ASTONISHING CURE OF SORE LEGS AFTER NINE YEARS STANDING.

Copy of a Let'er from Mr. W. J. Langley, of Huntsville, York county, North Carolina, U. S., dated November 1st 1853. Read his own Words.

The ad his own Words.
To Professor Hollowsy,
Sir—It as not my wish to become notore
ious, neither is this fetter written for the mere
sake of writing, but to say that your Ointment
curred me of one of the most dreadful cutaneous
diseases that feeth is heir to, and which was
considered by all who knew me, to be entirely
beyond the reach of medicine. For nine years
I was afflicted with one of the most painful and
troublesome sore legs that ever fell to the lot of
man; and after trying every medicine I had
ever heard of, I resigned in despair all hope of
being curred; but a friend brought me a couple
of large po's of your Ointment, wheh caused
the sores on my legs to heat, and I entirely segained my health to my agreeatle surprise and
delight, and to the astonismment of my friends

"This is, without exception, the most comprehensive and intelligible work published of the class of diseases of 'which it treats. Avoiding all technical terms, it addresses itself to the teason of its readers. It is free from all objectionable matter, and no parent however fastidious can object to placing it in the hand of his sons. The author has devoted many years to the treatment of the various complaints treated of, with too little breath to puff, and too little presumption to impose, he has offered to the world, at the merely nominal price of 25 cents, the fruit of sore twenty years' most successful practice."—[Horafil.
