Liver and Bilions Complaints.

The Gitisens of the Union suffer much from diso-dars of the Liver and Stomach, scarcely any are free from the influence of these destructive maladies, hence life wears fast. The fart sex, perhaps the most handsome in the World, up to a certain period when, distressing to say many loose their testh and good looks, while yet in the heyday of life, such sed evils may be effectually remedied by continually keeping the blood pure, and the Liver and Stomach in a healthy action, when life will flow smoothly, and resemble plants in a congenial clime, where an eternal spring appears to reign. As it regards the preservation of she human frame, and the duration of life, much may be effected, and I say fearlessly, that health and lafe can be prolonged for many years beyond their ordinary limits, if Holloways's Pilis are taken to purify the blood according to the relea laid down for health contains in the directions which accompany each box.

Astor. House, New York, dated January 5th 1854.
To Professor Holloway, 38, Corner of Ann and Nassau Street N. Y.
Sir,—It is with the most heartfelt pleasure I have to inform you that I have been restored to health and strength by taking your Pills.—For the last ten years, I soffered from a derangement of the Liver and Stomach, and was reduced to such an extremity that I gave up my Ship, never expecting to go to Sea any more, as I had tried every remedy that was recommended to make your Pills. After using them for three months, the result is that I am new in better health than I have been for eleven years past, and indeed as well as ever I was in my life. You are quite at liberty to make this know for the benefit of others. I remain, Sir, yours respectfully,
