## SCHIEDAM AROMATIC SCHNAPPS.

I beg leave to call the attention of the citi-tens of Fennsylvania to the above article, manufactured by myself exclusively, at my factory in Schiedam, in Holland, expressly

Factory in Schiedam, in Holland, expressly for medicinal purposes.

It is made from the best Barley that can be selected in Europe and the essence of an aromatic Italian berry, of acknowledged and extraordinary medicinal properties; and it has long since acquired a higher reputation, both in Europe and America, than any other dielic beverage.

In Gravel, Gont, and Rhenmatism; in Obstructions of the Bladder and Kidneys, and Debility of the Urinary Functions, its effects are prompt, decided, and invariably reliable. And it is not only a Remedy for these maladies, but, in all cases in which they are produced by Drinking Bad Ware, which is, almost universally, the cause of them, it operates as a Sure Preventive.

The distressing effect upon the Stomach, Bowels, and Bladder, to travelers, new residents, and all persons unaccustomed to them produced by the waters of nearly all our great inland rivers like the Ohio, Mississippi, and Alabama, from the large quantity of decayed tegetable matter contained in them, in a state of solution, is well known; as is also that of the waters of limestone regions, in producing Gravel, Calculi, and Stone in the Bladder. The AROMATIC SCHIEDAM SCHNAPPS is an absolute corrective of all these injurious properties of bad wave, and consequently prevents the disease which they occasion. It is also found to be a cure and preventive of Fever and Ague, a complaint caused by the conjoin: effects of vegetable malaria in the atmosphere, and vegetable putrescenses in the waters of those discricts in which it principally prevails. The Aromatic Schiedam Schnapps is consequently respecially; as well as by many in every community where it has become known on account of its various other remedial properties.

More then three thousand physicians, amone when are numbered the reselest

More than three thousand physicians, among whom are numbered the greatest names belonging to the faculty of medicine in this country, have certified, over their own signatures, to the valuable medicinal properties of such an article, as the severest tests have proved the Schiedum Aromatic Schnapps to be, and have accepted it as a most desirable addition to the materia medica.

Put up in quart and pint boules, enveloped in yellow paper with my name on the bottle, cork and seal. For sale by all respectable Druggists and Grocers.

48, 20, & 22 Beaver street, N. Y. 25 South Front street, Philada. 1 beg leave to call the attention of the pub-tic to the following letters from physicians:

"Laboratory, N. Y., May 2, 1855.

"Ma. Updolpho Wolff.—Dear Sir: I cannot speak to highly of the purity of your Schiedam Schnapps. It is decidedly superior to anything of the kind in market. It is perfectly free from the admixture of fusil oil, or of any of those amplic compounds which produce such a mischievous and irreparable effect upon the constitution, and which very few samples of alcoholic distilled liquors are without—most of them being largely impregnated with it. I have personally inspected the various process of distillation practiced at Schiedam, and know that unusual care is taken to separate the noxious elements from the pure alcohol, and your Schnapps is a striking proof of its success. As a medicinal agent for chronic and renal affections, I have soccessfully prescribed it, and recommend it as an agreeable cordial and harmless sumulant, and shall continue to do so; as well as to use it as a source of pure alcohol for chemical investigations and experiments. Yours obedient, I stam Decs.

Consulting Analytical Chemist." " Laboratory, N. Y., May 2, 1855.

Dr. Charles A. Leas, Commissioner of Health, Baltimore, writes as follows in rela-tion to the value of Schnapps as a remedy in chronic catarthal complaints, &c. The tetter is dated July 27, 1853:

u'i take great pleasure in bearing highly creditable testimony to its efficacy as a remedial agent in the diseases for which you recommend it. Having a natural tendency to the mocous surfaces, with a slight degree of attmitation, I regard it as one of the most important remedies in chronic catarrhal affections, particularly those of the genito urisary apparatus. With much repsect, your obedient servant, CHARLES A. LEAS.

"Mr. Wolff:—Permit me to address you a few lines, which you are at liberty to use if you think proper, in respect to your medicine, called Schiodam Schnapps. I have had a very obstinate case of gravel and stone, of some five years standing, causing very scute pain in overy attempt to urinate, After using many remedies without much relief, twas induced to try a bottle of your medicine. In the course of threee days it proved effectual, dislodging large pieces of stone, some of which were as large as a marrowfat pea. I continued the cortain, according to directions, and the patient continued to gain, and is fast recovering. I think a medicine of so much value in so distressing a complaint; should be known to the public, and the world at large. And I, for one must give it my approbation and signature.

ASTOUNDING WORK BY A MORMON.

ASTOUNDING WORK BY A MORMONSPIRITUAL DELUSIONS.—BEING A KEY
to the Mysteries of Mormonism and the
"Spiritual Wite" system, as practised by
Brigham Young and his associates at Great
Sall Lake City. By a Mormon and his wife,
seceders from that singular sect. Beautifully
illustrated.

This interesting work bids fair to 'run like
wildfire,' coming as it does at a time when
the peculiarities of the Mormon people, and
their defiant attitude towards our government,
are exciting such universal attention throughout the United States. The book gives a full
and explicit exposition of the blasphemous
secret ceremenies of Mormonism, the authors
having been personally initiated into the Revolting Mystery of the Spiritual Wife System
during their residence at Utah. The numerous illustrations give spirited representations
of the Mysterious Initiation Rites, of the Temple, and other starting scenes, showing the
Grand Turk, Brigham Young, at home in, his
Harem—the whole forming a book that ought
to be earnestly read and reflected on by every family.
