III.—Principles Stated, Illustrated and Enforced.
IV.—The Objects which this Organization aims to Accomplish.
V.—The Necessity of such an Organization examined.
VI.—The Exigencies of the Times demand an American Party.
VII.—The True Position of the Party.
VIII.—The Rapid Progress and Wide Extent of its Influence an Argument for the Excellence of the American Party.
IX.—The Plans of the Party adopted by President Fillmore.
X.—The Probable Influence of the American Party on the next Presidential Election.
XI.—Review of Hon. H. A. Wise's Letter.

The above book is now in press, and will be issued in a few days. It is from the pen of one thoroughly acquainted with the undercurrent of American politics, and the causes which have led to the existing corruption in high prices. He traces out clearly the operations of a foreign element in our governmental institutions, and shows that the **SONS OF THE SOIL SHOULD GOVERN THE SOIL.** This is the authors strong position, which he maintains by irrefragable arguments.

The book is one that should be in the hands of every native born citizen, as well as foreigner. The politicians will have the book of course, for they have a personal interest in the question: **Who will be our next President?** It will produce a rattling among the dry bones of old political parties.

Published by Lippincott, Grambo & Co., Philadelphia; and for sale by all booksellers. Price 75 cents. A liberal discount made to those who purchase in quantities. The book will be sent by mail to any part of the U. S. free of postage, on receipt of \$1.

The Safe we purchased of you, and manufactured by EVANS & WATSON, of Philadelphia, Pa., remained in the fire at the burning of our store until the entire stock was consumed, the heat being intense, as you may suppose as there were about seventy barrels of liquor in the store, besides some seventy thousand pounds of rags and ropes, and other articles of a highly combustible nature. We had the safe opened after the fire had ceased, and found our books and papers preserved in perfect order. No. 116 Light street wharf.

SALAMANDER SAFES BY EVANS & WATSON'S TRIUMPHANT—
MESSRS. E. & T. FAIRBANKS & Co.

Gentlemen:—We take much pleasure in recommending your FIRE PROOF SAFES to merchants and others, who may desire to purchase with a view to the preservation of their Books and other valuables. The Safe we purchased of you, and manufactured by EVANS & WATSON, of Philadelphia, Pa., remained in the fire at the burning of our store until the entire stock was consumed, the heat being intense, as you may suppose as there were about seventy barrels of liquor in the store, besides some seventy thousand pounds of rags and ropes, and other articles of a highly combustible nature. We had the safe opened after the fire had ceased, and found our books and papers preserved in perfect order. No. 116 Light street wharf.

Please send as another of your best Safes, of the same size, for our future use, and oblige
