#### TO THE CITIZENS OF PENNSYLVANIA. SCHIEDAM AROMATIC SCHNAPPS.

I beg leave to call the attention of the cili-zens of Pennsylvania to the above article, manufactured by myself exclusively, at my Factory in Schiedam, in Hollaud, expressly for malieinal numeric

Factory in Schiedam, in Fioliaud, expressly for medicinal purposes. It is made from the best Barley that can be selected in Europe and the essence of an ar-omatic. Italian berry, of acknowledged and extraordinary medicinal properties; and it has long since acquired a higher reputation, ooth in Europe and America, than any other dictic beveauge.

has long since acquired a higher reputation, oth in Europe and America, than any other distic beverance. In Gravel, Gost, and Rheumaism; in Ob-structions of the Biadder and Kidneys, and Debility of the Urinary Functions, its, ef-fects are prompt, desided, and invariably re-liable. And it isnot only a Remedy for these inaldices, but, in all cases in which they are produced by Drinking Bad Waver, which is, simost universally, the cause of them, it op-erates as a Sure Freventize. The distressing effect upon the Stomach, Bowels, and Bladder, to travelers, new resi-fects are promoted by Drinking Bad Waver, which is, simost universally, the cause of them, it op-erates as a Sure Freventize. The distressing effect upon the Stomach, Bowels, and Bladder, to travelers, new resi-fents, and all persons unaccustomed to them produced by the waters of nearly all our great inland rivers like the Ohio, Mississirpi, and Alabama, from the large quantity of decay-ed regenable matter contained in them, in a state of solution, its well known; as is also the observation of the waters of Limestone regions, in producing Gravel, Calculi, and Stone in the Bladder. The AROMATIC SCHIEDAM SCHNAPPS is an absolute corrective of all these injustious properties of bad waver, and onsequently prevents the disease which they occasion. It is also found to be a cure plaint caused by the conjoint effects of vege-table malaria in the atmosphere, and yeegea-ble purescenses in the waters of those dis-tricts in which it principally prevails. The Aromatic Schiedam Schnapps is consequently in great demanch by persons travelling, or about to settle in those parts of the country especially; as well as by many in every community where it has become known on accust.

account of its various other remedial proper-ties. More than three thousand physicians, among whom are numbered the greatest names belonging to the faculty of medicine in this country, have certified, over their own rignatores, to the valuable medicinal proper-ties of such an article, as the severest tests have proved in Schledam Aromatic Schnappe to be, and have accepted it as a most desira-ble addition to the *micrus* medica. Put up in quart and pint boules, enveloped in yellow paper with my name on the bot-le, cork and east. For sale by all respecta-ble Druggists and Grocers. UDCLPHO WOLFE, 18, 20, & 22 Beaver street, N. Y. -25 South Front street, Philada.

Dr. Charles A. Lens, Commissioner of Health, Baltimore, writes as follows in rela-tios to the value of Schnappe as a remedy in chronic catartish complaints, &c: The letter is dated July 27, 1853:

"I take great pleasure in bearing highly realiable resimony to its efficacy as a rem-edial agent in the diseases for which you rec-ommend it.
