**DOLLARD,** DRESSER ARTISTE IN HAIR, 177 Chestnut Street, PHILADELPHIA.

**DOLLARD'S HERBAIN EXTRACT, or Lustrous Hair Tonic,** prepared from South American Woods and roots, the most successful article ever produced for preserving the hair from falling out or changing color, restoring and preserving it in a healthy and luxuriant state. Among other reasons why Dollard's Hair Cutting Saloon maintains its immense popularity is the fact that his tonic is applied to the root of each hair cut at his establishment, consequently, it is kept in better preservation than under any other known application. It being thus practically tested by thousands, offers the greatest guaranty of its efficacy.  
Sold wholesale and retail at his old establishment, 177 Chestnut Street, opposite the State House.  
Dollard has at last discovered the real cause of the loss of hair, and announces it for sale, with perfect confidence in its surpassing every thing of the kind now in use. It colors the hair either black or brown, as may be desired, and is used without any injury to the hair or skin, either by sun or otherwise, can be washed out with soap after application, without detracting from its efficacy. Persons visiting the city are invited to give him a call. Letters addressed to R. Dollard, 177 Chestnut Street, Philadelphia, will receive attention.

**AN INVALUABLE BOOK, ONLY 25 cts. A COPY—MAN KNOW THYSELF!**  
Dr. Hunter's Medical and Historical Treatise on the Afflicted. Containing an outline of the Origin, Progress, Treatment and cure of every form of disease, contracted by Promiscuous Sexual Intercourse, by Self-abuse, or by Sexual Excess, with advice for their prevention, written in a familiar style, avoiding all medical technicalities, and everything that would offend the ear of decency, with an outline of complaints incident to females, from the result of some twenty years successful practice, exclusively devoted to the cure of diseases of a delicate or private nature.  
To which is added receipts for the cure of the above diseases, and a treatise on the causes, symptoms and cure of the Fever and Ague.  
*Testimony of the Professor of Obstetrics, in Penn College, Philadelphia:*  
"Dr. HUNTER'S MEDICAL MANUEAL."  
The author of this work, unlike the majority of those who advertise to cure the 'diseases of which it treats is a graduate of one of the best Colleges in the United States. It affords me pleasure to recommend him to the unfortunate, who to the victim of malpractice, as he has not only an experienced practitioner, in whose honor and integrity they may place the greatest confidence.  
JOHN S. LONGSHIRE, M. D.  
From J. Woodruff, M. D. of Penn. University, Philadelphia.

It gives me pleasure to add my testimony to the professional skill and practical success of the author of this work, which is a most valuable and complete manual. Numerous cases of disease of the genital organs, some of them of long standing, have come under my notice, in which his skill has been manifest in restoring to perfect health the afflicted, and in cases where he has considered beyond medical aid, in the treatment of seminal weakness, or disarrangement of the functions produced by self-abuse or excess of venery, I do not know his superior in the profession. I have been acquainted with the author since he was a student in no more than justice to him as well as kindness to the unfortunate victim of early indiscretion to recommend him as one in whose professional skill and integrity they may safely confide themselves.  
ALFRED WOODRUFF, M. D.  
"This is, without exception, the most comprehensive and intelligible work published of the class of diseases of which it treats. Avoiding all technical terms, it addresses itself to the reason of its readers. It is free from all objectionable matter, and is so written as to be as interesting to the layman as to the professional student. The author has devoted many years to the treatment of the various complaints treated of, with too little breath to puff, and too little presumption to impose, he has been to the world, at the merely nominal price of 25 cents, the fruit of some twenty years' most successful practice."—*Herald.*  
"No teacher or parent should be without the knowledge imparted in this valuable work. It would save the student of medicine, and sorrow to the youth under his charge."  
[People's Advocate,  
A Presbyterian clergyman in Ohio, writing of "Hunter's Medical Manual" says,—"Those who upon thousands of our youth by evil example, and influence of bad teaching, have been led into the habit of self-indulgence, without realizing the sin and fearful consequences upon themselves and their posterity. The constitutions of thousands who are raising families have been ruined by the indulgence of the habit, and they do not know the cause or the cure, and find that that can be done so to enlighten and influence the public mind as to check, and ultimately to remove this wide spread source of human wretchedness, and the greatest hindrance to the religion of Jesus Christ, and the present coming generation. Intemperance, or the use of intoxicating drinks, though it has slain thousands upon thousands, is not so great a scourge to the human race. Accept my thanks on behalf of the afflicted, and help me your co-worker in the good work you are so actively engaged in."  
One copy, securely enveloped, will be forwarded, free of postage, to any part of the United States for twenty-five cents, and one for one dollar. Address, as paid, **COSDEN & CO., Publishers or "Box 196 Philadelphia."**
