HENRY'S INVIGORATING CORDIAL.

Purely Vegetable in its Composition!

This invaluable cordial is extracted from herbs and roots, which have been found of great experience, by the most skillful physicians to be possessed of qualities the most beneficial in the diseases for which it is recommended, and hence, while it is presented to the patient as an efficacious remedy, it is also known to be of that character on which reliance may be placed as to its safety. In cases of Impotency, Hemorrhages, Disordered Stomach, Menstruation, or Spontaneous of the Menstrus, Fluor, Albus or Whites, or

DEBILITY,

arising from any cause, or any weakness from sickness, where the patient has been confined for some time, for females after confinement, abortion or miscarriage, this cordial cannot be exceeded in its salutary effects; or in the loss of muscular energy, irritability, physical or moral. Lowness of spirits, palpitation of the heart, indigestion, sluggishness, decay of the procreative functions, nervousness, &c. where a tonic medicine is required, it will be found equal, if not superior to any compound ever used.

TO FEMALES.

Henry's Invigorating cordial is one of the most valuable medicines which has been discovered for the female sex, which, while it restores the whole system, checks excesses, and cures renewed health and happiness. Less suffering, disease and unhealthiness among ladies would exist, were they generally to adopt the use of this cordial. Lowness of spirits, debility from such obstructions which females are liable to, are restored by the use of a bottle or two, to bloom and vigor.

YOUNG MEN.

That solitary practice, so fatal to the existence so fatal to the existence of man, and its vicissitudes, who are most likely, to become victims of this cordial, are rendered innocuous to which they subject themselves, causes

NERVOUS DEBILITY.

weakness of the system, and premature decay, many of our young men, by indulging in such practices, as are the cause of this disease, to those whom they may by excess have brought on themselves premature impotency, involuntary seminal emissions, weakness and shrivelling of the genital organs, Nervous Affection, or any other consequence of intemperance, or indulgence of the sensual passions, occasioning the necessity of recommending the felicities of

MARRIAGE.

Lessening both mental and bodily capacity, hold Henry's Invigorating Cordial, a medicine that is purely vegetable, will aid nature to restore these important functions to a healthy state and will prove of service to you. It possesses rare virtues, is a general remover of disease and strengthens the system.

AS A TONIC MEDICINE.

It is unnecessary. We do not place this Cordial as a feeble or quack medicine, and as is customary, append a long list of recommendations, &c., beginning with "heat what the world, at this time, and such like; it is not necessary, for Henry's invigorating cordial only needs a trial to prove all that we say.

THE GENUINE "HENRY'S INVIGORATING CORDIAL,"

is put up in 8 oz. Patent Bottles, and is easily recognized by the manufacturer's signature on the label of each Bottle, (to counterfeit which is felony.)
