"MAN KNOW THYSELF!"

An invaluable Book for 25 cts.—Every Family should have a Copy.

100,000 COPIES SOLD IN LESS THAN A YEAR. A new edition, revised and improved, just issued.

AN INVALUABLE BOOK, ONLY 25 CTS. A COPY—MAN KNOW THYSELF.—Dr. Hunter's Medical Manual and Hand Book for All Ailments. Containing an outline of the Origin, Progress, Treatment and Cure of every form of disease, contracted by Promiscuous Sexual Intercourse, by Self-abuse, or by Sexual Excess, with advice for their prevention, written in a familiar style, avoiding all medical technicalities, and everything that would offend the ear of Decency, with an outline of complaints incident to females, from the result of some twenty years successful practice, exclusively devoted to the cure of diseases of a delicate or private nature.

To which is added receipts for the cure of the above diseases, and a treatise on the causes, symptoms and cure of the Fever and Ague.

Testimony of the Professor of Obstetrics, in Penn College, Philadelphia.

DR. HUNTER'S MEDICAL MANUAL.—The author of this work, being the majority of those who advertise to cure the diseases of which it treats is a graduate of one of the best Colleges in the United States. It affords me pleasure to recommend him to the unfortunate, at the victim of malpractice, as a practitioner, and experienced practitioner, in whose honor and integrity they may place the greatest confidence.

JOHN S. LONGSHIRE, M. D. From J. Woodard, M. D. of Penn. University, Philadelphia.

It gives me pleasure to add my testimony to the professional ability of the author of the "Medical Manual." Numerous cases of disease of the genital organs, some of them of long standing, have come under my notice, in which his skill has been manifest in restoring to perfect health in some cases, the patient who had been considered beyond medical aid, by the treatment of seminal weakness, or disarrangement of the functions produced by self-abuse or excess of venery. I do not know his superior in the profession, and his great success with the author some thirty years, and deem it no more than justice to him as well as kindness to the unfortunate victim of early indiscretion to recommend him as one in whose professional skill and integrity they may safely confide themselves.

ALFRED WOODWARD, M. D. From J. Woodard, M. D. of Penn. University, Philadelphia.

"This, without exception, the most comprehensive and intelligible work published of the class of diseases of which it treats. Avoiding all technical terms, it addresses itself to the reason of the patient, and is free from all objectionable matter, and no parent however fastidious can object to placing it in the hands of his sons. The author has devoted many years to the treatment of the various complaints treated of in this little book, and will, and too little presumption to impose, he has offered to the world, at the merely nominal price of 25 cents, the fruit of some twenty years' most successful practice."—Herald.

No teacher or parent should be without the knowledge imparted in this valuable work. It would save years of pain, affliction and sorrow to the youth under their charge."

People's Advocate, A Presbyterian clergyman in Ohio, writing of "Hunter's Medical Manual" says—"Thousands upon thousands of our youth by evil example, and in the hands of the present, are led into the habit of self-pollution, without realizing the sin and fearful consequences upon themselves and their posterity. The constitution of thousands of our youth, raised families have been enfeebled, if not broken up, and they do not know the cause or the cure. Anything that can be done to enlighten and influence the public mind as to check, and ultimately remove this great source of human weakness, would confer a blessing next to the religion of Jesus Christ, on the present coming generation. Intemperance, or the use of intoxicating drinks, though as sin, and in some respects, is not so great a source of trouble to human race. Accept my thanks on behalf of the afflicted, and believe me your co-worker in the good work you are so actively engaged in.

One copy, securely enveloped, will be forwarded, free of postage, to any part of the United States for twenty-five cents, six copies for one dollar. Address, J. WOODARD & CO. Publishers or "Box 196 Philadelphia.

HENRY'S INVIGORATING CORDIAL.

Purely Vegetable in its Composition!

This invaluable cordial is extracted from herbs and roots which have been found for years of experience, by the most skillful physicians to be possessed of qualities the most beneficial in the disease for which it is recommended, and hence, while it is presented to the public as an efficacious remedy, it is also known to be of that character on which reliance may be placed in all cases of Impotency, Hemorrhages, Disordered Sterility, Menstruation, or Suppression of the Menstrue, Pleur Albus or Whites, or for

DEBILITY, arising from any cause, such as weakness from sickness, where the patient has been confined to bed for some time, for females after confinement, abortion, or miscarriage, this cordial cannot be excelled in its salutary effects; or in the loss of muscular energy, irritability, physical prostration, seminal weakness, palpitation of the heart, indigestion, sluggishness, decay of the generative functions, nervousness, &c. where a tonic medicine is required, it will be found equal, if not superior to any compound ever used.

TO FEMALES, Henry's invigorating cordial is one of the most invaluable medicines in the many complaints to which females are subjected, or assists nature in the renewal of health, and happiness. Less suffering, disease and unhappiness among ladies would exist, were they generally to adopt the use of this cordial. Ladies who are debilitated by those obstructions which females are liable to, are restored by the use of a bottle of two, to bloom and vigor.

YOUNG MEN, That solitary practice, so fatal to the existence so fatal to the existence of man, and it is the young who are most likely to become its victims, and to incur the danger to which they subject themselves, cause

NERVOUS DEBILITY, weakness of the system, and premature decay, many of our young men, are afflicted with this disease, a general remission of disease and strength of the system.

MARRIAGE, lessening both mental and bodily capacity, hold Henry's Invigorating Cordial, a medicine that is purely vegetable, will aid nature to restore those important functions to a healthy state and will prove of service to you. It possesses the power of a general restorer of disease and strength of the system.

AS A TONIC MEDICINE, it is unsurpassed. We do not place this Cordial on a footing with quack medicines, and, as it is customary, to begin with a long list of recommendations, &c., beginning with "hear what the preacher says," and such like; it is not necessary, for Henry's invigorating cordial only needs a trial to prove all that we say.

THE GENUINE "HENRY'S INVIGORATING CORDIAL," is put up in 8 or 16 Pannel Bottles, and is easily recognized by the manufacturer's signature on the label of each Bottle, (to counterfeit which is forgery.)

Sold for \$1 per Bottle: six for \$5; \$16 per dozen.

Prepared only by S. E. CONR. No. 3 Frank in Row, Vine St., below Eighth Philadelphia, to the receipt of orders, and to be sent by express to all parts of the country. For Sale by all the respectable Druggists and Merchants throughout the country.
