Gentlemen.—We take much pleasure in recommending your FIRE PROOF SAFES to merchans and others, who may desire to purchase, with a view to the preservation of their Books and other valuables. The Safe we purchased of you, and manufactured by Evass & Watzon, of Philadelphia, Paremained in the fire at the burthing of our store until the entire stock was consumed, the heat being intense, as you may suppose as there were about seventy barrels of liquor in the store, besides some seventy thousand pounds of rags and ropes, and other articles of a highly combustible matter. We had the Safe opened after the fire had ceased and found our books and papers preserved in perfect order. No. 116 Light street wharf.

Please send as another of your best Safes, of the same size, for our future use, and oblige.

TO THE FASHONABLE AND

OTPINIBIRES.

THE undersigned, having just received the latest Paris and New York Fashions, would again beg feave to inform his nomerous friends and all the world about Bloomsburg, that he is now better prepared than everto accommodate any one with the neatest, easiest and best fitting suits of Clothes that have been turned out lately; and not only that, but he will also do them up in the best order, upon the lowest terms.

His shop is at the old stand, (too well known to need further notice) where he may at all times be found, seated upon the beach of repentance, steadily drawing out the thread of affliction, hopeing it may in the and prove advantageous to him and his customers. He would also advise his friends to bear in minut that poor, afflicted tailors must live, or they can't be expected to work. Therefore, Wheat, Rye Corn, Oats, Potatoes, and with all now and then a little CASH will come mighty handy from those who are back-standing on hie book.

Remember, gentlemen, that in all cases "the laborer is worthy of his hire."
