Herald of Penmanship! GOOD NEWS FOR BAD WRITERS!!! For Young Men Going Into Business GOOD NEWS FOR BAD WRITERS!!!

For Years Men Going into Business!

ADJES, CHILDREN, AND SCHOOLS,

L. You can now obtain, for the first time
in the world, a practical bandwriting, adapted to business or correspondence, with as
much certainty as a child learns to walk;
and without, nearly as well as with the aid
of a master! MecLavain's Currente Calamo
(Rapid Pea) System puts this necessary art
in the power of all, WITHOUT MISTAKE!

By a Series of Manual Gymnastic Exercises,
entirely new in their design, it takes the
chain off the hand, arm and fingers, makes
the hand perfectly at home on paper, and
combines the element of Rapidity with beauty of Execution. It begins a REVOLUTION
in the ART of WRITING! Such as has never before taken place, and will qualify thousefude of young men for good positions as
book-keepers, accommants, and copyists,
who have failed to learn to write well under
every other system. It is equally adapted
to teaching a tapid and elegant ladies' hand.

I.—Self-Instruction Series consists of MacLAURIN'S System of Manual Gymnas'ic exercises, in five numbers, accompanied by a
Book of Instruction, six books in all, together with six of the MacLaurin Pens and a
holder, put up in one package, and sent to
any part of the U. S. by mail, with the posiage paid, at one Dollar.

The larger Course is the same as the preceding, augmented by the Series of six round
and fine-hand Copy-Books and a blank exercise Ruled Book, for additional practice,
making thirteen books in all, with pens and
Instruction Book, at Two Dollars.

The book, containing a full Exposition of
the System, with Directions, will be sent sepstrate to any one ordering at and including a
postage stamp and twelve and a half cents.

This will give a full knowledge of the immense advantages of the System over all
others, and enable the buyer to preceed understandingly, if not already aware of the
nature of the plan; which is, the Art of Writing rapidly from the first. and at the same
time well—an art never before taught e

mand of the pen. Published in six numbers, price 75 cents.

MacLaurin's Reund-Hand Copy Books, in two parts, price 25 cents; and MacLaurin's Series of Fine-Head Copy Books, in four parts, price 50 cents, are now ready.

The above twelve books constitute MacLaurin's complete Series. Price one dollar and fifty cents for the set.

III.—MacLaurin's Twenty-Four Writing Tublets, for children in Farmlies and Primary Schools, 62 cents each; sent by mail in packages of 6, 12, or 24, containing the Big Exercises on stiff boards, for pen, pencil or style. Just the thing for amusing and unstructing the child at the same time; combining the toy and the book!
