

The Greatest Because the Best Family Medicine in the World

IS WORSWELL'S VEGETABLE RESTORATIVE PILLS, they have succeeded in curing some of the worst cases of disease recorded, and are daily accomplishing the restoration of persons after having tried in vain to obtain relief from any other medicine. One of the Proprietors is a regular physician of extensive experience, who devotes his time exclusively to their preparation. For FEVER and AGUE, they have never failed. At least one thousand cases in the neighborhood of Philadelphia have been cured since the first of Sept. last. In Dyspepsia, Rheumatism, Liver Complaints, Scrofula, for Worms, and all other diseases of children, they are unequalled by anything ever prepared for the purpose, while for the various diseases of Females there is no medicine can compare with them. There is more of them sold—they are in greater demand than another pill—and when once introduced into a family, they need no other medicine. Each box containing Fifty Pills, renders them the cheapest while they are decidedly the best, as well as the mildest in action, of any now in the market.

The Editor of the "City Item," thus speaks of them: "I READER, you are suffering from fever and ague, and you have never tried Worswell's Vegetable Restorative Pills. Shake no more. There is still hope for you—you may be cured! Go, or send at once to Weeks & Co., 70 North Eighth street, and procure a box of these unrivaled pills, which are a sovereign antidote for this distressing complaint."

Col. Fenny of the Pennsylvania, says: "WORSWELL'S PILLS.—This excellent family medicine is daily winning new triumphs over disease, and consequently in the high road to public favor. In the removal of the every day ill that flesh is heir to, we know of no better compound. We heard the cry, on the day of a desperate case of scrofulous eruptions of the head and face being entirely cured by them."

Du Solle of the "Times," says: "The great popularity of Worswell's Vegetable Pills, is attributed to the just manner in which they really possess. They have been quietly gaining the fame they now have, by the force of their own virtues. The means usually employed to give relief to new remedies have not been adopted by the proprietors. They have been content to let their medicine speak for itself. It is now doing it in every section of the country. They are for sale by most of the Storekeepers throughout the Country, and in quantities at reasonable rates, at the Laboratory No. 70, North Eighth Street."

ESSENCE OF COFFEE.
ABOUT two years ago a new discovery was made in Europe, consisting of a substitute for the ordinary store coffee, called Essence of Coffee, which has gone into general use with astonishing rapidity, not only among the poorer classes, who at once dispensed with the use of the celebrated Chickory Coffee, but is now in general use in the most affluent families and the first hotels, and is highly recommended by the medical faculty.

It is extracted from pure, wholesome vegetables, and excels all similar preparations that have ever been offered to the public, either in this country or Europe. Its superior quality has already been attested to in the cities by some of the most distinguished of the clergy and other highly respectable persons. Coffee made from this essence according to the prescription obtains a more delicious and pleasant flavor than the common store coffee, and is certainly more wholesome, especially for persons in delicate health, which will be admitted by every physician who will take the pains to test the nature and properties of this essence.

One paper costing only 12 1/2 cts., is equal to four pounds of store coffee, will be bright and clear without the application of any other ingredients, and is entirely free from the objectionable qualities of the latter. The public are therefore invited to give this essence at least a trial before they condemn it. A respectable merchant of Luzerne county in writing of it says: "My customers have been using of the above Essence for some months past with general satisfaction; and I do not hesitate to recommend it to the public."

Dr. Cullen's PANACEA.

The afflicted are invited to call and see Mr. Isaac Brooks, Jr. at the corner of Third and Wilcox streets, and Miss Christina Sauer, Brook street below Spruce street, in the Schuylkill. These two persons have been afflicted from the very jaws of the destroyer through the agency of this most potent of all medicines. DR. CULLEN'S INDIAN VEGETABLE PANACEA.

Dr. Cullen's Panacea is the only certain cure for Scrofula or King's Evil, Tetters, Erysipelas, Old Sores and Ulcers, Mercurial Diseases, and all other affections, catarrhus or otherwise, arising from impurities of the blood.

The extraordinary cure of Mr. Brooks, people who visit him, hold up their heads in astonishment, that ANY medicine could have arrested this disease—then go away resolved to recommend Dr. Cullen's Indian Vegetable Panacea to every one they hear of who has need of a purifying medicine.

No with Christians Sauer—her cure of Scrofulous sore throat was quite as extraordinary as Mr. Brooks', when we reflect that from the discharges she threw away money on articles which, under the most favorable circumstances, do not produce any impression on the system until several gallons have been swallowed. One bottle of Dr. Cullen's Panacea sealed in faith to produce conviction in the minds of patients that a radical cure is certain.

This, however, [to necessarily, an ally to medicine] springs up at the outset, and the patient is cured before any other preparation could have made the slightest impression upon the disease. In fact, the twelve ounce bottles of Dr. Cullen's Panacea, compared with the pint and quart bottles of other purifiers, are valuable about in the proportion of four to one. These four ounce bottles, sold at a half price, on account of its size, would make a poor substitute to the least.

Sarsaparilla a good purifier! Dr. Cullen's Panacea contains its extract in its most concentrated form. Added to this are other extracts, more active and powerful, and which effect in combination with the Sarsaparilla, what the latter article, or combined with the most powerful poisons, cannot also accomplish.

It has cured where everything else has failed and in the moon, (where so many great cures have been performed), but in Philadelphia and other parts of the Union. And he is justly understood that we do not obtain our extracts by boiling 400 gallons down to one. It being known to every druggist's apprentice that boiling destroys the essential virtues of medicinal plants and roots.

The public may rest assured that the abatement of the Medicine, its strength, and curative power, with regard to the various diseases, more especially those connected with its nature, the proprietor would be loath to impair it in the least.

As this medicine, under its reduced price, will be purchased by those who have not hitherto used it, and who are acquainted with its virtues, the proprietor would be loath to impair it in the least. It is not to be dispensed with the usual amount of "Remedies of the day," but is a more powerful and more efficacious medicine, and has sustained itself for eight years by its superior medical virtues, and still the retail price is commensurate double the price of any other article in this line.

Verily, PAINFULLY, the article acts with great health and vigor, upon the Blood, Liver, Kidneys, Lungs and all other organs, upon the proper action of which life and health depend. This medicine has a justly high reputation as a remedy for

WAYER'S CHERRY PECTORAL.

For the Cure of
COUGHS, COLDS, BRONCHITIS, CROUP, ASTHMA, WHOOPING-COUGH AND CONSUMPTION.
In offering to the community this justly celebrated remedy for diseases of the throat and lungs, it is not our wish to trade with the lives or health of the afflicted, but rather to lay before them the opinions of distinguished men, and some of the evidences of its success, in which they can judge for themselves. We sincerely pledge ourselves to make no wild assertions (or false statements) of its efficacy, nor will we hold out any hope to suffering humanity which fact will not warrant.

Many proofs are here given, and we solicit an inquiry from the public into all we publish, feeling assured they will find them perfectly reliable, and the medicine worthy their best confidence and patronage.

PROF. CLEVELAND, of Bowdoin College, Maine, writes: "I have witnessed the effects of your 'CHERRY PECTORAL' in my own case, and that of my friends, and it gives me satisfaction to state in its favor that no medicine I have ever known has proved so eminently successful in curing diseases of the throat and lungs."
REV. DR. OSGOOD writes: "That he considers 'Cherry Pectoral' the best medicine for Pulmonary Affections ever given to the public, and states that 'his daughter after being obliged to keep the room empty, and remaining with a severe cold accompanied by raising of blood, night sweats, and the attendant symptoms of Consumption, commenced the use of the 'Cherry Pectoral,' and had completely recovered."
EX—CHANCELLOR KING,
of New York, writes: "I have been a great sufferer with Bronchitis, and but for the use of the 'CHERRY PECTORAL' might have continued so for many years to come, but that has cured me and I am happy to bear testimony to its efficacy."

From such testimony we ask the public to judge for themselves.
BEAR THE PATIENT,
Dr. Ayer—Dear Sir: For two years I was afflicted with a very severe cough, accompanied by spitting of blood and profuse night sweats. I was advised by my attending physician to use your 'Cherry Pectoral,' and continuing to use your 'Cherry Pectoral,' which has cured me and I am happy to bear testimony to its efficacy, and ascribe the effect to your preparation.
JAMES RANDALL,
Hamden, ss, Springfield, Nov. 27, 1848.

This day appeared the above named James Randall, and pronounced the above statement true in every respect.

THE REMEDY THAT CURES.
PORTLAND, Me. Jan. 10, 1847.
Dr. Ayer, I have been long afflicted with Asthma which grew yearly worse until last autumn, it brought on a cough which confined me in my chamber; and began to assume the alarming symptoms of consumption. I had tried the best of all the best medicines to no purpose, until I used your 'Cherry Pectoral,' which has cured me, and you may well believe me, gratefully yours,
J. D. PHELPS.

If there is any value in the judgment of the wisest who speak from experience, here is a medicine worthy of the public confidence.
