SCHIEDAM AROMATIC SCHNAPPS. TO THE CITIZENS OF PENNSYLVANIA. I beg leave to call the attention of the citizens of Pennsylvania to the above article, manufactured by myself exclusively, at my factory in Schiedam, in Holland, expressly for medicinal purposes.

It is made from the best barley that can be selected in Europe and the essence of an aromatic Italian berry, of acknowledged and extraordinary medicinal properties; and it has long since acquired a higher reputation, both in Europe and America, than any other distillative beverage.

In Gravel, Gout, and Rheumatism; in Obstructions of the Bladder and Kidneys, and Debility of the Urinary Functions, its effects are prompt, decided, and invariably reliable. And it is not only a Remedy for these maladies, but in all cases in which they are produced by Drinking Bad Water, which is, almost universally, the cause of them, it operates as a Sore Fræventive.

The distressing effect upon the Stomach, Bowels, and Bladder, to travelers, new residents, and all persons unaccustomed to the water produced by the waters of nearly all our great inland rivers like the Ohio, Mississippi, and Alabama, from the large quantity of decayed vegetable matter contained in them, in a state of solution, is well known; and is also that of the waters of limestone regions, in profuse Gravel, and in the debility of the Bladder.

ULDOLPH WOLFE, 18, 20, & 22 Beaver street, N. Y. 25 South Street, Philadelphia.

I beg leave to call the attention of the public to the following letters from physicians: "Laboratory, N. Y., May 2, 1855.

"Ma. ULDOLPH WOLFE.—Dear Sir: I cannot speak to highly of the purity of your Schiedam Schnapps. It is decidedly superior to anything of the kind in market. It is perfectly free from the admixture of fossil oil, or of any of those artificial compounds which produce such a mischievous and irreparable effect upon the constitution, and which very few samples of alcoholic distillations are without—most of them being largely impregnated with it.

"I take great pleasure in bearing highly creditable testimony to the efficacy as a remedial agent in the diseases for which you recommend it. Having a natural tendency to the mucous surfaces, with a slight degree of stimulation, I regard it as one of the most important remedies in chronic catarrhal affections, particularly those of the genito urinary apparatus. With much respect, your obedient servant, CHARLES A. LEAS.

"PHILADELPHIA, July 15, 1855. "Mr. Uldolph Wolfe, No. 2, Beaver St., N. Y.—Dear Sir: Last evening the writer received through your agent in this city, a bottle of your Aromatic Schiedam Schnapps, and since that period has prescribed the same in certain cases of urinary catarrhs, and in cases of debility in aged persons. So far, the Schnapps has been of much benefit to those using it. "In conclusion, where a diuretic and stimulant is required, I should use the Aromatic Schiedam Schnapps. Thanking you for your kindness, I am respectfully yours, A. D. CHALONER, M. D., 180 South Eighth st.

The subjoined letter from Dr. PAINE, of Manchester, N. H., relates to one of the most valuable medicinal properties possessed by the Aromatic Schnapps, and shows that it acts as a specific in a very painful disease—the Gravel: "Mr. Wolfe:—Permit me to address you a few lines, which you are at liberty to use if you think proper, in respect to your medicine, called Schiedam Schnapps. I have had a very considerable case of gravel and stone, of some five years standing, remaining very acute pain in every attempt to urinate. After using many remedies without much relief, I was induced to try a bottle of your medicine. In the course of three days it proved effectual, discharging large quantities of stone, which were as large as a muskrat paw. I consulted the consultant, according to directions, and the patient continued to gain, and is fast recovering. I think a medicine of so much value as discharging a complaint, should be known to the public, and the world at large. And if for one must give it my approbation and signature. THOS. PAINE, M. D.

From Dr. JOHN S. REAS, Chemist, Baltimore, Md. Sept. 15, 1854. "A number of our physicians are ordering the article, and several have already prescribed it. A gentleness of my own personal acquaintance have suffered greatly with an affection of the kidneys and bladder, took two bottles, and subsequently passed a stone of considerable size, and was greatly relieved. It will no doubt go into general use. May 20, 1855.—3m.

HENRY'S INVIGORATING CODIAL.—The merits of this purely vegetable extract for the removal and cure of physical prostration, genital debility, nervous affections, &c., &c., are fully described in another column of this paper, to which the reader is referred. \$2 per bottle, 3 bottles for \$5; six bottles for \$8; \$16 per dozen. Observe the marks of the genuine.

Prepared only by S. E. COHEN, No. 3 Franklin Row, Vine St., below Eighth Philadelphia Pa., to whom all orders must be addressed. For Sale by all the respectable Druggists and Merchants throughout the country. T. W. DYOTT & SONS, No. 132 North 2nd St., Philadelphia, Sole Agents for Pennsylvania.

IMPORTANT TO FEMALES.—DR. CHEREPAIN'S PILLS.—The combinations of ingredients in these Pills, is the result of a long and extensive practice; they are mild in their operation, and certain in restoring nature to its proper channel. In every instance have the Pills proved successful. They invariably open those obstructions to which females are liable, and bring nature into its proper channel, whereby health is restored, and the pale and feeble complexion changed to a healthy one. No female can enjoy good health unless she is regular; and whenever an obstruction takes place, whether from exposure, cold, or any other cause, the general health immediately begins to decline, and the pale and feeble complexion, the cramp, the cramp of so many consumptions among young females. To ladies whose health will not permit an increase of their family, these Pills will prove a valuable acquisition, as they will prevent pregnancy. Headache, pain in the side, palpitation of the heart, loathing of food, and disturbed sleep do most always arise from the interruption of nature; and whenever that is the case, the Pills will invariably remedy all these evils. Nor are they less efficacious in the cure of Leucorrhœa, commonly called the "White Discharge." These Pills should never be taken during pregnancy, as they would be sure to cause a miscarriage. Waranted to be purely Vegetable, and free from anything injurious to life or health. Full and explicit directions accompany each box.

These Pills are put up in square flat boxes. Persons residing where there are no agencies established, by enclosing One Dollar in a letter postpaid to Dr. C. L. CHEPESMAN, No. 267 Bleeker street, New York City, can have them sent to their respective addresses by return of mail.

The distribution of the Gifts being definitely fixed for JULY 5th, 1855. Any person sending \$10 may deduct 10 per cent. or will receive 11 Tickets. Each person sending \$500 before the 5th of July, will, in addition to commissions, be presented with a Silver Watch, valued at \$25.

Each person sending \$300 before the 5th of July, will, in addition to commissions, be presented with a Gold Watch, valued at \$50. Each person sending \$500 before the 5th of July, will, in addition to commissions, be presented with a Gold Watch, valued at \$100.

The person who shall send, before the 5th of July, the largest amount above \$500, will, in addition to commissions, be presented with a piano, valued at \$200.

I have been induced to make the above liberal offers in order to remove a settled objection in the minds of your committee, to having the distribution take place while the remains in my hands tickets unsold, and which cause they have seen fit to defer the partition of the gifts, which was fixed for the 27th inst. to the 5th of July, as will be seen by reference to their proceedings, published below. I assure you that the postponement is as vexatious to me as it is to those who have purchased tickets, and therefore hope that each and every one now interested, will co-operate with me in the effort to dispose of the few thousand tickets remaining unsold, and thus advance the interests of the whole body of shareholders. Respectfully yours, J. PERHAM.

TO THE PATRONS OF Perham's third Gift Enterprise. At a meeting of the Committee of Shareholders of Perham's Gift Enterprise, held at the Academy Hall, Broadway, on Wednesday Evening, April 18th, 1855, the following preamble and resolutions were adopted and ordered to be published: Whereas, in view of the fact that several enterprises have been started and carried on with a seeming purpose of defeating those who should be persuaded to purchase tickets therein; and such fraudulent proceedings have exerted an injurious influence in the sale of tickets in the enterprise of Mr. Perham; and whereas, it is deemed essential that all the tickets should be disposed of before the distribution takes place, be dispensed with;

Resolved, That in order to allow time for that purpose, the distribution be postponed until the 5th of July, at such place as may hereafter be determined.

Resolved, That the committees have undiminished confidence in the integrity of Mr. Perham, and in his disposition to conform to all this published promises to his patrons.

ROBT. BEATTY, Jr., Chairman.

REMEMBER! The Tickets are only \$1 Each. And each Ticket admits Five Persons to Perham's Boutique, 613 Broadway, N. Y.; and that among the Gifts to be distributed, are
