

Gentlemen:—We take much pleasure in recommending your FIRE PROOF SAFES to merchants and others, who may desire to purchase, with a view to the preservation of their Books and other valuables. The Safe we purchased of you, and manufactured by Evass & Warson, of Philadelphia, Pauremained in the fire at the burning of our store until the entire stock was consumed, the heat being intense, as you may suppose as there were about seventy barrels of inport in the store, besides some seventy thousand pounds of rags and ropes, and other articles of a highly combustible nature. We had the Safe opened after the fire had ceased and found our books and papers preserved in perfect order. No. 116 Light street wharf. Please send as another of your best Safes, of the same size, for our future use, and oblige R. W. W. Isaac, No. 91 Light street wharf, Baltimore Ealtimore, Md., May 17, 1854.

Messas E. & T. Fairbanks & Co.—Gentlemen:—It gives us much pleasure to beat tentiment; to the excellence of your Fire Proof Safes. The one I, purchased of your manufactured by Messers. Evans & Walson, Philadelphia, Pa., saved my books and valuable papers, when everything else in the house was destroyed by fire, on the morning of the 14th inst., at No. 116 Light street wharf.

His shop is at the old stand, (too well known to need further notice) where he may at all times be found, seated upon the bench of repentance, steadily drawing out the thread of affliction, hopeing it may in the end prove advantageous to him and his customers. He would also advise his friends to bear in mind, that poor, afflicted tailors must live, or they can't be expected to work. Therefore, Wheat, Rye, Corn, Oats, Potatoes, and with all now and then a little CASH will come mighty handy from those who are back-standing on hie book.
