One of the Proprietors is a regular physician of extensive experience, who de-votes his time exclusively to their propera-tion. For FUER & AGUE, they have nov-er yet failed. At least ore thousand cases in the neighborhood of Philadelphin, have been cared since the first of Sept, last. In Dyspepsia, Rheumatism, Liver Complaints of children, they are unequalled by anything ever prepared for the purpose, while for the various diseases of Fenales there is no me-dione can compare with them. There is more of them sold—they are in greater de-imoted than another pill—and when onee introduced family, they need no other medicine. Each box containing Fity Pills, redets them the cheapest while they are decidedly the best, as well as the mildest in motion, of any now in the market.

The Editor of the "City Item," thus

speaks of them : READER, you are suffering from feve and ague, and you have never tried. Wors-dell's Vegetable Restorative Pills. Shake no more. There is still hope for you-you may yet be cured. Go, or send at once to A. Weeks & Co., 70 North Eighth street, and procure a box of these univaled pills, which are a sowreign antidote for this distressing complaint.

Worsdell's Pills.—This excellent family Wonsper.1's Pr.1.s.—This excellent family medicine is daily winning new timmphs over disease, and consequently in the high road to public favor. In the removal of the every day ills that flesh is heir to, we know of no better compound. We heard the oth-er day of a desperate case of scrofulous e-ruptions of the head and face being enirely cured by them. Du Solle of the "Times," says:

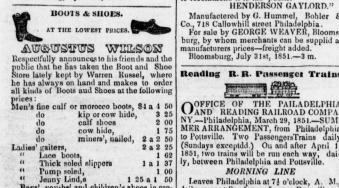

Du Solle of the "Times," says: Du Solle of the "Times," says: The great popularity of Worsdell's Vegetable Fills, is attributed to the just mer-twhich they really possess. They have been quietly gaining the fame they now have, by the force of their own virtues. The means usually employed to give celat to new remedies have not been adopted by the proprietors. They have been content to let their medicine speak for itself. It is now doing it in every section of the country. They are for sale by most of the Store Keepers throughout the Country, and in quan-ties at reasonable rates, at the Laboratory No 70, North Eighth Street. A. WEEKS & Co., Proprietors. Agents, JOHN K. ESSENCE OF COFFEE.

A BOUT two years ago a new discovery as ubsitute for the order of the order of the order of the ordinary store coffee, called Essence of Coffee, which has gone into gen-eral use with astonishing rapidity, not only among the poorer classes, who at once dis-pensed with the use of the celebrated Chick-ory Coffee, but is now in general use in the wealthiest families and the first hotels, and is highly recommended by the medical fac-ulty.

weatimest tamines and the first notels, and is highly recommended by the medical fac-ulty. It is extracted from pure, wholesome veg-etables, and excels all similar preparatrons that have ever been offered to the public, either in this country or in Europe. Its su-perior quality has already been attested to in the cities by some of the most distinguish-ed of the clergy and other highly respectable citizens. Coffee made from this essence ac-cording to the prescription obtains a more delicious and pleasant favor than the com-mon store coffee, and is certainly more wholesome, especially for persons in deli-cate health, which will be admitted by eve-ry physician who will take the pains to tost the nature and properties of this essence. One paper costing only 12¹ ets., is equal to four pounds of store coffee, will be bright and clear without the application of any other ingredient to clarify or settle it. The public are therefore invited to give this es-sence at least a trial before they conderm it. A respectable merchant of Luzerne coun-ty in writing of it says : "My customers have been using of the above Essence for some months past with general satisfaction ; and I do not hesitate to recommend it to the public.
