To Professor, HOLLOWAY;

DEAR SIR—I am enabled to furnish you with a most extraordinary cure effected by your invaluable Ointment and Pills, which has astonished every person acquainted with the sufferer. About 10 years ago, Mr. W. Cummins, of Saltney Street, in this town, was thrown from his his horse, whereby he received very serious injuries; he had the best medical advise at the time, and was afterwards an inmate of difficent infirmaries, yet he grew worse, and at length a malignant running ulcer settled in his hip, which so completely crippled him, that he could not more without crutches for nearly 10 years; recently he began to use your Ointment and Pills, which have now healed the wound, strengthened his limb, and enabled him to dispense with his crutches, so that be can walk with the greatest ease, and with renewed health and vigor.

Sin—Some time since one of my children was afflicted with dreadful eruptions over the body and limbs. I obtained the advice of several eminent Surgeons and Physicians, by ell of whom the case was considered hopelesss.—At length I tried your Olutiment and Pills, and without exageration, the effect was miraculous, for by persevering in their use, all the eruptions quickly disappeared, and the child was restored to perfect health.

I previou ly lost a child from a similar complaint, and firmly believed, had I in her case adopted your medicines she would have been saved also. I shall be happy to testifyed the truth of this to any enquirer.

CERTAIN REMEDY FOR SCORBUTIC
HUMOURS—AND AN ASTONISHING
CURE OF AN OLD LADY SEVENTY
YEARS OF AGE OF A BAD LEG.

Copy of a Letter from Messrs. Walker and Co., Chemists, Bath To Professor Holloway,

To Professor Hollowsy,

Dran Sin,—Among the numerous cures effected by the use of yeur valuable medicines inthis neighbourhood, we may mention that of
an old lady living in the vilitage of Preston, an
bout five miles from this City. She had ulcerste wounds in her leg for many years, and
latterly they increased to such an alarming extent a to defy all the usual remidies; her
health lapidly giving way under the suffering
she endured. In this distressing condition she
had recourse to your Ointment and Pills, and
by the assistance of her friends, was enabled to
persevere in their use, until she received a perfect cure. We have corselves been greatly astonished at the effect upon so old a person, she
leng above 70 years of age. We shall be happay to satisfy any enquires as to the authenticity of this really wonderful case, either personally or by letter.

A private in the Bath Police Force, also had been perfectly cured of an old scotbuict effection in the face, after all other means has failed.—
He states that it is entirely by the use of your Omment, and speaks loudly in its praise.
We remain, Dear Sir,
Your's faithfully April 6th 1852. Signed WALKER & Co.

It gives me pleasure to add tay testimony to
the professional ability of the author of the
"Medical Manual," Numerous cases of disease
of the genital organs, some of them of long
standing, have come under my notice, in which
his skill has been manifest in restoring to per

been considered beyond medical aid. In the
treatment of seminal weakness, or disarrangement of the functions produced by self-abuse
or excess of venery, I do not know his superior in the profession. I have been equanited
with the author some thirty years, and deem it
no more than justice to him as well as kindness
to the unfortunate victum of early indiscretion
to recommend him as one in whose professional
skill and integrity they may safely confide
themselves.

ALFRED WOODWARD, M. D.

"This is, without exception, the most comprehensive and intelligible work published of the class of diseases of which it treats. Avoi, ding all technical terms, it addresses itself to the reason of its readers. It is free from all objectionable matter, and no parent however fasticlinus can object to placing it in the hand of his sous. The author has devoted many years to the treatment of the various complaints treated of, with too little breath to puff, and too little presumption to impose, he has offered to the world, at the merely nominal price of 25 cents., the fruit of some twenty years' most successful practice."—[Herald.

A Presbyterian clergyman in Ohio, writing of "Hunte,'s Medical Manual" says.—"Thous sands upon thousauds of our youth by evil example, and influence of the passions, have been led into the habit of self-pollution, without realizing the sin and fearful consequences upon themselves and their posterity, The contitutions of thousards who are raising families have been enfeebled, if not broken down and they do not know the cause or the cure. Anything that can be done so to enlighten and influence the public mind as to check, and ultimately to remove this wide spread source of human wretchedness, would confer the greatest blessing next to the religion of Jesus Christ, on the present coming generation. HENRY'S INVIGORATING CORDIAL. Purely Vegetable in its Composition!

This invaluable cordial is extracted from herbs and roots which have been found after years of experience, by the most skillful physicians to be possessed of qualities the most beneficial in the diseases for which it is tree-commended, and hence while it is presented to the public as a harffectious remody, it is also known to be of that character on which reliknown to be of that character on which rein ance may be placed as to its safety.
