOFLAND'S GERMAN BITTERS.

"It is seldom that we recommend what are termed Patent Medicines to the confidence and patronage of our readers; and, therefore, when we recommend Dr. Hoofland's German Bitters, we wish it to be distinctly understood that we are not speaking of the nostrums of the day, that are noised about for a brief period and then forgotten after they have done their guilty race of mischief, but of a medicine long established, universally prized, and which has met the hearty approval of the Faculty itself."

Evidence upon evidence has been received (like the foregoing) from all sections of the Union, the last three years, *and the strongest testimony in its favor, is*, that there is more of it used in the practice of the regular Physicians of Philadelphia than all other nostrums combined, a fact that can easily be established, and fully proving that a scientific preparation will meet with their quiet approval when presented even in this form.

That this medicine will cure Liver Complaint and Dyspepsia, no one can doubt, after using it as directed. It acts specifically upon the stomach and liver—it is preferable to calcmel in *all bilious diseases*—the effect is immediate. They can be administered to FEMALE OR INFANT with safety and reliable benefit, at any time.

BEWARE OF COUNTERFEITS.

This medicine has attained that high character which is necessary for all medicines to attain to induce counterfeiters to put forth a spurious article at the risk of the lives of those who are innocently deceived.

The Greatest Because the Best Family Medicine in the World

IS WORSDELLS VEGETABLE RESTORATIVE PILLS, they have succeeded in curing some of the worst cases of disease ever recorded, and are daily accomplishing the restoration of persons after having tried in vain to obtain relief from any other source. One of the Proprietors is a regular physician of extensive experience, who devotes his time exclusively to their preparation. For FEVER & AGUE, they have never yet failed. At least one thousand cases in the neighborhood of Philadelphia, have been cured since the first of Sept., last. In Dyspepsia, Rheumatism, Liver Complaint, Scrofula, for Worms, and all other diseases of children, they are unequalled by anything ever prepared for the purpose, while for the various diseases of Females there is no medicine can compare with them. There is more of them sold—they are in greater demand than any other pill—and when once introduced in a family, they need no other medicine. Each box containing Fifty Pills, renders them the cheapest, while they are decidedly the best, as well as the mildest in action, of any now in the market.

The Editor of the "City Item," thus speaks of them:

☞ READER, you are suffering from fever and ague, and you have never tried *Worsdell's* Vegetable Restorative Pills. Shake no more. There is still hope for you—you may yet be cured. Go, or send at once to A. Weeks & Co., 70 North Eighth street., and procure a box of these unrivaled pills, which are a sovreign antidote for this distressing complaint.

Col. Forney of the Pennsylvanian, says:

WORSDELL'S PILLS.—This excellent family medicine is daily winning new triumphs over disease, and consequently in the high road to public favor. In the removal of the every day ills that flesh is heir to, we know of no better compound. We heard the other day of a desperate case of scrofulous eruptions of the head and face being entirely cured by them.

Du Solle of the "Times," says:

☞ The great popularity of Worsdell's Vegetable Pills, is attributed to the just merit which they really possess. They have been quietly gaining the fame they now have by the force of their own virtues. The means usually employed to give eclat to new remedies have not been adopted by the proprietors. They have been content to let their medicine speak for itself. It is now doing it in every section of the country.

They are for sale by most of the Store Keepers throughout the Country, and in quantities at reasonable rates, at the Laboratory No 70, North Eighth Street.
