Larger quantities at the same rate. The usual yield of this corn is about eight to twelve ears, to the single stalk. The following notice, taken from the Luzerne Union, of Nov. 8, 1854, will give some idea of the value of this article: "PROGRESSIVE CORN.—We were shown, yesterday, by Captain Converse, a set of corn, of rare kind, which was a stalk for eight ears, and owing to the seed having been planted too late, only eleven came to maturity. If this climate and soil is adapted to the raising of this corn, and there seems to be no doubt of it, it certainly must prove to be a most acceptable seed to our farmers. To Officers, Soldiers, Seamen &c. OF ALL WARS: THEIR WIDOWS AND MINOR CHILDREN.

S. M. KNIGHT, Attorney for Government Claimants, Washington, D. C. CONTINUES to give prompt and personal attention to the prosecution of Claims of every description against the General Government, and particularly to those before the Treasury Department, Pension and Bounty Land Bureaus, Patent and General Land Offices, and Board of Claims. An experience of years, and a familiarity with the means of obtaining the earliest and most favorable action on Claims, with his facilities for the dispatch of business, justify him in assuring his Correspondents, Claimants, and the Public generally, that interests entrusted to his keeping will not be neglected.

Pension, Bounty Land, Patent, and Public Land Laws.

He has nearly ready for gratuitous distribution among his business Correspondents, (and those who may become such,) a neat pamphlet containing a synopsis of the existing Pension, Bounty Land, Patent, and Public Land Laws, down to the end of the late Congress—including the

Bounty-Land Act of 3d March, 1855,

under which all who have heretofore received less than 160 acres are now entitled to additional land; said Act grants also 160 acres to all Officers, Non-Commissioned Officers, Chaplains, Soldiers, Wagon Masters, Teamsters, Boatmen, Land Agents, and Militia and all Officers, Seamen, Ordinary Seamen, Marines, Clerks, and Landmen, of the Navy, not heretofore provided for, who have served not less than fourteen days (unless in battle) any period since 1776, and to the widows and minor children of all such entitled, and deceased.

This pamphlet contains "Forms of Application" more full and complete than any elsewhere to be found; adapted to the wants of every class of Claimants under the Act, with explicit directions and instructions of the Department, and practical suggestions as to the course to be pursued in suspended or rejected cases.

Persons not wishing to avail themselves of the facilities by this Office in securing prompt and personal superintendence of their claims at the Departments, can obtain copies of the above pamphlet by remitting thirty cents in postage stamps.

Inducements to Correspondents.

Correspondents who prepare and forward cases for management by this Agency will be dealt with liberally; supplied with all necessary blanks gratis, and kept constantly advised of the changes that from time to time occur in the execution of the law. It is within the subscriber's power to direct his Correspondents to the locality of very many persons entitled under the late Act; and having obtained several thousand Land Warrants under former laws, he is in possession of data that will materially assist in securing additional bounty.

Fees, below the usual rates—and contingent upon the admission of Claims. The highest cash prices given for Land Warrants, Revolutionary Scrip, and Illinois Land Patents. Address S. M. KNIGHT, March 29,—4t. Washington City.
