DEMOCRATS RALLY TO THE POLLS!!!

DEMOCRATS give one day more to your country, and ALL WILL BE WELL. Preserve our sacred institutions at all hazards from the ruthless grasp of Federalism, and do not suffer them to perish for want of exertion on your part. Put forth all your strength on Tuesday next—Buckle on your armor for the conflict and make one general RUSH for the BALLOT BOXES. Let not a vote be lost. United action will overcome your ancient Federal foes with shame, confusion and defeat.

The Model Architect.

A SERIES OF ORIGINAL DESIGNS FOR Cottages, Villas, Suburban Residences, Country Churches, School Houses, &c., &c., &c.

BY SAMUEL SLOAN, Archt.

The above work is designed to meet the wishes not only of those directly interested in building, but all who desire the advancement of the arts in our country, and wish to cultivate their tastes and acquaintance with architecture. The handsome manner in which it is prepared and embellished, renders it a tasteful ornament for the drawing room, while its accurate delineations give it the highest practical value.

The Projector will design in every variety of style and design accompanied, as mentioned below, by all the minutia necessary to construction. By its aid he may build without danger of making those tedious and expensive mistakes which so often occur.

The Operative Artizan of every grade will find the work of inestimable value. It is a complete book of reference, and all plates are drawn to a scale with the utmost accuracy, so that he has only to study them with his rule and compass.

The work, in two volumes of twelve numbers each, to be issued monthly until complete. Each number contains four lithographic engravings of original designs, costing from \$800 to \$1400. There are also 4 sheets of details accompanying the designs, comprising grand plans, &c. Besides this, each number contains eight pages of letter press, descriptive of the designs, giving extended accounts of the various styles adopted, essays on warming, ventilation, &c., elaborate specifications, estimates tables, and in short everything desirable, either for construction or for general information, in beautiful type; the whole being executed on the very finest paper, manufactured expressly for the work.

Price—50 cents a number. The work can be obtained through any bookseller.

STATEV GENERAL'S OFFICE OF PA. June 30, 1851. SOLICITOR GENERAL, Esquire, Surveyor of the County of Columbia.

Str.—The act passed the tenth day of April, 1835, authorizing the graduation and valuation of the unpatented lands in this Commonwealth, by the Commissioners of the several counties, and which has been extended from time to time by supplementary acts, expires on the tenth day of December, 1851 (see Pamphlet Laws, 1849, page 38.) after which time no abatement of any interest can be made on the purchase money due on such lands. I have, therefore, conceived it to be my duty to give this notice to all the County Surveyors. You will take such measures as you may deem proper to circulate this fact, in order that those interested may avail themselves of the benefit of a law which favors those who own unpatented lands very much.

There is no appropriation made to defray the expenses of publishing this notice in the different counties, or else I should have taken that method of giving notice in the newspapers. Ver. respectfully yours,
