S. M. KNIGHT, Attorney for Government Claimants, Washington, D. C.

CONTINUES to give prompt and personal attention to the prosecution of Claims of every description against the General Government, and particularly to those before the Treasury Department, Pension and Bounty-Land Bureaus, Patent and General Land Offices, and Board of Claims.

An experience of years, and a familiarity with the means of obtaining the earliest and most favorable action on Claims, with his facilities for the dispatch of business, justify him in assuring his Correspondents, Claimants, and the Public generally, that interest is bestowed in his keeping will not be neglected.

Pension, Bounty Land, Patent, and Public Land Laws. He has nearly ready for gratuitous distribution among his business Correspondents, (and those who may become such,) a neat pamphlet containing a synopsis of the existing Pension, Bounty Land, Patent, and Public Land Laws, and the mode of procuring the same, including the

Bounty-Land Act of 3d March, 1855, under which all who have heretofore received under this act 150 acres are now entitled to an additional land; said Act grants also 150 acres to all Officers, Non-Commissioned Officers, Chaplains, Soldiers, Wagon Masters, Teamsters, and friendly Indians of the Army, including State Troops, Volunteers, and Militia—and all Officers, Seamen, Ordinary Sailmen, Marines, Clerks, and Landmen, of the Navy, not heretofore provided for, who have served not less than twelve days (unless in battle) at any period since 1776; and to the widows and minor children of all such entitled, and deceased.

This pamphlet contains "Forms of Application" more full and complete than any elsewhere to be found; adapted to the wants of every class of Claimants under the Act, with copious decisions and instructions of the Department, and practical suggestions as to the course to be pursued
