Citizens of the Union

ASTONISHING CURE OF SORE LEGS,

AFTER NINE YEARS STANDING.
Copy of a Letter from Mr. M. J. Langley, of Hamlet, York county, North Carolina, U. S., dated November 1st, 1853.

Read his own Words.

To Professor Holloway,
Sir—It is with heartfelt gratitude I have to inform you that by the use of your Ointment and Pills, the life of my wife has been saved. For seven years she had a bad breast, with ten remaining wounds, (not of a cancerous nature). I was told that nothing could save her; she was then induced to use your Ointment and Pills, when in the short space of three months, they effected a perfect cure, to the astonishment of all who know us. We obtained your Medicines from Messrs. Wright & Co., of Chartres St., New Orleans. I send this from Hotel des Princes, although I had written it at New Orleans, where we finally left at that time, not knowing your address at New York.

"HAW KNOW THIS!"

An invaluable Book for 25 cts.—Every Family should have a Copy.

100,000 COPIES SOLD IN LESS THAN A YEAR. A new edition, revised and improved, just issued.

AN INVALUABLE BOOK, ONLY 25 cts.

A COPY—"HAW KNOW THIS!"—Dr. Hunter's Medical Manual and How to Cure the Afflicted. Containing an outline of the Origin, Progress, Treatment and cure of every form of disease, contracted by Promiscuous Sexual Intercourse, by Self-Abuse, or by Sexual Excess, with advice for their prevention, their written in a familiar style, avoiding all medical technicalities, and everything that would offend the ear of decency, with an outline of complaints, incident to females, from the result of the same twenty years successful practice, exclusively devoted to the cure of diseases of a delicate or private nature.

To which is added receipts for the cure of the above diseases, and a treatise on the causes, symptoms and cure of the Fever and Ague.

Testimony of the Professor of Obstetrics, in Penn College, Philadelphia.

"Dr. Hunter's Medical Manual," is the result of the author's own practice, and the notes of his students, and the majority of whom who advertise to cure the diseases of which it treats is a graduate of one of the best Colleges in the United States. It affords me pleasure to recommend him to the unfortunate, and to the virtuous, as an excellent, successful, and experienced practitioner, in whose honor and integrity they may place the greatest confidence.

JOHN S. LONGHURST, M. D.

From A. Woodward, M. D. of Penn. University, Philadelphia.

It gives me pleasure to add my testimony to the professional ability of the author of the "Medical Manual." Numerous cases of disease of the genital organs, some of them of long standing, have come under my notice, in which his skill has been manifest in restoring to perfect health, persons who had been considered beyond medical aid. In the treatment of seminal weakness, or disarrangement of the functions produced by self-abuse or excess of venery, I do not know his superior in the professional world. He is acquainted with no author so thoroughly, and I deem it no more than justice to him as well as kindness to the unfortunate victim of early indiscretion to recommend him as one in whose professional skill and integrity they may safely confide themselves.

ALFRED WOODWARD, M. D.

"This is, without exception, the most comprehensive and intelligible work published of the class of diseases of which it treats. Avoiding all technical terms, it addresses itself to the reason of its readers, and is free from all objectionable matter, and no parent however fastidious can object to placing it in the hands of his sons. The author has devoted many years to the treatment of the various complaints treated of in this work, and he will sell you a little presumption to impose, he has offered to the world, at the merely nominal price of 25 cents, the fruit of some twenty years' most successful practice."—[Herald.]

No teacher or parent should be without the knowledge imparted in this valuable work. It would save years of pain, mortification and sorrow to the youth under their charge."—[People's Advocate.]

A Presbyterian clergyman in Ohio, writing of "Hunter's Medical Manual" says—"Thousands upon thousands of our suffering brethren have been enabled, if not rescued, from all they do not know the cause or the cure. Anything that can do so to enlighten and instruct the public mind is to be checked, and nothing to remove this wide spread source of human wretchedness, would confer the greatest blessing next to the religion of Jesus Christ, on the present degenerating generation. Insuperance, not the use of intellect, is the great evil of our age, and the whole train of Dr. Hunter's work, or source to the human race. Accept my thanks on behalf of the afflicted, and believe me your co-worker in the good work you are so actively engaged in."

One copy, securely enveloped, will be forwarded free of postage, to any respectable Druggist or Bookseller, on receipt of the price, 25 cents. Address, Post paid, COBURN & CO., Publishers or Box 193 Philadelphia.

N. B. Booksellers and Druggists, who are desirous of procuring this valuable work, are requested to apply to the most liberal terms. December 28 1853. 49—1y
