

fair Kantachy plaintiff coorning to master

The Louisuille Courier, on the 8th, says, that so soon as the verdict was rendered, the Centre

THE RESULT.

River, er "some other sea p hopes he will sufficiently re effects of the disastrous re day's election, to be able to duties in about two weeks. friends will do us the favor Since the election the hot blood has flow ed back from men's heads, and they talk a tion to us during to-day, an them they will not again has ed oack from men's nears, and they talk a-gain with reason and candor. Governor Johnston played a bold and reckless game, and did all that could be done for his case. But his election three years ago was secured by means which cannot be used twice in nity to do so, until they will well through with their rejoid aware that something of the taken place, and therefore, n minded of it. And we wish succession. The promise of better times under a change of administration deluded soon as possible. people once, for it is easy to operate upon the restlessness and dissatisfaction of man-kird; and politicians like Johnston well understand that trick. But Pennsylvania is Democratic, and there is much runn is Democratic, and there is much truth in the remark which a candid Whig made a few days after the election.—"It is not often that we can elect a candidate and then we Anthony,

Cooper, Derry, must hurra him in." But it was a mistake in Governor John-Danville

Franklin, ston to go before the people and make light Liberty, of a solicitude for the peace of the commu-nity and the perpetuity of the republic. It as our highest satisfaction to see that the peo-Mahoning, ple of the Keystone state will not suffer a feeling of patriotism to be ridiculed, even Roaringcreek Valley 73 West Hemlock, 25 by a Governor when he decends down to play comedy from the hustings. It is no false alarm to say that there is danger and mischiet when the old political parties o the country are in some states annihilated, the country are in some states aminiated, and a strong new party rears its head and openly proclaims disunion and secession. Within less than a month elections in several states of the Union have turned upon the question whether there shall any longer be a Republic of the United States; and even in land is about 3.085 a ver. Pennsylvania while Johnston was ridiculing is contemplating the adoption "all the little Union savers" a deliberative to preserve crops of wall frui convention of steady sober citizens by resoblight. By a decree of the 9th, the dinia has ordered a levy of lution declared anew the old treasonable doctrine that the constitution of the American Union was a league with the powers of darkness in the nether world. At such a time, and when a mischievous question and all the race courses of Frane dangerous men are heating up implacable feuds to sever famalies and churches, it is number, and amount to 725.0 The yacht America is to be no idle cant to cry out with a warning voice. new owner to the Mediterran will doubtless try her speed And then too it is ever better to be warned of danger too soon than too late. the crusiers. A Welsh paper states that i

The present victory in Pennsylvania has many happy results, and not the least of py results, and not the least of es have been pawned and sol e security it gives that we shall the purpose of finding funds next year elect a Democratic President of the Union and thus give a double guarantee of the safety and perpetuity of our republican institutions

..... THE ELECTION.

The official returns of Philadelphia city and county show that for Senator Washington J. Jackson the Democratic candidate is defeated by Hamilton a half-breed Whig and Native. Five of the Democratic members are defeated by a similar combination of fag ends and factions. Six of our nominees

re, however elected. For Judges of the District Court Stroul and Sharswood who were nominated by both parties are of course elected. J. Clark France, the specie on hand 607 millions of dollars. This Hare. Whig, is elected over Findlay, Demthe largest amount of specie together. The Bank of Engl ocrat, for the other Associate. Of the Com-mon Pleas, Oswald Thompson, Whig, is elected President, and Wm. D. Kelly, Independent Democrat, and Joseph Allison, Na-tive, Associates. The Whigs at first nomicie is silver-and hence the nated Thompson and Thayer both Whigs, and Kelly Democrat, but the Natives would not be satisfied, and so the Whig convention the Bank of France is regarde was again called together and it choked of Thayer and nominated Allison, a Native A. vorable symptom of her trade counts and circulation of the merican. By this despicable manouvre the Democratic nominees were defeated. Of the Row officers the Democrats elect mished. Hence trade 'is sta probable that the fear of po

only the Coroner. In the City the Dutch have taken Holland also powerfully on the bank chants to restrain them from As usual.

MILITARY.

On last Saturday afternoon the Volunteer Companies of the Columbia county Brigade met at Light Street for their fall parade, and to elect several officers of the Brigade. The whole affair passed off decently and orderly, to the credit of the citizen soldiers and their
